

## THE EAGLE NEWSLETTER

### SUPERINTENDENT'S CORNER

I would like to take this opportunity to extend my congratulations to all of the students involved in Fall activities. It is always so impressive the way that our many student athletes and activity participants come together throughout the season to improve their skills and help one another to achieve higher levels of success from early August through October. As we move into our Winter season, I would like to wish every participant the best as they begin new challenges and hope that the season is a successful one!

As we begin this very festive and busy time of year, it is especially important that you reinforce time management with your children. With the quarter ending soon and semester finals approaching, it is important to structure study time at home on a regular basis. Please make sure you are checking in with your children and asking them about school and how they are doing. Be sure to check your child's grades on Power School on a regular basis. If you have any concerns or questions, please feel free to call or email your child's teachers at any time. Consistent communication between home and school will only enhance your child's educational experience here at Allen. Check their grades on Power School and fill free to call or e-mail the teachers at any time. If you have any questions about upcoming events and schedules, please call the office.

Just a reminder as the weather is starting to turn for the worse, along with the ADT Tyco Alert calling system, Allen Consolidated schools will continue to use KTIV news and KCAU Snowcap as the main sources to report school information related to weather. A direct link to the school cancellation links can be found on the front page of our website at [allenschools.org](http://allenschools.org). Decisions about a possible late start or no school will be made as soon as possible the morning of the inclement weather. As soon as the decision is made information will be posted to KTIV, KCAU and an ADT Tyco Alert call will be made. We also send weather related information using push notifications from the Allen Consolidated Schools App found in iTunes or the Google Play Store.

Another winter weather concern is dressing the students appropriately for the upcoming temperatures. Please make sure your elementary students have heavy coats, some type of snow pants, gloves, and hats. The Elementary classes will be going outside for recess on most days unless the weather is too severe.

**Due to the snow day on Friday November 18th Allen Consolidated Schools will be adding a day to the end of the 1st semester. Instead of the last day for senior high students being on the Wednesday the 21st it will be moved to Thursday the 22nd. The last day before winter break for the elementary students will now be on Wednesday the 21st instead of Tuesday the 20th. The end of the 1st semester will be now December 22nd.**

- ⇒ Monday, December 19th - Regular Day
- ⇒ Tuesday, December 20th - Regular Day
- ⇒ Wednesday, December 21st - 1:00 Dismissal / Semester Tests / Last Day for Elementary
- ⇒ Thursday, December 22nd - 1:00 Dismissal / Semester Tests / No Elementary/ End of Semester

With winter weather fast approaching, your child needs to bring snow pants, a heavy coat, boots, hat, and gloves every day for recess during the winter months (per the student handbook).

The teacher on recess duty those days will decide which clothing items are needed in order to safely enjoy the recess time. If winter attire is needed and your child does not have the proper clothing, they will not be able to play and will be required to stand in an area designated by the teacher on duty. Please send your child with the proper items ASAP. They can be kept at school for your convenience.

Please contact your child's teacher with any questions. We greatly appreciate your help with this matter.

### **ALLEN SCHOOL GIVING TREE**

The Allen Consolidated School Student Council will be hosting a Giving Tree this year at the school! If you would like to take part in giving a child a gift...YOU CAN!

**How it works:** Stop by the school and take tag from our Paper Tree. The tree will be located on the wall in the commons area. There will be a sign-up sheet hanging on the wall by the Paper Tree for you to write **YOUR** name beside the Tag **YOU** take. All gifts are due back to the school office with the tag attached by **December 15th.**

The school will deliver the gifts to each family to make sure it is confidential for them and you! Thank you for your kindness and giving. Have a wonderful Holiday Season!

## **PRINCIPAL'S CORNER**

It is difficult to believe that December is upon us, and that we have almost completed one semester of school already! We had a great first quarter—please check out our first quarter honor roll and congratulate those students if you get a chance! I'd like to point out that semester tests are scheduled for Wednesday, December 21st and Thursday, December 22nd with an early out on both days, and no school on the 22<sup>nd</sup> for elementary. We have been encouraging students to work hard and improve their grades all semester, and with good attendance and effort, there is still plenty of time to do so. Here at school, on a weekly basis, struggling students have been notified of their grades and are encouraged to come in for help after school. At home, discussing classes, checking PowerSchool on a regular basis, and helping your teen establish a scheduled homework/study time are a few things that can also improve student learning. By working together, hopefully we can make an impact on academic success for our students.

I would like to take this time to extend congratulations to all of our students involved in fall activities, and especially congratulate students receiving these honors:

**Lewis and Clark Conference Quiz Bowl:** 2nd place in Senior Division: Amber Krakau, Kiara Monteith, Garrett Brentlinger and Levi Woodward.

**Lewis and Clark Conference Honor Choir:** Brock Floyd, Kiara Monteith, Lukas Oswald, Austin Roth & Isaac Verzani

**All State Chorus:** Austin Roth, Tenor 1 and Lukas Oswald, Tenor 1 (Austin Roth was ranked #1 for Tenor I's in the Region 4 area—Congratulations!)

**Lewis and Clark Conference One Act Outstanding Actors:** Garrett Brentlinger, Joshua Cooper, Summer Jackson, Brogan Jones, Jarod Lund, Kelsey Malcom, and Lukas Oswald

**Lewis and Clark Central Division All Conference Volleyball:** Bri Hingst;  
Honorable Mention: Cassidy Thomas

**All District Football:** DEFENSE: Cody Thomas and Garrett Brentlinger  
Honorable Mention Offense: Tayler Kumm and Jacob Williams  
Honorable Mention Defense: Kyle Smith and Isaac Verzani

In addition, I would invite everyone to continue supporting students as winter activities commence. By this time, wrestling and basketball have begun, our one act play group has competed, quiz bowl team has competed, and our band and choir students have been busy preparing for their holiday concert. Our students appreciate your support and attendance at their activities!

Finally, during this holiday season, it is always good to take time to be thankful for our blessings. Here at Allen Consolidated Schools, we are very grateful for the Allen community, parents, students, staff and Board of Education. All of these people work together to provide a safe and wholesome educational program for our students. I would like to say "thank you" to everyone and wish you all a very Merry Christmas!

Lana Oswald, 7-12 Principal

## Special Education

Allen Consolidated Schools ensures that a free appropriate public education is available to all children with disabilities from birth through the high school year in which the student reaches 21 years of age, including children who have been suspended or expelled from school.

Allen Consolidated Schools requests your help in locating handicapped children. The school implements the Federal Handicapped Children's Act (PL 94-142) and Nebraska Statute which guarantees a free appropriate education program for all children between birth and 21 years of age.

If you have students or know of any young person who meets criteria please contact the Superintendent's Office

## Seniors . . . It's time to prepare for the early FAFSA!

Beginning October 1st, you can apply for federal, state and college-based financial aid by completing the Free Application for Federal Student Aid (FAFSA). This is a change from previous years when students had to wait until after January 1 to apply.

Here is how you can prepare:

- ⇒**Create a Federal Student Aid (FSA) Id** for you and one for your parent at [fsaid.ed.gov](http://fsaid.ed.gov). You and a parent will each need a FSA ID to access and sign up for the FAFSA.
- ⇒**Be aware of your college's FAFSA priority date.** Complete your FAFSA before that date as some financial aid is awarded first come first served. Contact your college's financial aid office to learn their priority date.
- ⇒**Attend an EducationQuest Financial Aid Program (FAP)** to learn about the FAFSA and the financial aid process. If you attend, *you'll be eligible to register for a \$500 scholarship!* FAP's will be held at high schools across the state. Ask Mrs. Kneifl for dates and locations.
- ⇒**See FAFSA Tools at [EducationQuest.org](http://EducationQuest.org)** for free tools that will help you prepare. For free personal help, call the EducationQuest location nearest you to make an appointment: Omaha - 888.537.6300; Lincoln - 800.303.3745; Kearney - 800.666.3745; and Scottsbluff - 800.303.3745 ext. 6654.

## SENIORS - - - It's time to start the admissions process!!

Admissions and deadlines will start hitting this fall. Follow these steps to stay on track:

- ⇒**Complete your college visits** and narrow your choices to 3 -4 schools.
- ⇒**Contact your top colleges NOW** and ask about deadlines and the process for applying for admission, college-based scholarships and financial aid.
- ⇒**Apply to your top 3-4 colleges before the deadline.** Along with your application, the colleges will require your high school transcript, class rank, GPA and ACT/SAT score. They may also request a list of your extracurricular activities, letters of recommendation, an essay, and an interview.
- ⇒**Update your Activities Resume.** Since extracurricular activities are an important part of the admissions application, keep them up-to-date by using the *Activities Resume* at [EducationQuest.org](http://EducationQuest.org).
- ⇒**Contact your admissions representative periodically** to stay informed about deadlines and campus activities.

## Attend a Financial Aid Program and you may win a \$500 scholarship!!

If you're a high school junior or senior—and if you attend an EducationQuest **Financial Aid Program** [FAP] before February 1, 2016—you'll earn a chance to win one of *three \$500 scholarships!!*

EducationQuest is conducting FAPs across the state. If you attend, you can register to win a \$500 scholarship. Parents or guardians who attend may register on their student's behalf.

## JUNIORS . . . Start researching colleges

If you narrow your college choices by the end of your junior year, your senior year will be less stressful. Here's how to get started:

- ◆ **Review College Profiles at EducationQuest.org** for information about colleges in Nebraska and across the country. If you're interested in an out-of-state school, check out the Midwest Student Exchange Program at <http://msep.mhec.org>.
- ◆ **Meet with college representatives** who visit your school, and then visit the websites of the colleges that interest you to learn more about the schools.

Once you've narrowed choices, **schedule campus visits**. Try to visit in the spring of your Junior year while colleges are still in session.

For more tips, visit the Selecting a College section at **EducationQuest.org**

Here are some test taking tips that you can share with your children as we are getting close to semester test time.

1. Everyone is different; different methods work for different people. The following are only suggestions on improving your current studying techniques.
2. It is best to review the material right after class when it's still fresh in your memory. Don't try to do all you're studying the night before the test. Instead space out your studying, review class materials at least several times a week, focusing on one topic at a time.
3. Have all your study material in front of you: lecture notes, course textbooks, study guides and any other relevant material.
4. Find a comfortable and a quiet place to study with good lighting and little distractions (try avoiding your own bed; it is very tempting to just lie down and take a nap).
5. Start out by studying the most important information.
6. Learn the general concepts first, don't worry about learning the details until you have learned the main ideas.
7. Take notes and write down a summary of the important ideas as you read through your study material.
8. Take short breaks frequently. Your memory retains the information that you study at the beginning and the end better than what you study in the middle.
9. Space out your studying, you'll learn more by studying a little every day instead of waiting to cram at the last minute. By studying every day, the material will stay in your long-term memory, but if you try to study at the last moment, the material will only reside in your short term memory that you'll easily forget.
10. Make sure that you understand the material and try to memorize everything.
11. If you choose to study in a group, only study with others who are serious about the test.
12. Test yourself or have someone test you on the material to find out what your weak and strong areas are. You can use the review questions at the end of each chapter or practice tests the teacher may give out as well as other materials.

## Want Scholarships?

Follow these tips to increase your chances of earning scholarships:

- \* **Don't pay for scholarship searches!** Use free search sites including ScholarshipQuest at **EducationQuest.org** where you'll find over 2,000 state and local awards. Scholarship resources are also available through your school counselor's office and at EducationQuest offices in Kearney, Lincoln and Omaha.
- \* **Focus on college-based and local scholarships.** You're more likely to earn them over large national awards.
- \* **Continually update your activities, honors and volunteer or paid jobs** using the Activates Resume at **EducationQuest.org**.
- \* **Earn the best possible ACT/ SAT scores** by taking the exams in the spring of your junior year and again in the fall of your senior year.
- \* **Use quality references** such as a teacher, coach or counselor. Encourage them to write specific examples of your leadership skills. Give them advance notice and a specific deadline.
- \* **Pay close attention to grammar and spelling.** Ask at least two people to proofread your application.

## **Non-Discrimination Policy**

It is the policy of the Allen Consolidated Schools not to discriminate on the basis of sex, handicap, age, race, religion, marital status, or national or ethnic origin in its educational programs, administered programs, and all the related publications.

It is the policy of the Allen Consolidated Schools not to discriminate on the basis of sex in its educational programs, activities, or employment policies as required by Title IX of the Educational Amendments.

Inquiries regarding compliance with Title IX may be directed to:

Mr. Pattee,  
Superintendent,  
Allen Consolidated  
Schools, (402) 635-2484,

or to:

The Director of the Office  
of Civil Rights,  
Department of Education,  
Washington D.C.

## **Winter Delays and Closings**

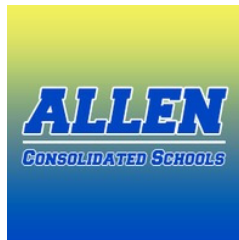

Information regarding school delays and closing can be found on KTIV, KCAU Snowcap and local radio stations. There are many factors to consider before making the decision to cancel classes, to start late, or to dismiss early. First and foremost, is the safety of the students, faculty, parents, and staff. Such a decision is not taken lightly.

We will be communicating with other area schools and hopefully will make a decision as to a weather related two-hour late start or closing as soon as possible. Occasionally a decision can be made either for a two-hour late start or a closing the night before. In the case of severe weather please check the 10:00 pm Sioux City news for up-to-date late start and closing information. Weather-related dismissals can also be found by going to the school website at [www.allenschools.org](http://www.allenschools.org) and clicking on the KTIV Winter Delays and Closings button or the Siouxland Matters Weather Closing and Delays button on the right side lower section of the front page.

The school will be continuing to use the ADT Tyco Alerts program where each family will be called about delays and closings.

Occasionally it may be necessary because of bad weather to have an early out. If this is the case every effort will be made to publicize the early out and contact parents. We do not want to have students home alone without prior parent approval.

Allen School will continue to use push notifications for weather closings or school announcements.

Using your smart phone go to the Google Play Store or iTunes Store and download an app called **Allen Consolidated**.

**\*\*Make sure to accept notifications when installing the app\*\***

The Allen Schools is still collecting Box Tops for Education. It's easy to find Box Tops. In fact, you may have some in your home right now. Clip Box Tops from your favorite products and turn them in to your child's school today! Box Tops are each worth 10¢ and they add up fast! Clipping is EASY! Find Box Tops on hundreds of products you know and love. See the website for a listing of Box Tops products!

**When students are being picked up upon daily dismissal we ask you to please wait in the commons. The teachers will bring your students to the commons area so they can be picked up.**

## **Elementary Rollerama Skating Party**

The annual KG through 6th grade Christmas skating party will be held on the morning of Wednesday, December 21, 2016.

**Students are asked to bring \$3 to cover the cost of skating.**

Field trip permission slips and information will be sent out as the day grows nearer. Parents are more than welcome to attend! Please provide your own transportation and meet us there.

Parents will be charged \$5 to skate.

*We are looking forward to "Rolling into Christmas Break" at the Rollerama!*

# LIBRARY NEWS...

Our school library was fortunate enough to be able to purchase a variety of new titles within the last month. Many of the new purchases are Newberry award winning junior and young adult fiction novels. The John Newberry award is given annually by the Association for Library Service to Children, a division of the American Library Association (ALA) and is given to the author of the most distinguished contribution to American literature for children. Our school's library catalog previously lacked many of the Newberry award winning titles from the last 15 years. With this purchase, the library is now up to date with award winning books. Other purchases were made as well including early elementary fiction books and a few non-fiction social studies based sets.

The library's feature books of this month are Newberry award winners. Display shelves have been set up in the library so that students can browse and check out these great pieces of literature. With the second quarter soon coming to a close, upper elementary, jr. high, and high school students will be required to attain an Accelerated Reading goal set forth by their classroom and/or English teachers. Newberry novels are great reads to earn points but more importantly, a chance for students to truly enjoy what they are reading!

Elementary Computer classes have been busy continuing to enhance their typing skills, this is especially evident in the 2<sup>nd</sup>-6<sup>th</sup> grade classes. Kindergarten and 1<sup>st</sup> graders are working hard and have made huge improvements in using the mouse pad correctly and efficiently as well as very basic typing skills. In December, the elementary computer classes will be working on a project that will culminate the skills that they have been working on during the first semester of computer classes. It's very hard to believe that almost half of the school year has passed!

## Be a Volunteer!

Becoming a school volunteer can be one of the most rewarding experiences in life. Sharing a special talent, reading a book to a student, assisting the school librarian, helping to put up an interesting bulletin board for the classroom teacher, or helping chaperone on a field trip are all ways that one can serve as a school volunteer.

Volunteers are made up of parents, grandparents, business people, retirees, high school students, and other community members. They can volunteer on a regular basis or on special occasions. If you would like to volunteer please call the school at (402) 635-2484.
