## SUPERINTENDENT'S CORNER

Congratulations to all individuals currently participating in extra-curricular activities this fall! Late October and early November is a busy time of year with conference tournaments under way and regular season events winding down. Please continue to support all of our students in the extracurricular activities at Allen. To stay current with the latest updates on activities, events and day-to-day news, log on to the school's website at [www.allenschools.org](http://www.allenschools.org). This website houses current and pertinent information all within one location. Take advantage of this resource to support our Allen Eagles students and staff and to learn about upcoming events at school. We always welcome your feedback! If you have suggestions on how to make the webpage more beneficial for parents and community members, please let us know.

If you are the parent of a high school junior or senior, chances are you have been getting some valuable information from our guidance department. Mrs. Kneifl has been working to make sure that our students are meeting necessary deadlines pertaining to graduation and senior year. Mrs. Kneifl has spent numerous hours researching and administering career readiness tests and career inventories available to our students. During this past month, Mrs. Kneifl has been diligently preparing students for the ACT through the utilization of the John Baylor ACT Test Preparation program. If you have any questions pertaining to scholarships, applications for college, resumes, job applications, etc., please do not hesitate to contact Mrs. Kneifl. She is a valuable resource to our students!

On September 21st we held our parent teacher conferences for the first semester. If you did not have an opportunity to visit with your child's teacher (s), please call or e-mail for an update on how your child is progressing so far this year. We had 72 percent of our parents participate in parent-teacher conferences for students in Pre-School through 12th grade. Thank you to all who attended!

Michael Pattee, Superintendent

### Winter Delays

Information regarding school delays and closing can be found on all Sioux City TV and radio stations. There are many factors to consider before making the decision to cancel classes, to start late, or to dismiss early. First and foremost, is the safety of the students, faculty, parents, and staff.

Such a decision is not taken lightly.

We will be communicating with other area schools and hopefully will make a decision as to a weather related two-hour late start or closing as soon as possible. Occasionally a decision can be made either for a two-hour late start or a closing the night before. In the case of severe weather please check the 10:00 pm Sioux City news for up-to-date late start and closing information. Weather-related dismissals can also be found by going to the school website at [www.allenschools.org](http://www.allenschools.org) and clicking on the Snow Cap Weather Closing and Delays button, the KMEG 14 & Fox 44 School Closing button, or the KTIV Winter Delays and Closings buttons on the right side section of the front page.

The school will be continuing to use the ADT program where each family will be called about delays and closings, as well as continuing to use the push notifications from the **Allen Consolidated App** that can be found on the Google Play Store or the iTunes Store. \*\*make sure to allow push notifications when installing the app.\*\*

Occasionally it may be necessary because of bad weather to have an early out. If this is the case every effort will be made to publicize the early out and contact parents. We do not want to have students home alone without prior parent approval.

## PRINCIPAL'S CORNER

Happy autumn! It is difficult to believe it is already November, the first quarter is complete, and harvest is in full swing. Report cards have been mailed, and honor roll announced. In the meantime, check the school website to see the full honor roll list. We have a large number of students who excel academically, and we want to give them a hand for their efforts!

At this time, our fall activity season is also drawing to a close, and I would like to congratulate all of our students and sponsors for representing our school so well. Our athletes have competed hard this fall, marching band is in full swing getting ready for San Antonio, FFA members have competed successfully at several events including national convention, and the One Act team is gearing up for conference and district competition as well. Hopefully our students have experienced life-long learning lessons from their participation that will serve them well later on. This past month nine students--Katie Bathke, Alyssia Strivens, Anna Roth, Diana Ruiz, Ashley Kraemer, Madisen Schneiders, Alli Jackson, Kiara Monteith, and Lukas Oswald--auditioned for All State Chorus and deserve recognition as that process involves a lot of time, commitment and hard work. This year, Allen will be represented at the NMEA performance in Lincoln on Saturday, November 18<sup>th</sup> at 4:30 pm at the Lied Center by Lukas Oswald, son of Curtis and Dawn Oswald. All of these students worked extremely hard and deserve a big "Congratulations!"

As in past years, our seniors have been spending time this fall going through an ACT preparatory series designed to help students increase test scores. This program is available to our students with the help of ESU 1 in Wakefield, and our sophomores and juniors will be participating in the same program next spring. The goal of the program is to help students improve their ACT scores and then as the program's motto states: "get into the best college at the lowest cost!"

Finally, I would just like to encourage parents to continuing helping your child make good decisions. We appreciate your support and cooperation here at school. If there is a problem, we need to communicate and work as a team to solve the problem and move forward. By working together we can make this a great school year for all of our students!

--Lana Oswald, 7-12 Principal

### IMPORTANT NOTICE

#### Safety / Crisis Information

The Nebraska Department of Education is in the process of unifying language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 4 main actions—lockout, lockdown, evacuate, and shelter. According to NDE, the Standard Response Protocol "is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

Here at school, we will be practicing drills based on these four actions and discussing ways to improve our response effectiveness and timing. If you come to school and see a sign on the door, it will give information and indicate the type of drill being practiced. Please don't be alarmed, and just know that we are practicing so that we can better protect our students.

## **Attention all Allen alumni!**

We are in the process of putting together a board or banner that honors all past valedictorians, salutatorians, and students who scored 30 or higher on the ACT test. Our goal is to be as accurate as possible based on our records as well as yearbooks that we have on hand, but we are missing some years, and we believe that not all ACT data were kept in student files in the distant past.

Please call Lana Oswald at 402-635-2484 or email at [laoswald@allenschools.org](mailto:laoswald@allenschools.org). We have updated these forms - if you have any corrections or additions please let me know!

Thank you!

## Seniors... a reminder of what to do this fall

There's A LOT going on right now with the financial aid and college admission processes, but don't get overwhelmed! Here's a recap of tasks you should complete this fall to stay on track to college.

There's A LOT going on right now with the financial aid and college admission processes, but don't get overwhelmed! Here's a recap of tasks you should complete this fall to stay on track to college.

Complete the Free Application for Federal Student Aid (FAFSA).

- ◆ First, create an FSA ID for you and one for a parent at [fsaid.ed.gov](http://fsaid.ed.gov). You'll need it to access and sign the FAFSA.
- ◆ Review our FAFSA Checklist so you'll know what documents to gather before you start the form.
- ◆ Find free FAFSA Tools at [EducationQuest.org](http://EducationQuest.org) to help you through the process.

Get serious about applying for scholarships. See *ScholarshipQuest* at [EducationQuest.org](http://EducationQuest.org) for Nebraska-based scholarships and a list of national search sites.

### It's FAFSA time!

Beginning October 1, you and your parents can complete the 2018-19 FAFSA (Free Application for Federal Student Aid).

The FAFSA is the application for state, federal, and college-based financial aid.

Follow these tips to prepare:

**Create a Federal Student Aid (FSA) ID** for you and one for a parent at [fsaid.ed.gov](http://fsaid.ed.gov). You and a parent will each need an FSA ID to access and sign the FAFSA.

**Attend an EducationQuest Financial Aid Program (FAP)** to learn about the FAFSA and the financial aid process. If you attend, *you'll be eligible to register for a \$500 scholarship!* FAPs are happening at high schools across the state. [Click here](#) for dates and locations.

**Review the FAFSA Checklist** at [EducationQuest.org](http://EducationQuest.org) to determine items you'll need to complete the FAFSA.

## Juniors ... start researching colleges

If you narrow your college choices by the end of your junior year, your senior year will be less stressful. Here's how to get started:

- Review College Profiles at [EducationQuest.org](http://EducationQuest.org) for information about colleges in Nebraska and across the country. If you're interested in an out-of-state school, check out the [Midwest Student Exchange Program](#) to learn about tuition discounts.
- Meet with college representatives who visit your school, and then visit the websites of the colleges that interest you to learn more about the schools.
- Once you've narrowed down your choices, schedule campus visits. Try to visit in the spring of your junior year while colleges are still in session.

For more tips, see the [Selecting a College](#) section at [EducationQuest.org](http://EducationQuest.org)

## November "To Do" List

**Seniors ...** complete these tasks in November to stay on the path to college:

- ⇒ Complete the FAFSA.
- ⇒ Apply to your top college choices.
- ⇒ Register by November 2nd for the December 2nd SAT.
- ⇒ Register by November 3rd for the December 9th ACT.

**Juniors ...** complete these tasks:

- ⇒ Research colleges that interest you.

## Library News

One month down for Pizza Hut Book It! Students have been reading hard and many of them have earned certificates for a free personal pan pizza at Pizza Hut! Students who have reached their reading goal also have earned a spot on the Book It bulletin board. Thank for your encouraging your child to read their goal minutes each day at home. Remember, the goals are set by minute, not by book. If your child reads for example 10 minutes at home one evening, they can color in the picture for that date on their calendar.

Our genre highlight for the month of November will be Historical Fiction. Historical fiction is primarily a made up story that is set in the past. It often includes real places or people important in our history. Historical fiction is a very important genre because it helps students tie together factual information learned in Social Studies or History classes. This genre helps to put aspects of our history into an understandable perspective for students. Some popular historical fiction selections for students are: *Johnny Tremain* by: Esther Forbes, *Out of the Dust* by: Karen Heese, and *The Little House on the Prairie* series by: Laura Ingalls Wilder.

Elementary Technology classes will continue to focus on basic mouse skills (K-1<sup>st</sup>) and typing (2nd-6th). This month but we will venture out and begin grade level appropriate projects based on skills learned during the first quarter of school. Projects will be organized and arranged to be finished up by the end of the second quarter. It will be a very busy time for us and I am hoping to get much accomplished now that we have some of the basics out of the way. Please continue to encourage your child to spend some time using a computer or laptop at home. Visit [www.sumdog.com](http://www.sumdog.com) to have your child work on grade level skills while participating in fun, game-like activities.

Mrs. Callie Anderson, Librarian

**The school will be hosting a  
Veterans Day Breakfast  
at 7:30 a.m. until 8:10 a.m. on

ALL VETERANS and spouses and all current service members and spouses are invited. A program will follow to honor the true American Heroes. Please take a few minutes out of your day to show respect to those who have put their lives on hold, to ensure we do not have too.

If you know of a veteran or service member who has not been publicly honored with a plaque during the past three years, please get that information to: Megan Kumm, Sara Kumm, Richard Puckett or Dave Uldrich. Information necessary would be: Name, Branch served, Years of service and rank. If the veteran or current service member has relation in the school, please note that when notifying us.

We hope to see you there,  
Dave Uldrich
