Parents will go home with renewed energy, hope and a desire to work closely with professionals who serve their child so that every child can experience the fullest life.

Who Should Attend?

This conference is open to all Nebraska parents who are raising a child with a verified disability. The child must have an active IFSP/IEP.

PEP - A Unique Conference

The Nebraska Department of Education (NDE), Office of Special Education, recognizes that parents are experts in many areas of their child's life. Thus, NDE has entrusted parents to create guidelines, plan and run the PEP Conference. PEP is unique in that it is a conference FOR parents BY parents.

What Parents Say About PEP:

"I learned a lot of great information. I feel re-lieved and empowered and know I am not alone."

"I like that this conference is put on basically by 'lay people' with special needs kids who live this every day. Thank you!"

"After coming, I understand the importance for parents to come together because they are so busy just handling' things. They need to regroup and get on the same page. This has started a movement in us to better our relationship like nothing ever has. Thank-you."

"Life changing! I can't even express how amazing and encouraged I feel."

What Education Professionals say about PEP:

"I was able to take my professional hat off and listen to what parents with a child with a disability go through from the day they learn about the disability."
