A MESSAGE FROM THE ADMINISTRATION

It is difficult to believe that December is upon us, and that we have almost completed one semester of school already! We had a great first quarter—please check out our first quarter honor roll and congratulate those students if you get a chance! Semester tests are scheduled for Thursday, December 16, and Friday, December 17, with an early out on both days, and no school on the 17th for elementary. We have been encouraging students to work hard and improve their grades all semester, and with good attendance and effort, there is still time to do so. Here at school, on a weekly basis, struggling students have been notified of their grades and are encouraged to come in for help after school. At home, discussing classes, checking PowerSchool on a regular basis, and helping your teen establish a scheduled homework/study time are a few things that can also improve student learning. By working together, hopefully we can make an impact on academic success for our students.

Just a reminder as the weather is starting to turn for the worse, along with the Tyco Alert calling system (ADT), Allen Consolidated schools will continue to use local television stations to notify families about weather related closings/dismissals. Decisions about a possible late start or no school will be made as soon as possible the morning of the inclement weather. As soon as the decision is made, information will be posted to the local television stations and an ADT Tyco Alert call will be made.

Another winter weather concern is dressing the students appropriately for the upcoming temperatures. Please make sure your elementary students have heavy coats, some type of snow pants, gloves, and hats. The elementary classes will be going outside for recess on most days unless the weather "feels like" 10 degrees or below, based on the Weather Channel app for Allen. On those days students will have recess in the gym.

We would invite everyone to continue supporting students as winter activities commence, whether that is possible in person or through online support. We also want to take this time to extend congratulations to all of our students involved in fall activities, and especially congratulate students receiving these honors:

Lewis and Clark Conference One Act - 7th place: Honorable Mention Outstanding Performers: Chase Kallsen, Josh Olesen, Kaleb Kumm, Gabe Olesen and Brayden McCorkindale

Lewis and Clark Central Division All Conference Volleyball: Jordyn Carr, Rhyanne Mackling

Class D2-2 All District Football:

Offense: Josh Olesen, Ty Krommenhoek, Kaleb Kumm
Defense: Ryan Anderson, Gabe Reinert
Honorable Mention: Michael Dickens, Joe Grone

Finally, during this holiday season, it is always good to take time to be thankful for our blessings. Here at Allen Consolidated Schools, we are very grateful for the Allen community, parents, students, staff and Board of Education. All of these people work together to provide a safe and wholesome educational program for our students. We want to say "thank you" to everyone and wish you all a very Merry Christmas!

Mr. Michael Pattee, Superintendent and Mrs. Lana Oswald, Principal

CLASS OF 2022 SENIOR PICTURES

Just a reminder: it takes several weeks for a photographer to get your proofs back and several more weeks after you have picked out your poses for the photographer to get your actual pictures. The deadline for the pictures need for the annual and class composite is **January 12, 2022**. Please have your pictures taken in advance of this deadline. Digital format is the best way to submit your picture. If you submit it in digital format please e-mail it to mroeber@allenschools.org. If you do not submit in digital format please submit one (1) colored glossy billfold size (approximately 2 3/8 inches wide by 3 1/4 inches long) portraits to the Annual Sponsor before the deadline.

A senior composite must consist of a formal head and shoulder pose with: NO HANDS SHOWING, NO SILHOUETTES, NO PROFILES, NO OVER-THE-SHOULDER PHOTO—FULL FRONT FACINGS ONLY, NO HATS, NO PETS, NO OUTDOOR POSES, NO CHAIRS OR OTHER FURNITURE SHOULD BE VISIBLE, NO VISIBLE TATTOOS, NO VISIBLE PIERCING OTHER THAN EARS, NO REVEALING OR INAPPROPRIATE CLOTHING, and USE A SOLID COLOR BACKGROUND

Please inform your photographer of these guidelines. No exceptions to the above guidelines will be made.

You do not have to have a professional photographer take your pictures, but the above guidelines need to be followed for all pictures submitted. Photos must meet the approval of the Allen Consolidated Schools Administration.

If you do not have your picture taken and submitted, the school will provide one for you. It would be impossible for the school's photo to be of the quality of a professional.

Thank you, Senior Class Sponsor, Journalism Staff and Administration

Senior Picture Message

The annual staff will include senior recognition messages in the annual this year. This message will include a picture of your child, at any age from birth to current, with a parent message attached. Please send the photo and message by **January 12, 2022** to mroeber@allenschools.org.

Be a Volunteer!

Becoming a school volunteer can be one of the most rewarding experiences in life. Sharing a special talent, reading a book to a student, assisting the school librarian, helping to put up an interesting bulletin board for the classroom teacher, or helping chaperone on a field trip are all ways that one can serve as a school volunteer. Volunteers are made up of parents, grandparents, business people, retirees, high school students, and other community members. They can volunteer on a regular basis or on special occasions. If you would like to volunteer please call the school at (402) 635-2484.

Family Educational Rights and Privacy Act (FERPA)

Annual notice provided to parents/guardians and eligible students of their rights to inspect and review educational records, amend education records, consent to disclose personally identifiable information in education records and file a complaint with the U.S. Department of Education.

HANDICAPPED CHILDREN'S ACT

Allen Consolidated Schools requests your help in locating handicapped children. The school implements the Federal Handicapped Children's Act (PL 94-142) and Nebraska Statute which guarantees a free appropriate education program for all children between birth and 21 years of age.

If you have students or know of any young person who meets criteria please contact the Superintendent's Office. (402) 635-2484

SPECIAL EDUCATION

Allen Consolidated Schools ensures that a free appropriate public education is available to all children with disabilities from birth through the high school year in which the student reaches 21 years of age, including children who have been suspended or expelled from school.

Non-Discrimination Policy

It is the policy of the Allen Consolidated Schools not to discriminate on the basis of sex, disability, race, color, religion, veteran status, national or ethnic origin, age, marital status, pregnancy, childbirth or related medical condition, sexual orientation or gender identity, or other protected status in its program and activities and provides equal access to Boy Scouts and other designated youth groups. The following persons have been designated to handle inquiries regarding the non-discrimination policies:

Student contact - Lana Oswald, Principal, PO Box 190, Allen, NE 68710. (402) 635-2484 or laoswald@allenschools.org

Employees and Others - Michael Pattee, Superintendent, Title IX Director, PO Box 190, Allen, NE 68710 (402) 635-2484 or mpattee@allenschools.org.

Complaints or concerns involving discrimination or needs for accommodation or access should be addressed to the appropriate Coordinator. For further information about anti-discrimination laws and regulations, or to file a complaint of discrimination with the OCR at One Petticoat Lane, 1010 Walnut Street, 3rd Floor, Suite 320, Kansas City, Missouri 64106, (816) 268-0550 (voice), Fax (816) 268-0599, (800) 877-8339 (telecommunications device for the deaf), or ocr.kansascity@ed.gov.

Safety / Crisis Information

The Nebraska Department of Education is in the process of unifying language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 5 main actions—hold, secure, lockdown, evacuate, and shelter. According to

NDE, the Standard Response Protocol "is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

Here at school, we will be practicing drills based on these five actions and discussing ways to improve our response effectiveness and timing. If you come to school and see a sign on the door, it will give information and indicate the type of drill being practiced. Please don't be alarmed, and just know that we are practicing so that we can better protect our students. **In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site will be the school Bus Barn located at 111 E. 2nd Street, Allen.**

In the case of an emergency, we would ask that parents and community members keep the following in mind:

- 1) Parents and relatives should **NOT** respond to the incident site (**school**) to allow public safety personnel time to respond to the incident.
- 2) Students will be released only to approved adults at the evacuation/reunification site (**Bus Barn**).
- 3) All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.
- 4) All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.
- 5) Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do. Thank you!

Seasons Greetings to everyone! It is hard to believe we are already in the month of December. The Seniors have been busy applying to colleges, completing the FASFA, and searching and applying for scholarships. Some have also taken the opportunity to visit college campuses. There is a Junior and Senior Timeline in the newsletter this month. Please take time to look at the suggested schedule if it pertains to your child. As always, if you have any questions or concerns regarding any of these events please reach out to me. dkneifl@allenchsools.org or 402-635-2484.

A reminder that the Student Council will be conducting a hat and mitten drive from Dec. 1-15th. Also, the Giving Tree list will be available in the school commons from November 30-December 9th. As always, we greatly appreciate everyone's generosity in our community.

Fridays at NECC classes are also available for the Seniors. These classes are offered at no cost and books/supplies are also supplied for free. Please encourage your child to consider taking a class next spring! It is a great opportunity to earn college credit and learn some new skills!!

Desiree Kneifl, School Counselor

What to expect after you submit your FAFSA

The FAFSA opened October 1, so many of you have already completed and submitted your form. Here's what happens next:

Expect a Student Aid Report (SAR). You'll receive it via an email link if you provided an email address on your FAFSA. The SAR acknowledges that your FAFSA was received and lets you know if you need to take further action to process your FAFSA.

Make sure you applied for admission to colleges you listed on your FAFSA. Colleges that receive your FAFSA results typically won't send you a financial aid package until you've applied and have been accepted to the school.

Watch for verification requests. The college(s) you listed on your FAFSA might request verification of your FAFSA information. If so, send the required documents to the colleges' financial aid office.

Watch for financial aid award notifications. The colleges you were accepted to – and listed on your FAFSA – will send you financial aid award notifications detailing the types and amounts of aid they're offering based on your financial need.

Haven't completed your FAFSA yet?

No problem! You and a parent can complete the form at [FAFSA.gov](https://fafsa.gov). Before you start, create an FSA ID for you and one for a parent at fsaid.ed.gov. You'll need them to access and sign the form.

For *free* help with the FAFSA, watch the FAFSA Demo videos, use the free FAFSA Tools, or call EducationQuest to make an appointment:

Omaha – 888.357.6300 / Lincoln – 800.303.3745 / Kearney – 800.666.3721 / Scottsbluff – 800.303.3745, ext. 6654

How to Create a Federal Student Aid Account (FSA ID)

1. Go to studentaid.gov and click on Create Account.
2. Enter personal information.
 - Name, date of birth, Social Security number

School Closings and Delays

Information regarding school delays and closing can be found on all Sioux City TV and radio stations. There are many factors to consider before making the decision to cancel classes, to start late, or to dismiss early. First and foremost, is the safety of the students, faculty, parents, and staff. Such a decision is not taken lightly.

We will be communicating with other area schools and hopefully will make a decision as to a weather related two-hour late start or closing as soon as possible. Occasionally a decision can be made either for a two-hour late start or a closing the night before. In the case of severe weather please check the 10:00 pm Sioux City news for up-to-date late start and closing information.

Weather-related dismissals can also be found by going to the school website at www.allenschools.org and clicking on the **School Closings or Delays** buttons on the right side section of [Quick Links](#) on the home page.

The school will be continuing to use the ADT program where each family will be called about delays and closings, as well as continuing to use the push notifications from the **Allen Consolidated App** that can be found on the Google Play Store or the iTunes Store.

****make sure to allow push notifications when installing the app.****

Occasionally it may be necessary because of bad weather to have an early out. If this is the case every effort will be made to publicize the early out and contact parents. We do not want to have students home alone without prior parent approval.

The FFA would like to say "THANK YOU" to everyone that purchased from their annual fruit sales fundraiser!

The fruit will be delivered to the school by December 7th - you should expect your order shortly after!!

All proceeds helped support the Allen FFA Chapter.

Contact Mr. Batenhorst with any questions.

Northeast Nebraska Public Health Department (NNPHD) has a grant called Creating New Smiles. We have been going into the schools since 2017 to provide children with fluoride varnish, education, and oral health screenings. Prior to the pandemic, we were also given the opportunity to provide sealants for children ages 6-12 years of age. As more of the community takes part in the Covid-19 vaccine we can get back to providing your family with our services and start our sealant program.

Sealants are a coating that protects the tooth by closing the grooves on the chewing surface of the back teeth. This is a simple process, it usually is done around age 6 and 12 when permanent molars erupt. Sealants can be now offered and provided at the same time that we visit your child's school for dental screenings and fluoride treatments. We have provided a handout explaining sealants and a permission form to complete if you choose to have the service for your child. NNPHD looks forward to providing this free service to your child(ren). Contact information: www.nnphd.org, (402) 375-2200, or (800) 375-2260. Forms are available for registration in the offices. **NNPHD could be back in March-April 2022 if there is enough interest.**

**Are you new to the Allen
School District or have
you had an addition to
your family?**

The School District Census Report is a requirement from the Department of Education that is due every July for children ages 0 - 21 that reside in our school district. These numbers are used by the Nebraska Department of Education for state aid and for federal funding. This list is also used to invite children who are eligible to be enrolled in Pre-School and Kindergarten each spring.

If you are new to our district or know of anyone who is new to our district you are encouraged to contact the school to provide us information. State statute and board policy requires that the school district establishes a permanent, continuing census of all children age 0 - 21, and to maintain this census on yearly basis.

Allen Consolidated Schools Improves Student Safety with TIPS

Just a reminder: the TIPS reporting link is on the school website and can be used to allow the anonymous reporting of bullying, weapons, abuse, vandalism, suicide risks and other concerning behaviors that may have a negative effect on the school's learning environment. TIPS can also be used to report acts of kindness or other make positive comments in something called a Hero report.

How it works: if you are worried about friends, students or others, or if you witness concerning behaviors, simply go to the Allen School website (www.allenschools.org) and click on the TIPS REPORT INCIDENT button under Quicklinks on the right side of the website. Select the appropriate incident type, share the necessary details and then SUBMIT.

Once an incident report is made, the principal and designated staff members are immediately notified via email and can securely review the report details to begin coordinating an appropriate assessment and response. TIPS provides all team members with the right tools to track and document the actions taken, see related reports, set automated reminders, review past reports, check school policy, and connect the right dots so no students or incidents are overlooked. **Please keep in mind that due to confidentiality issues, it may not be possible for reporters to be informed on how their report was handled and/or how the situation was resolved.**

Thank you for helping to keep our students safe!
