**A MESSAGE FROM THE
ADMINISTRATION**

Difficult as it is to believe, the 2022-23 school year is drawing to a close, and what a year it has been! Hopefully by now, we are all seeing some warmth and sunshine! It has been a wonderful year, and Allen students and teachers have been keeping extremely busy this spring between numerous activities and events. Just since Christmas, we have had students compete and receive honors in art contests, district music contest, science fair competitions, speech contests, FFA contests, wrestling, basketball and track! We have also recently completed our state NSCAS testing, spring MAP testing, and our statewide ACT testing for juniors.

The last day of school for elementary students will be Monday, May 15 with an early out at 1 pm. For our secondary students, semester tests will be given on Monday (periods 1,2,3,4,5), May 15, and Tuesday (periods 6,7,8), May 16, 2023, with Check-Out to follow and with an early dismissal at 1 PM on Monday, and an early dismissal at 12pm on Tuesday. Students, who have parent/guardian permission, may check out early on May 16th. Please encourage your students to be studying but also to be getting adequate rest during this time.

We are also looking ahead to the 2023-24 school year, and students in grades 8-11 have been in the process of registering for next year's classes. Changes can still be made over the summer and during drop/add at the start of the school year. Over the summer, I will go through each high school student's schedule one by one and do a credit check to make sure graduation requirements are being met. If you have any questions about course requests or requirements, please contact me here at school. I would love to discuss your student's schedule and options with you.

Allen High School commencement exercises will be held on Saturday, May 13th, at **(NEW TIME)** 11 AM. Our seniors have reached the end of their high school educational career here at Allen, but it is just the beginning of their adult lives. Congratulations to seniors and senior parents as well! We are so excited for them as they embark on this new journey of lifelong learning and wish them the best in whatever their futures hold.

Michael Pattee, Superintendent - - - Lana Oswald, Principal

Classes will begin July 19 and
go through August 6th.

Hours will be from
9:00am -12:00pm
Monday - Thursday

Please contact the school if you
are interested in enrolling
your student!

Highly Qualified Teachers

This is a notification to all parents
that information can be requested
regarding the professional qualifica-
tions of the teachers at Allen Consol-
idated Schools. If your student will
be taught by a teacher not meeting
ESEA/NCLB requirements the
school will provide notice.

Be a Volunteer!

Becoming a school volunteer can be one of the most rewarding experiences in life. Sharing a special talent, reading a book to a student, assisting the school librarian, helping to put up an interesting bulletin board for the classroom teacher, or helping chaperone on a field trip are all ways that one can serve as a school volunteer. Volunteers are made up of parents, grandparents, business people, retirees, high school students, and other community members. They can volunteer on a regular basis or on special occasions. If you would like to volunteer please call the school at (402) 635-2484.

Family Educational Rights and Privacy Act (FERPA)

Annual notice provided to parents/guardians and eligible students of their rights to inspect and review educational records, amend education records, consent to disclose personally identifiable information in education records and file a complaint with the U.S. Department of Education.

HANDICAPPED CHILDREN'S ACT

Allen Consolidated Schools requests your help in locating handicapped children. The school implements the Federal Handicapped Children's Act (PL 94-142) and Nebraska Statute which guarantees a free appropriate education program for all children between birth and 21 years of age.

If you have students or know of any young person who meets criteria please contact the Superintendent's Office. (402) 635-2484

SPECIAL EDUCATION

Allen Consolidated Schools ensures that a free appropriate public education is available to all children with disabilities from birth through the high school year in which the student reaches 21 years of age, including children who have been suspended or expelled from school.

Non-Discrimination Policy

It is the policy of the Allen Consolidated Schools not to discriminate on the basis of sex, disability, race, color, religion, veteran status, national or ethnic origin, age, marital status, pregnancy, childbirth or related medical condition, sexual orientation or gender identity, or other protected status in its program and activities and provides equal access to Boy Scouts and other designated youth groups. The following persons have been designated to handle inquiries regarding the non-discrimination policies:

Student contact - Lana Oswald, Principal, PO Box 190, Allen, NE 68710. (402) 635-2484 or laoswald@allenschools.org

Employees and Others - Michael Pattee, Superintendent, Title IX Director, PO Box 190, Allen, NE 68710 (402) 635-2484 or mpattee@allenschools.org.

Complaints or concerns involving discrimination or needs for accommodation or access should be addressed to the appropriate Coordinator. For further information about anti-discrimination laws and regulations, or to file a complaint of discrimination with the OCR at One Petticoat Lane, 1010 Walnut Street, 3rd Floor, Suite 320, Kansas City, Missouri 64106, (816) 268-0550 (voice), Fax (816) 268-0599, (800) 877-8339 (telecommunications device for the deaf), or ocr.kansascity@ed.gov.

Safety / Crisis Information

The Nebraska Department of Education is in the process of unifying language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 5 main actions—hold, secure, lockdown, evacuate, and shelter. According to

NDE, the Standard Response Protocol "is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

Here at school, we will be practicing drills based on these five actions and discussing ways to improve our response effectiveness and timing. If you come to school and see a sign on the door, it will give information and indicate the type of drill being practiced. Please don't be alarmed, and just know that we are practicing so that we can better protect our students. **In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site will be the school Bus Barn located at 111 E. 2nd Street, Allen.**

In the case of an emergency, we would ask that parents and community members keep the following in mind:

- 1) Parents and relatives should **NOT** respond to the incident site (**school**) to allow public safety personnel time to respond to the incident.
- 2) Students will be released only to approved adults at the evacuation/reunification site (**Bus Barn**).
- 3) All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.
- 4) All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.
- 5) Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do. Thank you!

Who: Children who will be 5 years old by July 31st, 2023 and Parents/Guardians

What: Roundin' Up Next Fall's Kinders

Where: Allen Lunch Room

When: Monday May 8th, 2023
9:00 am-11:00 am

Results of the 2023 Nebraska Junior Academy of Sciences State Science Fair

On April 20, 2023, two students from Allen Consolidated Schools competed in the Nebraska Junior Academy of Sciences State Science Fair. Students competing were Aurora Collins, a 7th grade student, and Jude Ridenour an 8th grade student. The Title of Aurora's project is "Can Limestone sediment be used to protect growing spinach from acid rain?" Aurora finished with a Blue Ribbon and was awarded the US Department of Agriculture's certificate for an outstanding project in agriculture. The title of Jude's project is, "How does Ammonium Nitrate affect Daphnia magna?" Jude Finished with a Purple ribbon and was selected as one of the Top 10 Junior Projects at the Nebraska State Science Fair. He was also awarded the Office of Naval Research Naval Science Award for the top junior project at the Nebraska State Science Fair and won a \$100 award for the top Junior Division project at the Nebraska State Science Fair. There were 36 Junior Division projects competing in the Nebraska State Science fair from across the state. The competition was tough this year with Jude Ridenour finishing as one of the top Junior Division projects in the state. Aurora Collins did very well as a 7th grade student as she finished with one of the top blue ribbons. The projects were split into three divisions with the top 10 projects receiving Purple Ribbons, the next 10 projects finished with Blue Ribbons and the remaining projects finished with Red Ribbons. I am very pleased at how well the students from Allen Consolidated Schools performed at such a high level of competition.

Jude Ridenour with Mr. Bathke showing off his awards he won at the Nebraska Junior Academy of Science State Science Fair.

Aurora Collins with Mr. Bathke at the Nebraska Junior Academy of Sciences State Science Fair.

John Phillip Sousa Award: The Sousa Award is the pinnacle of achievement in a high school band. Introduced in 1955 to honor the top student in the high school band, the John Phillip Sousa Award recognizes superior musicianship and outstanding dedication. The 2023 John Phillip Sousa Award went to: **Sarah Papke**

Musicianship Award: The Musicianship Certificate honors students who demonstrated outstanding musicianship. The 2023 Musicianship Award went to:

Sarah Papke

Sarah Papke

Joey Waldo

Joe Grone

Shaylla Snyder

Madison Roach

Joe Grone

Louis Armstrong Jazz Award: The Louis Armstrong Jazz Award was inaugurated with the consent of his widow shortly after this great jazz artist died in 1971. It is intended to honor the outstanding jazz musician at each high school. The 2023 Louis Armstrong award went to: **Joe Grone**

- Gabe Olesen received Honor Mention for Best Performance in his Center 3 Vocal Solo

FFA NEWS

With the 2022-2023 FFA year wrapping up, here are a few of the highlights.

Land Judging

Our year began a land judging competition over by Elkhorn Valley. That was followed by the seniors going to the National FFA Convention in Indianapolis, Indiana.

After the convention, the chapter conducted its annual fruit sales drive. We started off the new year with a livestock judging contest in Norfolk. After the livestock contest we held the annual Farmers Appreciation breakfast at school.

National Convention

Livestock Judging

We then geared up for our area CDE events. With several groups qualifying for State. At State the kids all competed producing some personal best scores. The year will be concluded with the annual FFA Banquet where we will retire the out going members colors and seat the new officers.

The chapter would like to thank the office staff, Board of Education, Administrators, and the community for their continued support.

~ Mr. Charlie Curnyn, 2022-2023 FFA Advisor

FFA Breakfast

FFA Banquet

Monday, May 1st at the Allen Gym beginning at 6pm. Please see an FFA member or call the school to reserve a ticket! ~\$10 each

Spring is a time to make our town look better!! May 5 - 11, 2023

The Village of Allen will have 3 roll-off containers in the lot across from the Firehall. During that time, you may bring the items you want to get rid of and put into the containers provided. Please put tires and batteries in the designated area and not in the containers. This is **ONLY** for Village of Allen utility customers. The Village will not be going around town to pick up items, you **MUST** bring them to the containers yourselves. If you have sticks or branches you want picked up, please place them on your curb and the school will send students around on May 11th to take them to the dump for you.

They will **ONLY** pick up sticks and branches left on the curb. The students will not clean your yard for you.

Adult volunteers with pickups and trailers, please meet at the school at 1pm on May 11th.

If you have questions, contact a Village Board Member or the Village Office.

**Are you new to the Allen
School District or have
you had an addition to
your family?**

The School District Census Report is a requirement from the Department of Education that is due every July for children ages 0 - 21 that reside in our school district. These numbers are used by the Nebraska Department of Education for state aid and for federal funding. This list is also used to invite children who are eligible to be enrolled in Pre-School and Kindergarten each spring.

If you are new to our district or know of anyone who is new to our district you are encouraged to contact the school to provide us information. State statute and board policy requires that the school district establishes a permanent, continuing census of all children age 0 - 21, and to maintain this census on yearly basis.

Please contact Stephanie Sullivan or
Becky Stapleton at (402) 635-2484

Allen Consolidated Schools Improves Student Safety with TIPS

Just a reminder: the TIPS reporting link is on the school website and can be used to allow the anonymous reporting of bullying, weapons, abuse, vandalism, suicide risks and other concerning behaviors that may have a negative effect on the school's learning environment. TIPS can also be used to report acts of kindness or other make positive comments in something called a Hero report.

How it works: if you are worried about friends, students or others, or if you witness concerning behaviors, simply go to the Allen School website (www.allenschools.org) and click on the TIPS REPORT INCIDENT button under Quicklinks on the right side of the website. Select the appropriate incident type, share the necessary details and then SUBMIT.

Once an incident report is made, the principal and designated staff members are immediately notified via email and can securely review the report details to begin coordinating an appropriate assessment and response. TIPS provides all team members with the right tools to track and document the actions taken, see related reports, set automated reminders, review past reports, check school policy, and connect the right dots so no students or incidents are overlooked. **Please keep in mind that due to confidentiality issues, it may not be possible for reporters to be informed on how their report was handled and/or how the situation was resolved.**

Thank you for helping to keep our students safe!
