A MESSAGE FROM THE ADMINISTRATION

Allen students kicked off the 2023-24 school year on Thursday, August 10th, and we now have our first full week of school firmly under our belts. The entire staff has been working hard to get ready for the new school year, and it has been so exciting to see both new and familiar faces fill the hallways. We are excited to return and adjusting to our new "normal" as we look forward to having a smooth school year!

By this time some of our seniors have started an internship or have begun taking a college level class on Fridays. We are proud to continue to offer this opportunity to our students, so if you are unfamiliar or have questions about this, please ask! Parent-Teacher conferences are scheduled for Tuesday, September 19th, from 3:00 to 7:00 pm with an early out at 1:50 pm that day. We would love to have a chance to visit with all of our parents! As always, if you have any questions or concerns, please feel free to stop in the office or call.

Finally, we want to thank everyone for their continued support and understanding as we try to balance student learning and the general health and well-being of our students, staff, and community. We have been faced with never-before-seen obstacles, but our kids are resilient and we are looking forward to a truly great 2023-24 school year!

Michael Pattee, Superintendent
Lana Oswald, Principal

There are 9 minutes during the day that have the greatest impact on a child

- ◆ The first 3 minutes right after they wake up.
- ◆ The 3 minutes after they come home from school.
- ◆ The last 3 minutes of the day before they go to bed.

Make those minutes special and help our children feel special, loved and accepted.

Each day children need meaningful eye-to-eye conversations with a parent. It is especially important to slow down and look them in the eye. Listen and respond with love.

Hug your child, straighten her hair, pat him or her on the back and tell them how proud you are of him or her everyday. A simple touch makes them feel connected to a parent in ways that words never will. Remember, actions speak louder than words.

Be a Volunteer!

Becoming a school volunteer can be one of the most rewarding experiences in life. Sharing a special talent, reading a book to a student, assisting the school librarian, helping to put up an interesting bulletin board for the classroom teacher, or helping chaperone on a field trip are all ways that one can serve as a school volunteer. Volunteers are made up of parents, grandparents, business people, retirees, high school students, and other community members. They can volunteer on a regular basis or on special occasions.

If you would like to volunteer please call the school at (402) 635-2484.

Family Educational Rights and Privacy Act (FERPA)

Annual notice provided to parents/guardians and eligible students of their rights to inspect and review educational records, amend education records, consent to disclose personally identifiable information in education records and file a complaint with the U.S. Department of Education.

HANDICAPPED CHILDREN'S ACT

Allen Consolidated Schools requests your help in locating handicapped children. The school implements the Federal Handicapped Children's Act (PL 94-142) and Nebraska Statute which guarantees a free appropriate education program for all children between birth and 21 years of age.

If you have students or know of any young person who meets criteria please contact the Superintendent's Office. (402) 635-2484

SPECIAL EDUCATION

Allen Consolidated Schools ensures that a free appropriate public education is available to all children with disabilities from birth through the high school year in which the student reaches 21 years of age, including children who have been suspended or expelled from school.

Non-Discrimination Policy

It is the policy of the Allen Consolidated Schools not to discriminate in its educational activities on the basis of: race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income is derived from any public assistance program or activity conducted or funded by the Department. (*Not all prohibited bases will apply to all programs and/or employment activities*).

Student contact - Lana Oswald, Principal, PO Box 190, Allen, NE 68710. (402) 635-2484 or laoswald@allenschools.org

Employees and Others - Michael Pattee, Superintendent, Title IX Director, PO Box 190, Allen, NE 68710 (402) 635-2484 or mpattee@allenschools.org.

Complaints or concerns involving discrimination or needs for accommodation or access should be addressed to the appropriate Coordinator. For further information about anti-discrimination laws and regulations, or to file a complaint of discrimination with the OCR at One Petticoat Lane, 1010 Walnut Street, 3rd Floor, Suite 320, Kansas City, Missouri 64106, (816) 268-0550 (voice), Fax (816) 268-0599, (800) 877-8339 (telecommunications device for the deaf), or ocr.kansascity@ed.gov.

Safety / Crisis Information

The Nebraska Department of Education is in the process of unifying language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 5 main actions—hold, secure, lockdown, evacuate, and shelter. According to

NDE, the Standard Response Protocol "is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

Here at school, we will be practicing drills based on these five actions and discussing ways to improve our response effectiveness and timing. If you come to school and see a sign on the door, it will give information and indicate the type of drill being practiced. Please don't be alarmed, and just know that we are practicing so that we can better protect our students. **In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site will be the school Bus Barn located at 111 E. 2nd Street, Allen.**

In the case of an emergency, we would ask that parents and community members keep the following in mind:

- 1) Parents and relatives should **NOT** respond to the incident site (**school**) to allow public safety personnel time to respond to the incident.
- 2) Students will be released only to approved adults at the evacuation/reunification site (**Bus Barn**).
- 3) All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.
- 4) All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.
- 5) Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do. Thank you!

Digital format is the best way to submit your picture. If you submit it in digital format please e-mail it to ncurnyn@allenschools.org. If you do not submit in digital format please submit one (1) colored glossy billfold size (approximately 2 3/8 inches wide by 3 1/4 inches long) portraits to the Annual Sponsor before the deadline.

Are you new to the Allen School District or have you had an addition to your family?

The School District Census Report is a requirement from the Department of Education that is due every July for children ages 0 - 21 that reside in our school district. These numbers are used by the Nebraska Department of Education for state aid and for federal funding. This list is also used to invite children who are eligible to be enrolled in Pre-School and Kindergarten each spring.

If you are new to our district or know of anyone who is new to our district you are encouraged to contact the school to provide us information. State statute and board policy requires that the school district establishes a permanent, continuing census of all children age 0 - 21, and to maintain this census on yearly basis.

Allen Consolidated Schools Improves Student Safety with TIPS

Just a reminder: the TIPS reporting link is on the school website and can be used to allow the anonymous reporting of bullying, weapons, abuse, vandalism, suicide risks and other concerning behaviors that may have a negative effect on the school's learning environment. TIPS can also be used to report acts of kindness or other make positive comments in something called a Hero report.

How it works: if you are worried about friends, students or others, or if you witness concerning behaviors, simply go to the Allen School website (www.allenschools.org) and click on the TIPS REPORT INCIDENT button under Quicklinks on the right side of the website. Select the appropriate incident type, share the necessary details and then SUBMIT.

Once an incident report is made, the principal and designated staff members are immediately notified via email and can securely review the report details to begin coordinating an appropriate assessment and response. TIPS provides all team members with the right tools to track and document the actions taken, see related reports, set automated reminders, review past reports, check school policy, and connect the right dots so no students or incidents are overlooked. **Please keep in mind that due to confidentiality issues, it may not be possible for reporters to be informed on how their report was handled and/or how the situation was resolved.**

Thank you for helping to keep our students safe!
