CONGRATULATIONS TO THE CLASS OF 2022

A MESSAGE FROM THE ADMINISTRATION

Welcome back to the beginning of another exciting school year at Allen Consolidated Schools! It is an honor and a privilege to be a part of this school system, and we look forward to another successful year here at Allen! We've had a lot of obstacles to overcome over the past year, and we are hoping that we have smooth sailing in 2022-23!

We will be continuing the tradition of having a "Back to School Night". All preschool through sixth grade parents are invited to come to school between 6:00-7:00 p.m. on Tuesday evening, August 9th. During this time we will invite parents to tour classrooms and meet staff members. This event is a wonderful opportunity to experience your child's classroom, receive first-hand information regarding goals and expectations for the upcoming school year, as well as to meet with teachers and administration and discuss any questions you might have. We will also use this opportunity to have parents return the necessary forms (that will be mailed out) at the end of the visit. In addition, Mrs. Kneiff is providing 7th grade students and their parents an orientation at 6:30 p.m. starting in the lunchroom that same evening—this will be good time for our new JH students to set up their lockers, walk through their schedules, and get acclimated in a lower stress environment.

Students in grades 7-12 will need to go to PowerSchool to see a copy of their schedule for this year. Credit checks have been completed for all students in grades 10-12. Drop and add can be done through the office during the first full week of classes (until Friday, August 22nd), but it would be best if students would discuss schedule changes both at home and with Mrs. Oswald to make sure all requirements are being met. Please feel free to contact the school at any time if you have class requirement or scheduling questions.

Mrs. Oswald would also like to make all JH parents aware that she will be checking in with JH students every day during lunch for at least the first few weeks of school to make sure they have their planners filled out, and see how they are doing. Our goal is to try to get students to establish good homework habits right away and to head off any problems before they begin.

Finally, we want to remind everyone regarding activity eligibility. As always, the school will run a weekly check on the morning of the last day of school that week. If any student in grades 7-12 is failing one or more classes, he/she will be placed on academic probation for that week (but will still be eligible). If the student does raise the grade to 70% or better during the probationary week, the student will be declared eligible for participation. If, however, the student fails to raise that grade to a passing level (70% or better) during that week, the student will then be declared ineligible for participation in extracurricular activities for the ensuing calendar week, Monday through Sunday. If the grade is raised during the ineligibility week, the student remains ineligible through the whole week. The ineligible student will continue on the ineligible list on a weekly basis, until such time the student's grades are considered passing (70% or better). Serving our students is a great honor and responsibility and we look forward to working with you again this year!

Be a Volunteer!

Becoming a school volunteer can be one of the most rewarding experiences in life. Sharing a special talent, reading a book to a student, assisting the school librarian, helping to put up an interesting bulletin board for the classroom teacher, or helping chaperone on a field trip are all ways that one can serve as a school volunteer. Volunteers are made up of parents, grandparents, business people, retirees, high school students, and other community members. They can volunteer on a regular basis or on special occasions. If you would like to volunteer please call the school at (402) 635-2484.

Students will be receiving a packet in the mail with several forms that will need parental review and signature. We ask that you review

these forms with your children and return the forms to our office for filing. If your student did not receive a packet, please call the school!!
(402) 635-2484

All 7-12 students and parents must return a signed signature page indicating that they have reviewed the student handbooks. These forms must be returned by August 22, 2022.

The Allen Community Club invites everyone to the end-of-summer picnic in front of the schoolhouse beginning at 5:30 PM on August 9th. Everyone is welcome to eat even if you don't have children attending school.

Safety / Crisis Information

The Nebraska Department of Education is in the process of unifying language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 5 main actions—hold, secure, lockdown, evacuate, and shelter. According to

NDE, the Standard Response Protocol "is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

Here at school, we will be practicing drills based on these five actions and discussing ways to improve our response effectiveness and timing. If you come to school and see a sign on the door, it will give information and indicate the type of drill being practiced. Please don't be alarmed, and just know that we are practicing so that we can better protect our students. **In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site will be the school Bus Barn located at 111 E. 2nd Street, Allen.**

In the case of an emergency, we would ask that parents and community members keep the following in mind:

- 1) Parents and relatives should **NOT** respond to the incident site (**school**) to allow public safety personnel time to respond to the incident.
- 2) Students will be released only to approved adults at the evacuation/reunification site (**Bus Barn**).
- 3) All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.
- 4) All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.
- 5) Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do. Thank you!

From the Counselor's Office:

Welcome back to a new school year! I hope everyone enjoyed their summer! The elementary mentoring program, Fridays at NECC, Dual-Credit classes, and the Backpack program will all be available again this school year. These are all beneficial programs to our students, so take advantage of them if they are applicable!

The student mentoring program entails volunteer Junior and Senior students who are assigned to work with an elementary or Junior High student throughout the school year. Teachers and parents are encouraged to select students that may benefit from spending 15-20 minutes per week with a buddy/mentor. Juniors and Seniors that are interested in serving as a mentor will sign up and fill out paperwork by the end of August. Any elementary or Junior High student that may receive a mentor will receive a parental permission slip in the mail. The program will begin in mid September!

Fridays at NECC is a wonderful opportunity for the seniors at Allen!! This past spring, upcoming Seniors were given a list of class options to choose from. If a student is interested in participating in a on campus class at NECC, they will receive the instruction, books, and materials at NO charge!! The only financial responsibility of the senior student is transportation.! Any student that wishes to still sign up is encouraged to do so. Please contact Mrs. Kneifl with any questions.

The Dual Credit classes are again offered through Northeast Community College and Wayne State College. We already have many students registered for a course and taking advantage of the \$49/credit hour deal!! There are still classes available, please contact Mrs. Kneifl with any questions on availability and registration.

The Backpack program will also be offered this year. At this time there are no new updates, but students will be bringing home parental permission forms once school begins. Please consider taking advantage of this FREE opportunity if you know that your child(ren) could benefit from extra snacks.

7th Grade Orientation

On Tues, Aug. 9th there will be a 7th grade orientation for students and parents. This will take place from 6:30-7:30. Note it is held the same night as the "Back to School" Night! Incoming 7th graders and their parents are encouraged to attend this informative meeting. It will be held in the school lunchroom. In addition to information, the students may bring their backpacks and school supplies, as they will be given time to see their locker and organize if they wish to do so. Students will also receive their class schedules and will be doing a walk through of what their day will look like!

Title One Information:

Allen Consolidated Schools receives Title One Funds.

Parents may request information regarding the professional qualifications of the teachers in the district.

ASVAB Career Exploration Program for ALL Sophomores and any Juniors/Seniors that are interested.

Wednesday, September 28th at 8:30 AM - 11:30 AM in the school Multi-Purpose Room.

The ASVAB (Armed Services Vocational Aptitude Battery) is an aptitude test that measures a young adult's strengths. It is administered by the U.S. military but no information from a current Sophomore can be assessed by the military. We use the assessment as one part of the career planning path. Any Junior or Senior that is interested in entering the Military will be able to also test at this same time. Please see Mrs. Kneifl to sign up.

Juniors and Seniors Attend College Visit Day!!

Interested Juniors and Seniors spent a warm summer day touring Northeast Community College and Wayne State College! On June 30, 2022, Mrs. Kneifl and Mrs. Murphy accompanied 10 students to Norfolk and Wayne. The students had the opportunity to tour various academic build-

ings, dorm rooms, the libraries, and listen to a presentation about academics and activities available in college. Highlights of the day included free t-shirts, sunglasses, and eating at Raising Canes!! Mrs. Kneifl and Mrs. Murphy are excited to continue to provide a college visit day at different colleges and universities each summer, in hopes of making the college decision a smoother process! Thank you to the students for devoting a day to learn more about the life of a college student.

Are you new to the Allen School District or have you had an addition to your family?

The School District Census Report is a requirement from the Department of Education that is due every July for children ages 0 - 21 that reside in our school district. These numbers are used by the Nebraska Department of Education for state aid and for federal funding. This list is also used to invite children who are eligible to be enrolled in Pre-School and Kindergarten each spring.

If you are new to our district or know of anyone who is new to our district you are encouraged to contact the school to provide us information. State statute and board policy requires that the school district establishes a permanent, continuing census of all children age 0 - 21, and to maintain this census on yearly basis.

Please contact Stephanie Sullivan or
Becky Stapleton at (402) 635-2484

Allen Consolidated Schools Improves Student Safety with TIPS

Just a reminder: the TIPS reporting link is on the school website and can be used to allow the anonymous reporting of bullying, weapons, abuse, vandalism, suicide risks and other concerning behaviors that may have a negative effect on the school's learning environment. TIPS can also be used to report acts of kindness or other make positive comments in something called a Hero report.

How it works: if you are worried about friends, students or others, or if you witness concerning behaviors, simply go to the Allen School website (www.allenschools.org) and click on the TIPS REPORT INCIDENT button under Quicklinks on the right side of the website. Select the appropriate incident type, share the necessary details and then SUBMIT.

Once an incident report is made, the principal and designated staff members are immediately notified via email and can securely review the report details to begin coordinating an appropriate assessment and response. TIPS provides all team members with the right tools to track and document the actions taken, see related reports, set automated reminders, review past reports, check school policy, and connect the right dots so no students or incidents are overlooked. **Please keep in mind that due to confidentiality issues, it may not be possible for reporters to be informed on how their report was handled and/or how the situation was resolved.**

Thank you for helping to keep our students safe!
