

## SUPERINTENDENT'S CORNER

I would like to thank all the parents that attended parent teacher conferences last week. It is always exciting to see all of you and your children participate in this opportunity to communicate with teachers. I encourage all of you to be active participants in the educational process of your students. I would like to personally invite all of you to stop in our school at any time to come and visit with the teachers, staff, and administration. Studies have shown that when parents are involved in their child's education, students will benefit and experience a higher degree of success. When you come to visit the school the only thing that is required is that you stop in the front office and check in. Once you are done with your visit stop back in the office and sign out.

Other ways that parents can be involved in the educational process is by reviewing your child's progress on power school. If you do not have access to power school or the password, call the main office and we can help get you started on this great communication tool. Parents can also be involved by simply talking to their children about the activities they did in school, look at your child's assignment books, ask what their favorite part of the day was or if they have any major projects or tests coming up. If we all work together, we can produce successful students that will be able to compete in the global economy.

I would like to thank everyone for their continued support as we are fast approaching the end of the first quarter.

Michael Pattee, Superintendent

**PRINCIPAL'S CORNER**

Happy October! Fall is upon us and we have almost completed one full quarter of classes. Our seniors are off to a good start utilizing internship opportunities, the Fridays at Northeast and Wayne State program, and/or online credit classes (juniors as well). We had a good turnout for Parent-Teacher Conferences on Thursday, September 19th! It is always beneficial to have that time to communicate student progress with parents in a face-to-face setting and we appreciate your participation! If you were unable to attend, please make sure to contact your child's teachers and discuss his or her school-work. It is a good time to hear about the positive things kids are doing, and if there are any problems, taking care of them now can prevent larger problems in the future. We want to do everything possible to encourage students to make good choices and put forth their best effort.

Parents can check student grades at any time using their login and password for PowerSchool. If you need these, feel free to stop in the office or call at (402) 635-2484, and we can share those with you. The PowerSchool link can be found on the school website: <http://www.allenschools.org>, or you can download the PowerSchool app on your phone—our district code is DBHQ. You can also keep up with school activities via the calendar which is available on the school website, and we have a link on the right side of the home page for the daily bulletin as well. We are committed to providing a multitude of communication opportunities for you!

As always, any time is a good time to contact teachers or administration with questions, and we look forward to the opportunity to visit with you throughout the year!

**Be a Volunteer!**

Becoming a school volunteer can be one of the most rewarding experiences in life. Sharing a special talent, reading a book to a student, assisting the school librarian, helping to put up an interesting bulletin board for the classroom teacher, or helping chaperone on a field trip are all ways that one can serve as a school volunteer. Volunteers are made up of parents, grandparents, business people, retirees, high school students, and other community members. They can volunteer on a regular basis or on special occasions. If you would like to volunteer please call the school at (402) 635-2484.

# COUNSELOR'S OFFICE

## Seniors....

### 3 must-do-tasks for this fall!

**1. Apply to your top college choices.** If your school participates in Nebraska's *Apply2College* campaign in October, you'll get help with your college applications during a school-day event.

**2. Create an FSA ID.** You and a parent must each create a username and password at [fsaid.ed.gov](http://fsaid.ed.gov) that will serve as your Federal Student Aid (FSA) IDs for the Free Application for Federal Student Aid (FAFSA). You will each need your own email address to create an FSA ID.

**3. Complete the FAFSA at [fafsa.gov](http://fafsa.gov) on or after October 1.** The FAFSA is your application for federal, state, and college-based financial aid. The colleges you list on the application will use that information to determine the types and amounts of financial aid they will award you.

### Get FREE help from EducationQuest

Attend an EducationQuest Financial Aid Program this fall to learn about types of financial aid and the FAFSA. By attending, you can register to win a \$500 scholarship!

Find free [FAFSA Tools](http://EducationQuest.org) at [EducationQuest.org](http://EducationQuest.org) to help you prepare for and complete the FAFSA.

Call the EducationQuest location nearest you to set up an appointment for free personal help:  
 Omaha – 888.357.6300,  
 Lincoln – 800.303.3745,  
 Kearney – 800.666.3721,  
 and Scottsbluff – 800.303.3745, ext. 6654.

**It's FAFSA time!** Seniors... Beginning Oct 1, you and your parents can complete the 2020-21 FAFSA (Free Application for Federal Student Aid). The FAFSA is the application for state, federal, and college-based financial aid. Follow these tips to prepare: (1) Create a Federal Student Aid ID (FSAID) for you and one for your parent at [fsaid.ed.gov](http://fsaid.ed.gov). You and your parent will each need a FSAID to access and sign the FAFSA. (2) Attend a EducationQuest Financial Aid Program to learn how FAFSA and financial aid can help you pay for college. When you attend, register for a \$500 Financial Aid Scholarship! To find dates and locations go to <https://www.educationquest.org/events/?f=financial-aid-programs>. (3) Review the FAFSA Checklist at EducationQuest.org for items you'll need to complete the FAFSA.

### **Winning the Scholarship Game:** Follow these tips to increase your chances of earning scholarships:

- ◆ Don't pay for scholarship services! Free resources include ScholarshipQuest at EducationQuest.org, your school counselor's office, and EducationQuest office in Omaha, Lincoln, and Kearney.
- ◆ Focus on college-based and local scholarships. You're more than likely to earn them over large national awards.
- ◆ Continually update your activities, honors, and volunteer or paid jobs using the Activities Resume at EducationQuest.org.
- ◆ Earn the best possible ACT/SAT scores by taking the exams in spring of your junior year and again in the fall of your senior year.
- ◆ Use quality references such as a teacher, coach or counselor. Give them advance notice, a specific deadline, and a copy of your Activities Resume.
- ◆ Ask at least two people to proofread your application.

### Seniors, are you ready to Apply2College?

This fall, over 200 Nebraska high schools are holding *Apply2College* events to help seniors complete college applications. Whether or not your school is participating.

### PSAT Testing for all Juniors who are interested - October 16th

**Student Mentoring will begin by the end of October. This involves many of our Juniors and Seniors mentoring an elementary student. It is a great way to build positive relationships and provides volunteerism and service for our high school students.**

**10<sup>th</sup> grade Career Day will take place on Oct. 15<sup>th</sup> at Wayne State College. The sophomores registered for various career tracks last spring. The students will attend up to 5 career sessions and enjoy lunch in the WSC cafeteria. This is a great opportunity for our students to learn about careers and spend a day on a college campus.**

**All sophomores will take the ASVAB (Armed Services Vocational Aptitude Battery) test on Oct. 23rd. This is a free assessment that allows students to explore their strengths and weaknesses. The test is given to Juniors and Seniors interested in the military, but for our sophomores their scores cannot be released to the military and the assessment is only used as a career planning tool.**

### Allen Consolidated Schools Improves Student Safety with TIPS

Just a reminder: the TIPS reporting link is on the school website and can be used to allow the anonymous reporting of bullying, weapons, abuse, vandalism, suicide risks and other concerning behaviors that may have a negative effect on the school's learning environment.

TIPS can also be used to report acts of kindness or other make positive comments in something called a Hero report.

How it works: if you are worried about friends, students or others, or if you witness concerning behaviors, simply go to the Allen School website ([www.allenschools.org](http://www.allenschools.org)) and click on the TIPS REPORT INCIDENT button. Select the appropriate incident type, share the necessary details and then SUBMIT.

Once an incident report is made, the principal and designated staff members are immediately notified via email and can securely review the report details to begin coordinating an appropriate assessment and response. TIPS provides all team members with the right tools to track and document the actions taken, see related reports, set automated reminders, review past reports, check school policy, and connect the right dots so no students or incidents are overlooked.

**Please keep in mind that due to confidentiality issues, it may not be possible for reporters to be informed on how their report was handled and/or how the situation was resolved.**

Thank you for helping to keep our students safe!

## Safety / Crisis Information

The Nebraska Department of Education is in the process of unifying language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 4 main actions—lockout, lockdown, evacuate, and shelter. According to NDE, the Standard Response Protocol "is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

Here at school, we will be practicing drills based on these four actions and discussing ways to improve our response effectiveness and timing. If you come to school and see a sign on the door, it will give information and indicate the type of drill being practiced. Please don't be alarmed, and just know that we are practicing so that we can better protect our students. **In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site will be the Methodist Church, 402 Summit Drive, Allen.**

In the case of an emergency, we would ask that parents and community members keep the following in mind:

- Parents and relatives should **NOT** respond to the incident site (**school**) to allow public safety personnel time to respond to the incident.
- Students will be released only to approved adults at the evacuation/reunification site (**Methodist Church**).
- All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.
- All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.
- Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared as we can possibly be if we do. Thank you!

### Nurse's Notes

#### Asthma/Allergies

Students with asthma or severe allergies need to complete a "Student Asthma/Allergy Action Plan." These forms are available on the school webpage or can be picked up from school. On the website, click on "School Forms" and click again on "Health Forms." Then you can choose the "Student Asthma/Allergy Action Plan." These forms do need a Doctor signature, but they can be faxed to the doctor instead of making an appointment. I can fax them for you, if you provide me with the doctor's name who prescribes the medicine your child takes. Your child may carry their asthma inhaler/Epi-pen, but it is recommended that a back-up inhaler/Epi-pen be kept in the school office. Please complete these forms and return them to school as soon as possible. If you have any questions, you can email me at [aborg@allenschools.org](mailto:aborg@allenschools.org).

#### Health Screenings

Annual school health screenings are in progress. All students will have a basic vision screening, oral/teeth exam, and height and weight taken. Other screenings that may be done based on age/grade are examinations of the ears and blood pressures. A letter will be sent to parents to notify you of any abnormal findings on these exams.

### *Library News*
