The EAGLE Newsletter

December 2020 Edition

Information regarding school delays and closing can be found on all Sioux City TV and radio stations. There are many factors to consider before making the decision to cancel classes, to start late, or to dismiss early. First and foremost, is the safety of the students, faculty, parents, and staff. Such a decision is not taken lightly.

We will be communicating with other area schools and hopefully will make a decision as to a weather related two-hour late start or closing as soon as possible. Occasionally a decision can be made either for a two-hour late start or a closing the night before. In the case of severe weather please check the 10:00 pm Sioux City news for up-to-date late start and closing information.

Weather-related dismissals can also be found by going to the school website at www.allenschools.org and clicking on the School Closings or Delays buttons on the right side section of the front page.

The school will be continuing to use the ADT program where each family will be called about delays and closings, as well as continuing to use the push notifications from the **Allen Consolidated App** that can be found on the Google Play Store or the iTunes Store.

****make sure to allow push notifications when installing the app.****

Occasionally it may be necessary because of bad weather to have an early out. If this is the case every effort will be made to publicize the early out and contact parents. We do not want to have students home alone without prior parent approval.

A MESSAGE FROM THE SUPERINTENDENT

In partnership with area businesses, health care facilities, and schools the city of Wayne developed a letter reviewing the "Three C's Campaign" started by the state of Nebraska. For the school newsletter I wanted to share some of the main points of that letter. I hope everyone has a safe and healthy holiday season:

Recently, the State of Nebraska began the "Avoid the Three C's" campaign. The basis of this campaign is to:

- 1) Avoid Crowded places
- 2) Avoid Close contact
- 3) Avoid Confined spaces.

Along with "Avoiding the Three C's", we would like to remind everyone of some additional measures that can help mitigate the spread of the virus: a) Washing your hands often; b) Cleaning and sanitizing high touch areas in your homes and businesses; c) Physical distancing at least 6 feet and wearing a face mask when 6 feet of physical distancing is not possible; and d) Considering whether or not your activities or trips out of town are necessary.

As we approach the Holidays, we understand the importance of spending time with family and friends, shopping, parties, and travel. When you plan your events and activities, we strongly encourage you to keep the "Three C's" in mind. Additionally, we strongly encourage everyone to wear a face mask when you are out in the community, as research has repeatedly shown the effectiveness of face masks to minimize the spread of Covid-19. We want to do everything we can to minimize the spread of the virus, to minimize the impact on our health care system, and to keep our area businesses, institutions and schools open.

~ Michael Pattee, Superintendent

The Allen Consolidated Schools app is available in both the iTunes store and the Google Play Store. After the app is installed, you can receive push notifications to stay updated on school closings or changes to upcoming events. Push notifications alerts all users who have installed the app on a mobile device of new messages or changes to events even when the user is not actively using the App!!

Principal's Message:

It is difficult to believe that December is upon us, and that we have almost completed one semester of school already! We had a great first quarter—please check out our first quarter honor roll and congratulate those students if you get a chance! Semester tests are scheduled for Thursday, December 17, and Friday, December 18, 2020 with an early out on both days, and no school on the 18th for elementary. We have been encouraging students to work hard and improve their grades all semester, and with good attendance and effort, there is still time to do so. Here at school, on a weekly basis, struggling students have been notified of their grades and are encouraged to come in for help after school. At home, discussing classes, checking PowerSchool on a regular basis, and helping your teen establish a scheduled homework/study time are a few things that can also improve student learning. By working together, hopefully we can make an impact on academic success for our students.

I would like to take this time to extend congratulations to all of our students involved in fall activities, and especially congratulate students receiving these honors:

Lewis and Clark Conference One Act: 4th Place

- Alli Jackson (Best Overall Actress)
- Outstanding Performers: Ashley Kraemer and Josh Olesen

Lewis and Clark Central Division All Conference Volleyball:

Jordyn Carr, Carly Dickens, Alli Jackson

Class D2-2 All District Football:

Offense: Anthony Isom, Josh Olesen

Defense: Reed Hingst, Devin Hoelsing, Kobe Kumm, Steven Sullivan

Honorable Mention: Ryan Anderson, Kaleb Kumm

Lewis & Clark Honor Choir: Sarah Papke - Soprano I

In addition, I would invite everyone to continue supporting students as winter activities commence, whether that is possible in person or through online support. We are living in unprecedented times, and our students appreciate your support now more than ever!

Finally, during this holiday season, it is always good to take time to be thankful for our blessings. Here at Allen Consolidated Schools, we are very grateful for the Allen community, parents, students, staff and Board of Education. All of these people work together to provide a safe and wholesome educational program for our students. I would like to say “thank you” to everyone and wish you all a very Merry Christmas

--Lana Oswald, 7-12 Principal

Safety / Crisis Information

The Nebraska Department of Education is in the process of unifying language for safety procedures across schools in the state. The procedures requiring action are called “Standard Response Protocol” and consist of 4 main actions—lockout, lockdown, evacuate, and shelter. According to NDE, the Standard Response Protocol “is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident.”

Here at school, we will be practicing drills based on these four actions and discussing ways to improve our response effectiveness and timing. If you come to school and see a sign on the door, it will give information and indicate the type of drill being practiced. Please don't be alarmed, and just know that we are practicing so that we can better protect our students.

In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site will be the Methodist Church, 402 Summit Drive, Allen.

In the case of an emergency, we would ask that parents and community members keep the following in mind:

Parents and relatives should **NOT** respond to the incident site (**school**) to allow public safety personnel time to respond to the incident.

Students will be released only to approved adults at the evacuation/reunification site (**Methodist Church**).

All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.

All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.

Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do.

Thank you!

December "To Do" List

Seniors... complete these tasks in November to stay on the path to college:

1. If you haven't already, submit college applications and complete the FAFSA.
2. Continue to apply for scholarships.
3. Follow EducationQuest on Facebook, Twitter, and Instagram for a change to win a \$500 scholarship.

Juniors... complete these tasks.

1. Take an ACT prep course.
2. Set up a ScholarshipQuest profile and start searching for Nebraska-based scholarships.
3. Follow EducationQuest on Facebook, Twitter, and Instagram for a change to win a \$500 scholarship.

What to Expect AFTER you submit your FAFSA

The FAFSA opened October 1, so many of you have already completed and submitted your form. Here's what happens next:

Expect a Student Aid Report (SAR) via an email link ~ The SAR tells you that your FAFSA was processed and lets you know if you need to take further action.

Watch for Verification Requests. ~ The college(s) you listed on your FAFSA might request verification of your FAFSA information. If so, send the required notifications detailing the types and amounts of aid they're offering based on your financial need.

Watch for Financial Aid Award Notifications. ~ The colleges you listed on your FAFSA — and were accepted to — will send you financial aid award notifications detailing the types and amounts of aid they're offering based on your financial need.

Haven't completed your FAFSA yet?

No problem! You and a parent can complete the form at www.studentaid.gov. Before you start, create a Student Aid Account (FSA ID) for you and one for a parent. You'll need them to access and sign the FAFSA.

For *free* help with the FAFSA, watch the brief demo videos at <https://www.youtube.com/playlist?list=PLau3fLLJ-tlYrHsGBxf7xnGQeosuL5-aJ>, or use the FAFSA tools at <https://www.educationquest.org/resources/fafsa-tools/>, or call the EducationQuest location nearest to you to make a virtual appointment:

Kearney — 308.234.6310 or 800.666.3721 / Scottsbluff — 308.708.7199 or 800.303.3745 ext. 6654

Winning the Scholarship Game

Follow these tips to increase your chances of earning scholarships:

- Don't EVER pay for scholarship searches! Use *free* resources such as ScholarshipQuest at www.EducationQuest.org with over 2,000 Nebraska-based scholarships. You'll also find a list of free national sites we recommend such as Chegg, College Board and Fastweb.
- Visit your school counselor often to learn about local scholarships.
- Focus on local and college-based scholarships because you're more than likely to earn them
- Update your activities, honors, community service, and paid jobs using the Activities Resume at www.EducationQuest.org.
- Earn the best possible ACT / SAT scores by taking the exam(s) in the spring of your junior year and again in the fall of your senior year.
- Use quality references such as a teacher, coach, or counselor. Encourage them to write specific examples of your leadership skills. Give them a specific deadline, and a copy of your Activities Resume.
- Tailor your essay to the scholarship. Ask an English teacher to read your essay and offer advice on making a big impact. Your essay will need to stand out from other applications.

who was selected to be on the Lewis side for Lewis and Clark Honor Choir!

She will be singing the Soprano 1 part for an online video.

The video will comprise of 24 students selected to participate and will be available to watch in the first part of December

It is hardly believable, especially in this time of uncertainty, that we are nearing the end of the first semester and are entering the holiday season with little disruption to our school year! I would like to give thanks to those who purchased from our online Scholastic book fair in November. This is a far stretch from how we have conducted book fairs in the past. Your purchases will help our school to purchase books and other educational materials in the future. We are hoping to hold an in person book fair in the Spring, pending the status restrictions with Covid-19.

Christmas break is a great time for your child to read! Students are able to check out books from the library here at school and keep them over break. If your child prefers to read online, there are some great sites that offer quality ebooks and/or read alouds that can be viewed from a variety of devices. YouTube can also be a great resource for students who like to listen to books read aloud.

Here are some great resources for reading books online:

Google Play

ManyBooks.net

International Children's Digital Library

Project Gutenberg

Library of Congress

Storyline Online

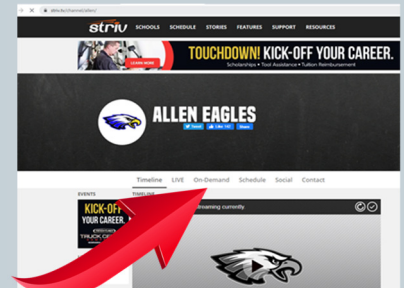

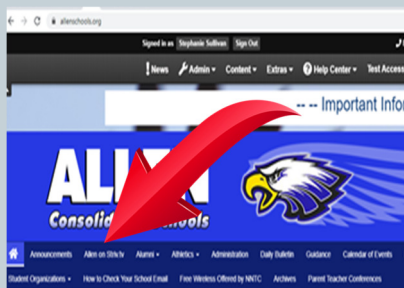

Open Library

YouTube

Oxford Owl

Lastly, the Allen Consolidated School Library would like to give a very special thank you to Carol Jackson and her family. Carol made a generous donation to our library in memory of her husband Gaylen Jackson. Gaylen LOVED to read and she is sharing that love with our school's library. I am currently on the hunt for the perfect purchase for our library! Thank you again to Carol and the rest of the Jackson family for thinking of us at Allen Consolidated Schools!
Callie Anderson, Library Media Specialist

In lieu of a public and school performance this year, the production will be available on Striv under the On-Demand tab.

Are you new to the Allen School District or have you had an addition to your family?

The School District Census Report is a requirement from the Department of Education that is due every July for children ages 0 - 21 that reside in our school district. These numbers are used by the Nebraska Department of Education for state aid and for federal funding. This list is also used to invite children who are eligible to be enrolled in Pre-School and Kindergarten each spring.

If you are new to our district or know of anyone who is new to our district you are encouraged to contact the school to provide us information. State statute and board policy requires that the school district establishes a permanent, continuing census of all children age 0 - 21, and to maintain this census on yearly basis.

Please contact Stephanie Sullivan or Becky Stapleton at (402) 635-2484
