A MESSAGE FROM THE ADMINISTRATION

I would like to take this opportunity to thank all of our students, parents, coaches, and sponsors for all of their support and encouragement during the winter season. Without the cooperation of everyone involved we would not have successful programs at the school. Congratulations to all of our students, coaches, and sponsors who took the time and effort to be a part of any activity this winter. It is hard to believe but the winter season is half over and the spring/track season is right around the corner.

With the completion of the first semester, I want to share that we are extremely proud of the academic excellence of our students as well. Please check out the honor roll list in this newsletter and if you see these students, give them a hand! In addition, we also have students continuing to take advantage of online and "Fridays" college courses. This has been a great way for our students to get a taste of college and earn some credit at the same time. We would also like to recognize these students:

Lewis and Clark Conference Principal's Award for 2024-25 (*denotes repeat winners)

In order to be selected for this award, students must have a cumulative GPA of 3.5 or higher and must be involved in a conference activity. Great job, students!

Seniors: *Aceson Graves, *Ben Jorgensen, *Brayden McCorkindale,
*Erica Niemann, Gabe Olesen

Juniors: Alex Ankeny

Finally, I want to remind everyone as the weather continues to be an issue in the next few months, Allen Consolidated schools will continue to use local television stations, social media and the ADT calling system as the main sources to report school information relating to late starts or cancelations. Decisions about a possible late start or no school will be made as soon as possible the morning of the inclement weather. As soon as the decision is made information will be posted to the local television stations and an ADT call will be made.

Mr. Michael Pattee, Superintendent

Title One Information: Allen Consolidated Schools receives Title One Funds. Parents may request information regarding the professional qualifications of the teachers in the district.

Information regarding school delays and closing can be found on all Sioux City TV and radio stations. There are many factors to consider before making the decision to cancel classes, to start late, or to dismiss early. First and foremost, is the safety of the students, faculty, parents, and staff. Such a decision is not taken lightly. We will be communicating with other area schools and hopefully will make a decision as to a weather related two-hour late start or closing as soon as possible. Occasionally a decision can be made either for a two-hour late start or a closing the night before. In the case of severe weather please check the 10:00pm Sioux City news for up-to-date late start and closing information.

Weather-related dismissals can also be found by going to the school website at www.allenschools.org and clicking on the **School Closings or Delays** button in the **Quick Links** dropdown on the home page, or click on the **School Closings** button on the *Allen Consolidated Schools app*!

The school will be continuing to use the ADT program where each family will be called about delays and closings, as well as continuing to use the push notifications from the **Allen Consolidated App** that can be found on the Google Play Store or the iTunes Store.

****make sure to allow push notifications when installing the app.****

Be a Volunteer!

Becoming a school volunteer can be one of the most rewarding experiences in life. Sharing a special talent, reading a book to a student, assisting the school librarian, helping to put up an interesting bulletin board for the classroom teacher, or helping chaperone on a field trip are all ways that one can serve as a school volunteer. Volunteers are made up of parents, grandparents, business people, retirees, high school students, and other community members. They can volunteer on a regular basis or on special occasions.

If you would like to volunteer please call the school at (402) 635-2484.

Family Educational Rights and Privacy Act (FERPA)

Annual notice provided to parents/guardians and eligible students of their rights to inspect and review educational records, amend education records, consent to disclose personally identifiable information in education records and file a complaint with the U.S. Department of Education.

HANDICAPPED CHILDREN'S ACT

Allen Consolidated Schools requests your help in locating handicapped children. The school implements the Federal Handicapped Children's Act (PL 94-142) and Nebraska Statute which guarantees a free appropriate education program for all children between birth and 21 years of age.

If you have students or know of any young person who meets criteria please contact the Superintendent's Office. (402) 635-2484

SPECIAL EDUCATION

Allen Consolidated Schools ensures that a free appropriate public education is available to all children with disabilities from birth through the high school year in which the student reaches 21 years of age, including children who have been suspended or expelled from school.

Non-Discrimination Policy

It is the policy of the Allen Consolidated Schools not to discriminate in its educational activities on the basis of: race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income is derived from any public assistance program or activity conducted or funded by the Department. *(Not all prohibited bases will apply to all programs and/or employment activities).*

Safety / Crisis Information

The Nebraska Department of Education is in the process of unifying language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 5 main actions—hold, secure, lockdown, evacuate, and shelter. According to

NDE, the Standard Response Protocol "is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

Here at school, we will be practicing drills based on these five actions and discussing ways to improve our response effectiveness and timing. If you come to school and see a sign on the door, it will give information and indicate the type of drill being practiced. Please don't be alarmed, and just know that we are practicing so that we can better protect our students. **In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site will be the school Bus Barn located at 111 E. 2nd Street, Allen.**

In the case of an emergency, we would ask that parents and community members keep the following in mind:

- 1) Parents and relatives should **NOT** respond to the incident site (**school**) to allow public safety personnel time to respond to the incident.
- 2) Students will be released only to approved adults at the evacuation/reunification site (**Bus Barn**).
- 3) All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.
- 4) All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.
- 5) Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do. Thank you!

From the Counselor's Office

You're finally in your last semester of high school, and you may be wondering if it's time to get serious about scholarships. The correct answer is, YES! Second-semester senior year is when most scholarships are due, so it's time to kick your scholarship search into high gear. Here are some tips on how to navigate scholarship season!

Find upcoming scholarships. Peak scholarship time for high school seniors is between January and April of your senior year. Now is a great time to find some good scholarship resources. Talk to your school counselor about local scholarships, look at some college websites to see what financial aid packages they offer, and check out online scholarship searches.

ScholarshipQuest is a great online resource for Nebraska-based awards!

Gather your information. Most scholarship applications have similar components. If you have all of the following information in one place to start, it will make the process a lot easier.

Your contact information (address, phone number, email address)

Academic information (your GPA, ACT scores, class rank, transcripts, etc.)

Financial information (fill out the FAFSA if you haven't already!)

Your high school activities and accomplishments (*Activities Resume* is a great way to compile this information)

Research essay topics. You should always tailor your essay to the specific scholarship application, but that doesn't mean that you can't prepare in advance. There are a handful of essay questions that you are sure to encounter when applying for scholarships, and now is the perfect time to put some ideas together. You can find several lists of essay prompts online, but here are a few common questions to get you started:

Tell us why you deserve this scholarship.

What major/career do you want to go into, and why?

Talk about a time that you overcame adversity.

What are your long-term goals?

How has a certain person/experience influenced you?

What are your greatest accomplishments?

How will this scholarship help you?

Pick your recommenders. Take some time to make a list of 3-5 (or more) people who might be willing to write a recommendation for you. You want to find adults who know you well, who have seen you in a positive light, and who are trustworthy. Remember, no family members allowed! Some options for potential recommenders are teachers, school counselors, coaches, religious leaders, mentors, or work/volunteer supervisors.

After you have your list, ask them if they would be willing to write a letter of recommendation for you when the time comes. Having a pool of recommenders will save you time later.

Make a plan. Now that you have gathered most of the components for your application, it's time to get organized. When can you set aside time each week to work on scholarship applications? How are you going to track deadlines? Who can help you proofread your applications? No matter what approach you take, creating a manageable plan will make the scholarship process much less overwhelming. Now get out there and start applying!

Senior Slideshow Checklist

Mrs. Anderson needs the following pictures from you by Friday, February 28th! You can bring me the pictures or email them to: canderson@allenschools.org
All original pictures will be returned. No selfies or group pictures please!

☐ 1 Baby/Toddler Picture

☐ 2 Elementary Pictures

☐ 1 JH Picture

☐ 1 High School Picture

☐ 2-3 Senior Pictures

As graduation nears, you will need to provide Mrs. Anderson with your favorite quote, and future plan information. Mrs. Anderson will keep you updated!

Winter weather is still upon us, keep in mind that the elementary students will be outside at recess most days.

Be sure that you send your child with the appropriate attire for recess EACH day.

Your child still needs to bring snow pants, a heavy coat, boots, hat, and gloves everyday for recess during the winter months (per the student handbook). The teacher on recess duty those days will decide which clothing items are needed in order to safely enjoy the recess time. If winter attire is needed and your child does not have the proper clothing, they will not be able to play and will be required to stand in an area designated by the teacher on duty.

Please send your child with the proper items needed for each days' weather forecast.

They can be kept at school for your convenience.

Please contact your child's teacher with any questions. We greatly appreciate your help with this matter. **PK -- 6th Grade Teachers**

**Are you new to the Allen
School District or have
you had an addition to
your family?**

The School District Census Report is a requirement from the Department of Education that is due every July for children ages 0 - 21 that reside in our school district. These numbers are used by the Nebraska Department of Education for state aid and for federal funding. This list is also used to invite children who are eligible to be enrolled in Pre-School and Kindergarten each spring.

If you are new to our district or know of anyone who is new to our district you are encouraged to contact the school to provide us information. State statute and board policy requires that the school district establishes a permanent, continuing census of all children age 0 - 21, and to maintain this census on yearly basis.

Please contact Stephanie Sullivan or
Becky Stapleton at (402) 635-2484

Allen Consolidated Schools Improves Student Safety with TIPS

Just a reminder: the TIPS reporting link is on the school website and can be used to allow the anonymous reporting of bullying, weapons, abuse, vandalism, suicide risks and other concerning behaviors that may have a negative effect on the school's learning environment. TIPS can also be used to report acts of kindness or other make positive comments in something called a Hero report.

How it works: if you are worried about friends, students or others, or if you witness concerning behaviors, simply go to the Allen School website (www.allenschools.org) and click on the TIPS REPORT INCIDENT button under Quicklinks on the right side of the website. Select the appropriate incident type, share the necessary details and then SUBMIT.

Once an incident report is made, the principal and designated staff members are immediately notified via email and can securely review the report details to begin coordinating an appropriate assessment and response. TIPS provides all team members with the right tools to track and document the actions taken, see related reports, set automated reminders, review past reports, check school policy, and connect the right dots so no students or incidents are overlooked. **Please keep in mind that due to confidentiality issues, it may not be possible for reporters to be informed on how their report was handled and/or how the situation was resolved.**

Thank you for helping to keep our students safe!
