A MESSAGE FROM THE ADMINISTRATION

Happy autumn! It is difficult to believe it is already November, the first quarter is complete, and we are looking ahead to Christmas. First quarter report cards have been mailed, and honor roll announced. Please check this newsletter and/or the school website to see the full honor roll list. We have a large number of students who excel academically, and we want to give them a hand for their efforts!

At this time, our sophomores are spending time going through an ACT preparatory series designed to help students increase test scores. This program is available to our students with the help of ESU #1 in Wakefield, and our juniors will be participating in the same program next spring. The goal of the program is to help students improve their ACT scores and then as the program's motto states, "get into the best college at the lowest cost!"

In addition, our fall activity season is drawing to a close, and we would like to congratulate all of our students and sponsors for representing our school so well. Our athletes have competed hard this fall, our band and choir students are hard at work, FFA members have competed successfully at several events, and the One Act team is gearing up for conference and district competition as well. Hopefully our students have experienced life-long learning lessons from their participation that will serve them well later on. All of these students worked extremely hard and deserve a big "Congratulations!"

Please continue to support all of our students in their extracurricular activities at Allen. To stay current with the latest updates on activities, events, and day-to-day news, log on to the school's website at www.allenschools.org. This website houses current and pertinent information all within one location. Take advantage of this resource to support our students and staff and to learn about upcoming events at school. We always welcome your feedback! If you have suggestions on how to make the webpage more beneficial for parents and community members, please let us know.

Michael Pattee, Superintendent and Lana Oswald, Principal

Congratulations!

Information regarding school delays and closing can be found on all Sioux City TV and radio stations. There are many factors to consider before making the decision to cancel classes, to start late, or to dismiss early. First and foremost, is the safety of the students, faculty, parents, and staff. Such a decision is not taken lightly. We will be communicating with other area schools and hopefully will make a decision as to a weather related two-hour late start or closing as soon as possible. Occasionally a decision can be made either for a two-hour late start or a closing the night before. In the case of severe weather please check the 10:00pm Sioux City news for up-to-date late start and closing information.

Weather-related dismissals can also be found by going to the school website at www.allenschools.org and clicking on the **School Closings or Delays** button in the **Quick Links** dropdown on the home page, or click on the **School Closings** button on the *Allen Consolidated Schools app*!

The school will be continuing to use the ADT program where each family will be called about delays and closings, as well as continuing to use the push notifications from the **Allen Consolidated App** that can be found on the Google Play Store or the iTunes Store.

****make sure to allow push notifications when installing the app.****

Be a Volunteer!

Becoming a school volunteer can be one of the most rewarding experiences in life. Sharing a special talent, reading a book to a student, assisting the school librarian, helping to put up an interesting bulletin board for the classroom teacher, or helping chaperone on a field trip are all ways that one can serve as a school volunteer. Volunteers are made up of parents, grandparents, business people, retirees, high school students, and other community members. They can volunteer on a regular basis or on special occasions.

If you would like to volunteer please call the school at (402) 635-2484.

Family Educational Rights and Privacy Act (FERPA)

If you have students or know of any young person who meets criteria please contact the Superintendent's Office. (402) 635-2484

SPECIAL EDUCATION

Allen Consolidated Schools ensures that a free appropriate public education is available to all children with disabilities from birth through the high school year in which the student reaches 21 years of age, including children who have been suspended or expelled from school.

Safety / Crisis Information

The Nebraska Department of Education is in the process of unifying language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 5 main actions—hold, secure, lockdown, evacuate, and shelter. According to

NDE, the Standard Response Protocol "is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

Here at school, we will be practicing drills based on these five actions and discussing ways to improve our response effectiveness and timing. If you come to school and see a sign on the door, it will give information and indicate the type of drill being practiced. Please don't be alarmed, and just know that we are practicing so that we can better protect our students. **In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site will be the school Bus Barn located at 111 E. 2nd Street, Allen.**

In the case of an emergency, we would ask that parents and community members keep the following in mind:

- 1) Parents and relatives should **NOT** respond to the incident site (**school**) to allow public safety personnel time to respond to the incident.
- 2) Students will be released only to approved adults at the evacuation/reunification site (**Bus Barn**).
- 3) All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.
- 4) All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.
- 5) Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do. Thank you!

On Friday October 11th the 9th grade Physical Science class launched their water rockets with most of the school watching from a safe distance. This year's class made some of the best rockets ever. One of the goals is to launch the rocket across the length of the football field and make it through the goal post on the far side of the field. This year is a small class with only seven 9th grade students. Of the 7 students 4 students made it through the goal post on the far side of the field, that is a 90-yard field goal! **Students winning the longest launch were Emma Waldo, Joel Schauer, and Hugo Reyes. Students winning the highest altitude were Emma Waldo and Hailey Millard.** The water rocket project is done each year in 9th grade Physical Science and the launching of the rockets is an event that the whole school looks forward to.

Allen FFA Field Day

Over 50 adults and students attended the Allen FFA Field Day on October 1st, 2024. Thanks to the Hefty, Pioneer, Channel, and Miller Seed Corn company representatives for being present and telling about their corn's traits to the adults and basic agronomic information to FFA students, some of whom have minimal agricultural experience. Over a dozen FFA members helped plant the 16 different varieties back on May 28th, 2024, all members helped put up signage, helped serve the meal, and will again be present when the corn is harvested. Everyone enjoyed a meal after the tour and thanks to the FFA members' mothers who provided a wide array of desserts.

CLASS OF 2025 SENIOR PICTURES

Just a reminder: it takes several weeks for a photographer to get your proofs back and several more weeks after you have picked out your poses for the photographer to get your actual pictures. The deadline for the pictures need for the annual and class composite is January 10, 2025. Please have your pictures taken in advance of this deadline. Digital format is the best way to submit your picture. If you submit it in digital format please e-mail it to ncumyn@allenschools.org. If you do not submit in digital format please submit one (1) colored glossy billfold size (approximately 2 3/8 inches wide by 3 1/4 inches long) portraits to the Annual Sponsor before the deadline.

A senior composite must consist of a formal head and shoulder pose with: NO HANDS SHOWING, NO SILHOUETTES, NO PROFILES, NO OVER-THE-SHOULDER PHOTO—FULL FRONT FACINGS ONLY, NO HATS, NO PETS, NO CHAIRS OR OTHER FURNITURE SHOULD BE VISIBLE, NO VISIBLE TATTOOS, NO VISIBLE PIERCING OTHER THAN EARS, NO REVEALING OR INAPPROPRIATE CLOTHING, and USE A SOLID COLOR BACKGROUND

Please inform your photographer of these guidelines. No exceptions to the above guidelines will be made.

You do not have to have a professional photographer take your pictures, but the above guidelines need to be followed for all pictures submitted. Photos must meet the approval of the Allen Consolidated Schools Administration. If you do not have your picture taken and submitted, the school will provide one for you. It would be impossible for the school's photo to be of the quality of a professional.

Thank you ~ Senior Class Sponsor, Journalism Staff and Administration

Senior Picture Message

The annual staff will include senior recognition messages in the annual this year. This message will include a picture of your child, at any age from birth to current, with a parent message attached. Please send the photo and message by **January 10, 2025** to ncumyn@allenschools.org.

November 2024 NEWSLETTER

ECRWSS BOXHOLDER ALLEN, NE 68710

The days are starting to get cooler and keep in mind that the elementary students will be out at recess most days. **Be sure that you send your child with the appropriate attire for recess each day.**

As winter weather fast approaches, your child needs to bring snow pants, a heavy coat, boots, hat, and gloves every day for recess during the winter months (per the student handbook). The teacher on recess duty those days will decide which clothing items are needed in order to safely enjoy the recess time. If winter attire is needed and your child does not have the proper clothing, they will not be able to play and will be required to stand in an area designated by the teacher on duty. Please send your child with the proper items needed for each days' weather forecast. They can be kept at school for your convenience. Please contact your child's teacher with any questions. We greatly appreciate your help with this matter. ~ **PK - 6th grade Teachers** ~

Are you new to the Allen School District or have you had an addition to your family?

The School District Census Report is a requirement from the Department of Education that is due every July for children ages 0 - 21 that reside in our school district. These numbers are used by the Nebraska Department of Education for state aid and for federal funding. This list is also used to invite children who are eligible to be enrolled in Pre-School and Kindergarten each spring.

If you are new to our district or know of anyone who is new to our district you are encouraged to contact the school to provide us information. State statute and board policy requires that the school district establishes a permanent, continuing census of all children age 0 - 21, and to maintain this census on yearly basis.

Please contact Stephanie Sullivan or Becky Stapleton at (402) 635-2484

Allen Consolidated Schools Improves Student Safety with TIPS

Just a reminder: the TIPS reporting link is on the school website and can be used to allow the anonymous reporting of bullying, weapons, abuse, vandalism, suicide risks and other concerning behaviors that may have a negative effect on the school's learning environment. TIPS can also be used to report acts of kindness or other make positive comments in something called a Hero report.

How it works: if you are worried about friends, students or others, or if you witness concerning behaviors, simply go to the Allen School website (www.allenschools.org) and click on the TIPS REPORT INCIDENT button under Quicklinks on the right side of the website. Select the appropriate incident type, share the necessary details and then SUBMIT.

Once an incident report is made, the principal and designated staff members are immediately notified via email and can securely review the report details to begin coordinating an appropriate assessment and response. TIPS provides all team members with the right tools to track and document the actions taken, see related reports, set automated reminders, review past reports, check school policy, and connect the right dots so no students or incidents are overlooked. **Please keep in mind that due to confidentiality issues, it may not be possible for reporters to be informed on how their report was handled and/or how the situation was resolved.**

Thank you for helping to keep our students safe!
