A MESSAGE FROM THE ADMINISTRATION

Theme of the Month: Consistency – Build Routines

Our motto this year “*Every Day Matters*” reminds us that small actions, repeated daily, create lasting success. In September, we are focusing on **Consistency** because consistency builds confidence.

When students know what to expect, and when families and staff support steady routines, , every-one benefits. Consistency doesn’t mean being perfect, it means showing up each day with steady effort, ready to learn and grow.

Why Attendance Matters

One of the most important ways students show consistency is by being present at school. Research is clear: when students attend regularly, they learn more, feel more connected, and achieve higher levels of success. Families play a critical role in helping students build strong attendance habits, setting morning routines, encouraging preparation the night before, and making “every day” truly matter. Every day a student is in class is another opportunity for growth.

Weekly Focus Look-Fors:

Week 1: Consistent routines – Be prepared and ready to learn each day.

Week 2: Consistent respect – Treat others kindly and positively every day.

Week 3: Consistent effort – Show persistence, even when things feel challenging.

Week 4: Consistent growth – Improve one step at a time by sticking with good habits.

Each weekly focus is not meant to last for only one week, but a building block for success. By practicing these small, consistent steps daily, we create lasting routines and habits that strengthen our school community.

Together, as a school and community, let’s model consistency in our classrooms, our homes, and our daily lives. By practicing consistency, and by making attendance a priority, we build confidence in ourselves and in each other.

Because at Allen, *Every Day Matters*.

-Chris Blohm, 7-12 Principal

HANDICAPPED CHILDREN'S ACT

Allen Consolidated Schools requests your help in locating handicapped children. The school implements the Federal Handicapped Children's Act (PL 94-142) and Nebraska Statute which guarantees a free appropriate education program for all children between birth and 21 years of age.

If you have students or know of any young person who meets criteria please contact the Superintendent's Office. (402) 635-2484

SPECIAL EDUCATION

Allen Consolidated Schools ensures that a free appropriate public education is available to all children with disabilities from birth through the high school year in which the student reaches 21 years of age, including children who have been suspended or expelled from school.

Title One Information

Allen Consolidated Schools receives Title One Funds. Parents may request information regarding the professional qualifications of the teachers in the district.

Notice of Nondiscrimination: The Allen Public School District does not discriminate on the basis of sex, disability, race (including skin color, hair texture and protective hairstyles), color, religion, military or veteran status, national or ethnic origin, age, marital status, pregnancy, childbirth or related medical condition, sexual orientation or gender identity, or other protected status in its programs and activities and provides equal access to designated youth groups. The following persons have been designated to handle inquiries regarding the nondiscrimination policies:

Employees and Others: Mike Pattee 126 East 5th Street, Allen NE 68710, 402-635-2484 mpattee@allenschools.org

Complaints or concerns involving discrimination or needs for accommodation or access should be addressed to the appropriate Coordinator. For further information about anti-discrimination laws and regulations, or to file a complaint of discrimination with the OCR at One Petticoat Lane, 1010 Walnut Street, 3rd Floor, Suite 320, Kansas City, Missouri 64106, (816) 268-0550 (voice), Fax (816) 268-0599, (800) 877-8339 (telecommunications device for the deaf), or ocr.kansascity@ed.gov.

Safety / Crisis Information

The Nebraska Department of Education has created a unified language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 5 main actions—hold, secure, lockdown, evacuate, and shelter. According to NDE, the Standard Response Protocol "is the uniform

classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

Here at school, we will be practicing drills based on these five actions and discussing ways to improve our response effectiveness and timing. If you come to school and see a sign on the door, it will give information and indicate the type of drill being practiced. Please don't be alarmed, and just know that we are practicing so that we can better protect our students. **In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site will be the school Bus Barn located at 111 E. 2nd Street, Allen.**

In the case of an emergency, we would ask that parents and community members keep the following in mind:

- 1) Parents and relatives should **NOT** respond to the incident site (**school**) to allow public safety personnel time to respond to the incident.
- 2) Students will be released only to approved adults at the evacuation/reunification site (**Bus Barn**).
- 3) All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.
- 4) All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.
- 5) Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do. Thank you~ Administration

You **do not** have to have a professional photographer take your pictures, but know all photos **must** meet the approval of the Allen Consolidated Schools Administration. If you do not have your picture taken and submitted, the school will provide one for you. It would be impossible for the school's photo to be of the quality of a professional. Lion's Club vision screens on

September 2nd for students in grades K-12.

Signs of possible eye problems in children

A child may not tell you that he or she has a vision problem because they may think the way they see is the way everyone sees.

What do your child's eyes look like?

- » Eyes don't line up; one eye appears crossed or looks out
- » Eyelids are red-rimmed, crusted or swollen
- » Eyes are watery or red (inflamed)

How does your child act?

- » Rubs eyes a lot
- » Closes or covers one eye
- » Tilts head or thrusts head forward
- » Has trouble reading or doing other close-up work, or holds objects close to eyes to see
- » Blinks more than usual or seems cranky when doing close-up work
- » Things are blurry or hard to see
- » Squints eyes or frowns

What does your child say?

- » "My eyes are itchy," "my eyes are burning," "my eyes feel scratchy," or "I can't see very well"
- » After doing close-up work, your child says, "I feel dizzy," "I have a headache," or "I feel sick/nauseous"
- » "Everything looks blurry," or "I see double"
- » Remember, a child may still have an eye problem even if he or she does not complain or has not shown any unusual signs.

Pie the Teacher: Homecoming Coin War

Homecoming just got a whole lot sweeter (and messier)! September 29th-October 2nd, the junior class will be hosting a coin war to decide which teachers will take a pie straight to the face at the homecoming pep rally.

How it works:

- *Open to K-12th graders
- *Each teacher will have a jug with their name on it in the library.
- *Drop in COINS to ADD to their total.
- *Drop in BILLS to SUBTRACT from their total.
- *The top 3 teachers with the highest final amounts at the end of Thursday, October 2nd will be pied in the face at the pep rally.

Each time a student drops coins or bills into a milk jug, they will get to fill out a ticket for a chance to PIE one of our 3 winning teachers. Find out the winners at the pep rally!

All proceeds from this coin war will go towards the junior class and prom.

The School District Census Report is a requirement from the Department of Education that is due every July for children ages 0 - 21 that reside in our school district. These numbers are used by the Nebraska Department of Education for state aid and for federal funding. This list is also used to invite children who are eligible to be enrolled in Pre-School and Kindergarten each spring.

If you are new to our district or know of anyone who is new to our district you are encouraged to contact the school to provide us information. State statute and board policy requires that the school district establishes a permanent, continuing census of all children age 0 - 21, and to maintain this census on yearly basis.

Allen Consolidated Schools Improves Student Safety with TIPS

Just a reminder: the TIPS reporting link is on the school website and can be used to allow the anonymous reporting of bullying, weapons, abuse, vandalism, suicide risks and other concerning behaviors that may have a negative effect on the school's learning environment. TIPS can also be used to report acts of kindness or other make positive comments in something called a Hero report.

How it works: if you are worried about friends, students or others, or if you witness concerning behaviors, simply go to the Allen School website (www.allenschools.org) and click on the TIPS REPORT INCIDENT button under Quicklinks on the right side of the website. Select the appropriate incident type, share the necessary details and then SUBMIT.

Once an incident report is made, the principal and designated staff members are immediately notified via email and can securely review the report details to begin coordinating an appropriate assessment and response. TIPS provides all team members with the right tools to track and document the actions taken, see related reports, set automated reminders, review past reports, check school policy, and connect the right dots so no students or incidents are overlooked. **Please keep in mind that due to confidentiality issues, it may not be possible for reporters to be informed on how their report was handled and/or how the situation was resolved.**

Thank you for helping to keep our students safe!
