## The EAGLE Newsletter

February 2021 Edition

Information regarding school delays and closing can be found on all Sioux City TV and radio stations. There are many factors to consider before making the decision to cancel classes, to start late, or to dismiss early. First and foremost, is the safety of the students, faculty, parents, and staff. Such a decision is not taken lightly.

We will be communicating with other area schools and hopefully will make a decision as to a weather related two-hour late start or closing as soon as possible. Occasionally a decision can be made either for a two-hour late start or a closing the night before. In the case of severe weather please check the 10:00 pm Sioux City news for up-to-date late start and closing information.

Weather-related dismissals can also be found by going to the school website at [www.allenschools.org](http://www.allenschools.org) and clicking on the School Closings or Delays buttons on the right side section of the front page.

The school will be continuing to use the ADT program where each family will be called about delays and closings, as well as continuing to use the push notifications from the **Allen Consolidated App** that can be found on the Google Play Store or the iTunes Store.

**\*\*make sure to allow push notifications when installing the app.\*\***

Occasionally it may be necessary because of bad weather to have an early out. If this is the case every effort will be made to publicize the early out and contact parents. We do not want to have students home alone without prior parent approval.

### A MESSAGE FROM THE SUPERINTENDENT

I would like to take this opportunity to thank all of our students, parents, coaches, and sponsors for all of their support and encouragement during the winter season. Without the cooperation of everyone involved we would not have successful programs at the school. Congratulations to all of our students, coaches, and sponsors who took the time and effort to be a part of any activity this winter. It is hard to believe but the winter season is half over and the spring/track season is right around the corner.

Just a reminder as the weather continues to be an issue in the next few months Allen Consolidated schools will continue to use local television stations and the ADT Tyco Alert calling system as the main sources to report school information relating to late starts or cancellations. Decisions about a possible late start or no school will be made as soon as possible the morning of the inclement weather. As soon as the decision is made information will be posted to the local television stations and an ADT Tyco Alert call will be made.

**Michael Pattee, Superintendent**

The Allen Consolidated Schools app is available in both the iTunes store and the Google Play Store. After the app is installed, you can receive push notifications to stay updated on school closings or changes to upcoming events. Push notifications alerts all users who have installed the app on a mobile device of new messages or changes to events even when the user is not actively using the App!!

## Principal's Message:

It is difficult to believe that we are more than halfway through the 2020-21 school year! We had a fantastic first semester, and I am so proud of our students, staff, and community. It has not been perfectly smooth sailing but we are so thankful that we have been able to stay in face-to-face learning so far and are very hopeful that can continue. I would like to specifically congratulate the senior class and encourage them to continue to work hard this semester—their very last semester here at AHS!

We are also in the middle of our busy winter activity schedule, and our students and coaches are working hard and appreciate your support! We are proud of the positive way in which they represent our district both on and off “the court”, whatever that court may look like. Thank you for your support whether it be watching via Striv or able to come and cheer them on in person!

We are extremely proud of the Academic Excellence of our students as well. Please check out the honor roll list in this newsletter and if you see these students, give them a hand! In addition, we have multiple students continuing to take advantage of online and “Fridays” college courses. This has been a great way for our students to get a taste of college and earn some credit at the same time. Finally, I would also like to recognize these students:

- Congratulations to Ashley Kraemer on her nomination from U.S. Senator Deb Fischer to the U.S. Air Force Academy and the U.S. Naval Academy. How exciting!

Lewis and Clark Conference Principal's Award for 2019-20 (\*denotes repeat winners): In order to be selected for this award, students must have a cumulative GPA of 3.5 or higher and must be involved in a conference activity. Great job, students!

**Seniors:** \*Alli Jackson, \*Ashley Kraemer, and \*Kobe Kumm

**Juniors:** Kaleb Kumm

### Safety / Crisis Information

The Nebraska Department of Education is in the process of unifying language for safety procedures across schools in the state. The procedures requiring action are called “Standard Response Protocol” and consist of 4 main actions—lockout, lockdown, evacuate, and shelter. According to NDE, the Standard Response Protocol “is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident.”

Here at school, we will be practicing drills based on these four actions and discussing ways to improve our response effectiveness and timing. If you come to school and see a sign on the door, it will give information and indicate the type of drill being practiced. Please don't be alarmed, and just know that we are practicing so that we can better protect our students.

**In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site will be the Methodist Church, 402 Summit Drive, Allen.**

In the case of an emergency, we would ask that parents and community members keep the following in mind:

Parents and relatives should **NOT** respond to the incident site (**school**) to allow public safety personnel time to respond to the incident.

Students will be released only to approved adults at the evacuation/reunification site (**Methodist Church**).

All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.

All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.

Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

2 We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do.

Because Ashley received congressional nominations, she can continue with the application process for the Air Force Academy and Naval Academy! Congratulations!!

Do you have a child who will be 4-years-old by July 31, 2021?

If you do, it is time to start thinking about Preschool.

The 2021/22 school year will be our tenth year of preschool in Allen.

Although it seems like all play, preschool also offers certain benefits to children to experience. These experiences include helping to boost cognitive and motor development, enhancing social skills, and increasing independence. A preschool education helps build a foundation of learning that will follow your child into his/her school years.

If you would like to enroll your child in preschool for the 2020/21 school year, please call the school for information. (402) 635-2484

## Library News

PK-4th grade students have been busy reading the 2021 Golden Sower picture book nominees and are participating in a "Battle of the Books" competition. Each week, a new picture book will be read and the students must decide to keep the book they picked the week before or choose the new book that was read. By early March, the students will have chosen their Golden Sower nominee and will vote for that chosen book to receive the Golden Sower picture book award for 2021!

With a generous donation that our library received, we were able to purchase all of the 2021 Golden Sower picture book, chapter book, and novel nominees! The 7th grade English students are currently reading some of the nominated chapter books and novels for a class project.

Students in PK-4th grade will continue to bring 2 books home each week. Those in grades 1st-4th grade will have one book within their individualized Lexile level and then can have any book of their choice. Lexile levels for students will be updated by the end of January as we are in midst of our winter testing session.

The ACS library is planning on hosting an in person book fair in mid-late February. Details and specifics will be released later. As of now, this fair will more than likely be limited to just students and staff within the building.

The competitive speech team was excited to begin our season with a virtual meet hosted by Wisner-Pilger on January 16. Ashley Kraemer earned 3rd place in Informative Speaking; her topic this year is "Ice Cream".

The 2020-21 Wolfpack cheerleading squad began learning new skills, chants, and 8-count dances during the summer months. With the help of Wayne State cheerleader, Brooklyn Bacon, the girls learned a lot of new material, quickly. With neither school having cheerleaders for quite a few years, there has been a lot of work to do, building the program from the ground up. The teams main job is to lead the fans in supporting the players on the court during timeouts and quarters with positive cheers, making it a fun environment for all! We hope to keep learning new ways to get the crowd involved and add to a growing list of cheers!

Back row: MacKenzie Liewer, Cheyenne Keil, and Brianna Novak

**Are you new to the Allen School District or have you had an addition to your family?**

The School District Census Report is a requirement from the Department of Education that is due every July for children ages 0 - 21 that reside in our school district. These numbers are used by the Nebraska Department of Education for state aid and for federal funding. This list is also used to invite children who are eligible to be enrolled in Pre-School and Kindergarten each spring.

If you are new to our district or know of anyone who is new to our district you are encouraged to contact the school to provide us information. State statute and board policy requires that the school district establishes a permanent, continuing census of all children age 0 - 21, and to maintain this census on yearly basis.
