School Closings and Delays

Information regarding school delays and closing can be found on all Sioux City TV and radio stations. There are many factors to consider before making the decision to cancel classes, to start late, or to dismiss early. First and foremost, is the safety of the students, faculty, parents, and staff. Such a decision is not taken lightly.

We will be communicating with other area schools and hopefully will make a decision as to a weather related two-hour late start or closing as soon as possible. Occasionally a decision can be made either for a two-hour late start or a closing the night before. In the case of severe weather please check the 10:00 pm Sioux City news for up-to-date late start and closing information.

Weather-related dismissals can also be found by going to the school website at www.allenschools.org and clicking on the School Closings or Delays buttons on the right side section of the front page.

The school will be continuing to use the ADT program where each family will be called about delays and closings, as well as continuing to use the push notifications from the **Allen Consolidated App** that can be found on the Google Play Store or the iTunes Store.

****make sure to allow push notifications when installing the app.****

Occasionally it may be necessary because of bad weather to have an early out. If this is the case every effort will be made to publicize the early out and contact parents. We do not want to have students home alone without prior parent approval.

A MESSAGE FROM THE SUPERINTENDENT

Snowball

I made myself a snowball
As perfect as could be,
I thought I'd keep it as a pet,
And let it sleep with me.
I made it some pajamas,
And a pillow for its head,
Then last night it ran away,
But first—it wet the bed!
—Shel Silverstein

I want to take this time to thank everyone associated with Allen Consolidated Schools and our community for their patience, grace, and support during this unprecedented year. I have found that at times we need to step back and laugh at some of the little things in life. I hope this poem made you laugh, chuckle, or even smile. I hope everyone has a happy holiday season and I am excited for how great Allen Consolidated Schools will be in 2021.

Michael Pattee, Superintendent

The Allen Consolidated Schools app is available in both the iTunes store and the Google Play Store. After the app is installed, you can receive push notifications to stay updated on school closings or changes to upcoming events. Push notifications alerts all users who have installed the app on a mobile device of new messages or changes to events even when the user is not actively using the App!!

Principal's Message:

I want to wish everyone a Happy New Year and hope that you had an enjoyable Christmas break! January can be a great time for reflecting back over the past year, as well as looking ahead to the new one. I would like to encourage parents and students to discuss how school has been going and make some goals for the new semester. Our first day back will be Monday, January 4, and students will be making a clean start in terms of grades. This is an excellent time to make sure they begin well! Perhaps they need to meet with a teacher and make a plan to improve their classroom performance. Late or missing homework can be a huge deterrent to success—now is the time to make sure our students stay on top of their work and do not get behind. Here at school, we will continue to keep parents updated by mail when a student has low grades, and we will be encouraging students to seek after-school help when needed. I try to post JH homework online every day (I miss a couple here and there!) so that parents can make sure students are completing assignments—just check the website for that link! Better communication between school and home can often help solve academic problems when they arise. By working together, hopefully everyone will have a successful second semester, both in and out of the classroom.

We are now in the middle of our winter activity schedule, and we have students who are busy with basketball, wrestling, quiz bowl, speech, art, band, FFA, and choir. We are also looking ahead to NSCAS and MAP testing this semester as well as the state mandated ACT test for all juniors. Our students are highly involved and working hard and we should be proud of the positive way in which they represent our school. They've been faced with obstacles, but they continue to compete and have shown fantastic resiliency and grit! As always, we thank you for your support and encouragement!

--Lana Oswald, 7-12 Principal

Safety / Crisis Information

The Nebraska Department of Education is in the process of unifying language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 4 main actions—lockout, lockdown, evacuate, and shelter. According to NDE, the Standard Response Protocol "is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

Here at school, we will be practicing drills based on these four actions and discussing ways to improve our response effectiveness and timing. If you come to school and see a sign on the door, it will give information and indicate the type of drill being practiced. Please don't be alarmed, and just know that we are practicing so that we can better protect our students.

In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site will be the Methodist Church, 402 Summit Drive, Allen.

In the case of an emergency, we would ask that parents and community members keep the following in mind:

Parents and relatives should **NOT** respond to the incident site (**school**) to allow public safety personnel time to respond to the incident.

Students will be released only to approved adults at the evacuation/reunification site (**Methodist Church**).

All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.

All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.

Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

2 We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do.

Allen Consolidated Schools Improves Student Safety with TIPS

Just a reminder: the TIPS reporting link is on the school website and can be used to allow the anonymous reporting of bullying, weapons, abuse, vandalism, suicide risks and other concerning behaviors that may have a negative effect on the school's learning environment. TIPS can also be used to report acts of kindness or other make positive comments in something called a Hero report.

How it works: if you are worried about friends, students or others, or if you witness concerning behaviors, simply go to the Allen School website (www.allenschools.org) and click on the TIPS REPORT INCIDENT button. Select the appropriate incident type, share the necessary details and then SUBMIT.

Once an incident report is made, the principal and designated staff members are immediately notified via email and can securely review the report details to begin coordinating an appropriate assessment and response. TIPS provides all team members with the right tools to track and document the actions taken, see related reports, set automated reminders, review past reports, check school policy, and connect the right dots so no students or incidents are overlooked.

Please keep in mind that due to confidentiality issues, it may not be possible for reporters to be informed on how their report was handled and/or how the situation was resolved.

Thank you for helping to keep our students safe!

National Education Week was to be November 16-20, but in Allen we celebrated it the month of December. A large poster in the commons featured Allen Staff as "normal" and the "new normal". Each staff member was featured with and without their masks. The game was to match up the staff member with their masked picture. Then a twist – all the pictures were mismatched and had to be sorted out to the correct placement. The next day, the students switched them around for others to re-do. Different arrangements and changes continued. It was a fun event for all. It is hard to distinguish someone with masks on, but they were doing a good job.

Thank you Allen Staff for a great year with challenging events. We have made it through 85 actual school days (sorry, not counting the snow day!).

Are you new to the Allen School District or have you had an addition to your family?

The School District Census Report is a requirement from the Department of Education that is due every July for children ages 0 - 21 that reside in our school district. These numbers are used by the Nebraska Department of Education for state aid and for federal funding. This list is also used to invite children who are eligible to be enrolled in Pre-School and Kindergarten each spring.

If you are new to our district or know of anyone who is new to our district you are encouraged to contact the school to provide us information. State statute and board policy requires that the school district establishes a permanent, continuing census of all children age 0 - 21, and to maintain this census on yearly basis.
