COUNSELOR'S OFFICE

College-prep resources to help you through COVID-19

If you need help with the college planning or financial aid processes during these unusual times, check out these resources:

Free help from EducationQuest – Even though our offices are temporarily closed, our college-planning specialists are available to help you. Contact the location nearest you for a free appointment via phone or computer.

Weekly Countdown2College emails for juniors & seniors – Sign up to stay on track to college.

Virtual campus tours – Since you can't visit college campuses right now, check out this list of Nebraska schools that provide virtual tours.

The college you plan to attend – Check the college's website for COVID-19 information, and contact the school if you have questions. Most colleges are providing one-on-one assistance via tools like Zoom, Skype, and FaceTime.

Seniors ... borrow wisely for college!

Review these tips before you decide how much to borrow in student loans:

Borrow only what you need, even if it's less than the amount offered in your award letter.

Try to use your student loan money *only* for tuition, room and board, books, and fees. Get a part-time job during college to pay other expenses.

Apply for financial aid each year you attend college by completing the FAFSA.

Continue to look for scholarships while you're in college.

Keep track of your student loan debt throughout college at nsls.ed.gov.

To learn more, read the EducationQuest Blog article: "What is This Student Loan on My Award Letter?" and see the "Paying for College" section at EducationQuest.org.

Juniors... here's your to-do list for May

Narrow your college choices to three or four. If you haven't visited your top choices, take a virtual tour.

Become familiar with the FAFSA (Free Application for Federal Student Aid). You and your parents can complete this form to apply for college financial aid on or after October 1.

Update your Activities Resume at EducationQuest.org. Include extracurricular activities, honors, awards, and part-time jobs.

Look for scholarships. Check out *ScholarshipQuest* at EducationQuest.org for Nebraska-based scholarships, and pay attention to scholarships current seniors have received.

Are you new to the Allen School District or have you had an addition to your family?

The School District Census Report is a requirement from the Department of Education that is due every July for children ages 0 - 21 that reside in our school district. These numbers are used by the Nebraska Department of Education for state aid and for federal funding. This list is also used to invite children who are eligible to be enrolled in Pre-School and Kindergarten each spring.

If you are new to our district or know of anyone who is new to our district you are encouraged to contact the school to provide us information. State statute and board policy requires that the school district establishes a permanent, continuing census of all children age 0 - 21, and to maintain this census on yearly basis.

Please contact Stephanie Sullivan or Becky Stapleton at (402) 635-2484

Or email: ssullivan1@allenschools.org or bstapleton@allenschools.org

The Allen Community Club is planning the community spring clean-up day on May 13, depending on the coronavirus quarantine at that time. More definite plans will be announced later in the Ponca and Wakefield newspapers.

Allen Consolidated Schools Improves Student Safety with TIPS

Just a reminder: the TIPS reporting link is on the school website and can be used to allow the anonymous reporting of bullying, weapons, abuse, vandalism, suicide risks and other concerning behaviors that may have a negative effect on the school's learning environment. TIPS can also be used to report acts of kindness or other make positive comments in something called a Hero report.

How it works: if you are worried about friends, students or others, or if you witness concerning behaviors, simply go to the Allen School website (www.allenschools.org) and click on the TIPS REPORT INCIDENT button under Quicklinks on the right side of the website. Select the appropriate incident type, share the necessary details and then SUBMIT.

Once an incident report is made, the principal and designated staff members are immediately notified via email and can securely review the report details to begin coordinating an appropriate assessment and response. TIPS provides all team members with the right tools to track and document the actions taken, see related reports, set automated reminders, review past reports, check school policy, and connect the right dots so no students or incidents are overlooked. **Please keep in mind that due to confidentiality issues, it may not be possible for reporters to be informed on how their report was handled and/or how the situation was resolved.**

Thank you for helping to keep our students safe!
