

SUPERINTENDENT'S CORNER

September is a busy month for the office of Superintendent and for the local school board. It is in September that schools are officially ending their fiscal year (August 31) and starting the new fiscal year (September 1). Also during this month a new budget is being adopted and tax levies are set. If you see a board member, please thank them for their hard work not only for the month of September but for everything they do. They are people who are truly dedicated to our school and to our children.

I would like to thank all the parents that attended parent teacher conferences last week. It is always exciting to see all of you and your children participate in this opportunity to communicate with teachers. I encourage all of you to be active participants in the educational process of your students. I would like to personally invite all of you to stop in our school at any time to come and visit with the teachers, staff, and administration. Studies have shown that when parents are involved in their child's education, students will benefit and experience a higher degree of success. When you come to visit the school the only thing that is required is that you stop in the front office and check in. Once you are done with your visit stop back in the office and sign out.

Other ways that parents can be involved in the educational process is by reviewing your child's progress on PowerSchool. If you do not have access to PowerSchool or the password, call the main office and we can help get you started on this great communication tool. Parents can also be involved by simply talking to their children about the activities they did in school, look at your child's assignment books, ask what their favorite part of the day was or if they have any major projects or tests coming up. If we all work together, we can produce successful students that will be able to compete in the global economy.

I would like to thank everyone for their continued support as we are fast approaching the end of the first quarter.

Michael Pattee, Superintendent

PRINCIPAL'S CORNER

Happy October! Fall is upon us and we have almost completed one full quarter of classes. Our seniors are off to a good start utilizing internship opportunities with "Fridays at Northeast" program, and/or online credit classes (juniors as well) through several colleges. Homecoming week was a great success and we had a good turnout for Parent-Teacher Conferences on Thursday, September 20th! It is always beneficial to have that time to communicate student progress with parents in a face-to-face setting and we appreciate your participation! If you were unable to attend, please make sure to contact your child's teachers and discuss his or her schoolwork. It is a good time to hear about the positive things kids are doing, and if there are any problems, taking care of them now can prevent larger problems in the future. We want to do everything possible to encourage students to make good choices and put forth their best effort.

Parents can check student grades at any time using their login and password for PowerSchool. If you need these, feel free to stop in the office or call at (402) 635-2484, and we can share those with you. The PowerSchool link can be found on the school website: <http://www.allenschools.org/>, or you can download the PowerSchool app on your phone—our district code is DBHQ. You can also keep up with school activities via the calendar which is available on the school website, and we have a link on the right side of the home page for the daily bulletin as well. We are committed to providing a multitude of communication opportunities for you!

As always, any time is a good time to contact teachers or administration with questions, and we look forward to the opportunity to visit with you throughout the year!

--Lana Oswald, 7-12 Principal

Attention JH PARENTS!

For Junior High core class assignments, please check out the website:

<http://new.schoolnotes.com/ljoswald/>

Our main goal is to get students to be responsible and use their planners or other device to track their assignments on their own, but it is nice to have somewhere to check to make sure their information is correct until it becomes a habit. In addition to posting homework online, I am meeting with 7th graders daily at the end of 5th period to go over these assignments

Allen Consolidated Schools Improves Student Safety with TIPS

Just a reminder: the TIPS reporting link is on the school website and can be used to allow the anonymous reporting of bullying, weapons, abuse, vandalism, suicide risks and other concerning behaviors that may have a negative effect on the school's learning environment. TIPS can also be used to report acts of kindness or other make positive comments in something called a Hero report.

How it works: if you are worried about friends, students or others, or if you witness concerning behaviors, simply go to the Allen School website (www.allenschools.org) and click on the TIPS REPORT INCIDENT button.

Select the appropriate incident type, share the necessary details and then SUBMIT.

Once an incident report is made, the principal and designated staff members are immediately notified via email and can securely review the report details to begin coordinating an appropriate assessment and response. TIPS provides all team members with the right tools to track and document the actions taken, see related reports, set automated reminders, review past reports, check school policy, and connect the right dots so no students or incidents are overlooked.

Please keep in mind that due to confidentiality issues, it may not be possible for reporters to be informed on how their report was handled and/or how the situation was resolved.

SPECIAL EDUCATION

Allen Consolidated Schools ensures that a free appropriate public education is available to all children with disabilities from birth through the high school year in which the student reaches 21 years of age, including children who have been suspended or expelled from school.

HANDICAPPED CHILDREN'S ACT

Allen Consolidated Schools requests your help in locating handicapped children. The school implements the Federal Handicapped Children's Act (PL 94-142) and Nebraska Statute which guarantees a free appropriate education program for all children between birth and 21 years of age.

If you have students or know of any young person who meets criteria please contact the Superintendent's Office.

COUNSELOR'S OFFICE

Seniors....

3 must-do-tasks for this fall!

1. Apply to your top college choices.

If your school participates in Nebraska's *Apply2College* campaign in October, you'll get help with your college applications during a school-day event. If not, [click here](#) to find a college application checklist and other helpful resources.

2. Create an FSA ID.

You and a parent must each create a username and password at fsaid.ed.gov that will serve as your Federal Student Aid (FSA) IDs for the Free Application for Federal Student Aid (FAFSA). You will each need your own email address to create an FSA ID.

3. Complete the FAFSA at fafsa.gov on or after October 1.

The FAFSA is your application for federal, state, and college-based financial aid. The colleges you list on the application will use that information to determine the types and amounts of financial aid they will award you.

Get FREE help from EducationQuest

Attend an EducationQuest [Financial Aid Program](#) this fall to learn about types of financial aid and the FAFSA. By attending, you can register to win a \$500 scholarship!

Find free [FAFSA Tools](#) at EducationQuest.org to help you prepare for and complete the FAFSA.

It is officially fall and that means that Seniors are in full swing of applying for college and looking for scholarships. I have met with each senior individually and they have been applying to several different colleges. Some of the best scholarships are merit based, which depends solely on ACT scores, class rank, and GPA. Students generally do not have to apply for these, but may be awarded a merit scholarship through information given on their college application. Please remind and encourage your student to look for additional scholarships in my office or on several scholarship websites. I am including some of the best websites: www.educationquest.org; www.fastweb.com; www.schoolsoup.com; www.fastaid.com; www.scholarship.com

Winning the scholarship game: Follow these tips to increase your chances of earning scholarships:

(1) Don't pay for scholarship services! Free resources include [ScholarshipQuest](#) at EducationQuest.org, your school counselor's office, and EducationQuest offices in Omaha, Lincoln, and Kearney.

(2) Focus on college-based and local scholarships. You're more likely to earn them over large national awards.

(3) Continually update your activities, honors, and volunteer or paid jobs using the [Activities Resume](#) at EducationQuest.org.

(4) Earn the best possible ACT/SAT scores by taking the exams in the spring of your junior year and again in the fall of your senior year.

(5) Use quality references such as a teacher, coach or counselor. Give them advance notice, a specific deadline, and a copy of your Activities Resume.

(6) Ask at least two people to proofread your application.

Before you attend a college fair visit www.NebraskaCollegeFairs.org to register for a barcode. Print or download the barcode to your smartphone to the fair so that college reps can scan it.

Date	Times	Location
October 3, 2018	1:00pm to 3:00pm	Fremont Area College Fair - Fremont High School, Fremont, NE
October 4, 2018	9:00am to 11:00am	Columbus Area College Fair, Central Community College

Meet with college reps at an Educational Planning Program

If you can't make it to a College Fair, attend an [Educational Planning Program \(EPP\)](#) at an area school. These "mini college fairs" feature state and regional colleges along with college planning information.

If you plan to attend an EPP, visit NebraskaCollegeFairs.org to register for a barcode. (EPP). Print and take that barcode to the fair so that college reps can scan it to retrieve your demographic information.

October "To Do" List

Juniors and Seniors:

- * Attend a College Fair or Educational Planning Program in your area.
- * Attend a Financial Aid Program.

Seniors:

- * Create an FSA ID for you and one for a parent. You'll need them for the FAFSA.
- * Complete the [FAFSA](#) on or after October 1.
- * Complete college applications. If your school is hosting an *Apply2College* event, participate!
- * Register by September 28 for the October 27 ACT.
- * Register by October 5 for the November 3 SAT.

Are you ready to Apply2College?

This fall, over 200 Nebraska high schools are holding *Apply2College* events during the school day to help seniors complete college applications.

COUNSELOR'S OFFICE

Student Mentoring will begin by the end of October. This involves many of our Juniors and Seniors mentoring an elementary student. It is a great way to build positive relationships and provides volunteerism and service for our high school students.

10th grade Career Day will take place on Oct. 16th at Wayne State College. The sophomores registered for various career tracks last spring. The students will attend up to 5 career sessions and enjoy lunch in the WSC cafeteria. This is a great opportunity for our students to learn about careers and spend a day on a college campus.

All sophomores will take the ASVAB (Armed Services Vocational Aptitude Battery) test on Oct. 24th. This is a free assessment that allows students to explore their strengths and weaknesses. The test is given to Juniors and Seniors interested in the military, but for our sophomores their scores cannot be released to the military and the assessment is only used as a career planning tool.

Red Ribbon Week will be celebrated Oct 23-31st!

PSAT testing for
all Juniors who
are interested.
October 10th

It's FAFSA time!

Beginning October 1, you and your parents can complete the 2019-20 FAFSA (Free Application for Federal Student Aid). The FAFSA is the application for state, federal, and college-based financial aid.

Follow these tips to prepare:

Create a Federal Student Aid (FSA) ID for you and one for a parent at fsaid.ed.gov. You and a parent will each need an FSA ID to access and sign the FAFSA.

Attend an EducationQuest Financial Aid Program (FAP) to learn about the FAFSA and the financial aid process. If you attend, *you'll be eligible to register for a \$500 scholarship!* FAPs are happening at high schools across the state. [Click here](#) for dates and locations.

Review the FAFSA Checklist at EducationQuest.org to determine items you'll need to complete the FAFSA.

See FAFSA Tools at EducationQuest.org for helpful resources.

Be a Volunteer!

Becoming a school volunteer can be one of the most rewarding experiences in life. Sharing a special talent, reading a book to a student, assisting the school librarian, helping to put up an interesting bulletin board for the classroom teacher, or helping chaperone on a field trip are all ways that one can serve as a school volunteer. Volunteers are made up of parents, grandparents, business people, retirees, high school students, and other community members. They can volunteer on a regular basis or on special occasions. If you would like to volunteer please call the school at (402) 635-2484.

The school will be hosting a Veterans Day Breakfast at 7:30 a.m. -8:10 a.m. on Friday, Nov. 9, 2018

ALL VETERANS and spouses and all current service members and spouses are invited. A program will follow to honor the true American Heroes. Please take a few minutes out of your day to show respect to those who have put their lives on hold, to ensure we do not have too.

If you know of a veteran or service member who has not been publicly honored with a plaque during the past three years, please get that information to: Megan Kumm, Sara Kumm, Richard Puckett or Dave Uldrich.

Information necessary would be: Name, Branch served, Years of service and rank. If the veteran or current service member has relation in the school, please note that when notifying us.

We hope to see you there,
Dave Uldrich

Nurse's Notes

Asthma/Allergies

Students with asthma or severe allergies need to complete a "Student Asthma/Allergy Action Plan." These forms are available on the school webpage or can be picked up from school. On the website, click on "School Forms" and click again on "Health Forms." Then you can choose the "Student Asthma/Allergy Action Plan." These forms do need a Doctor signature, but they can be faxed to the doctor instead of making an appointment. I can fax them for you, if you provide me with the doctor's name who prescribes the medicine your child takes. Your child may carry their asthma inhaler/Epi-pen, but it is recommended that a back-up inhaler/Epi-pen be kept in the school office. Please complete these forms and return them to school as soon as possible. If you have any questions, you can email me at aborg@allenschools.org.

Health Screenings

Annual school health screenings are in progress. All students will have a basic vision screening, oral/teeth exam, and height and weight taken. Other screenings that may be done based on age/grade are examinations of the ears and blood pressures. A letter will be sent to parents to notify you of any abnormal findings on these exams.

Library News

Pizza Hut Book It will officially kick off this month! Students will be assigned a reading goal in order to earn free pizza coupons from Pizza Hut each month. Students will receive a calendar to keep track of their monthly reading goals. At the end of the month, students will bring their completed calendars to Mrs. Anderson to receive a free pizza coupon.

Student progress will be displayed on a bulletin board outside of the library. This year, our theme is Pirates with the slogan “We Argh Readers”. After reaching their reading goal each month, students will progress to a different Pirate scene which will be displayed on our library bulletin board in the elementary hallway.

During our elementary library time this month, we will focus finding just the right book according to student’s Lexile level. During library time, students will choose any book they would like to read along with a book on their independent reading level. Elementary students will learn how to find a book in our library based upon topic, a specific title, or certain author.

Our entire school library collection can be searched on the web. Don’t forget to check-out our school’s online library catalogue at: www.allenschools.follettdestiny.com

You can also visit our school’s website at www.allenschools.org and find a quick link to the library website on the right-hand side of the front page.

Elementary Computer Classes:

Kindergarten and 1st graders have been busy learning the basic parts of a Chromebook and how to use them correctly. Our main focus has been learning how to use the mouse pad correctly and with ease in order to navigate and select items while playing educational games related to required learning skills. This month, we will focus on learning basic typing skills such as good posture, hands on home row, and eyes on the screen rather than on our typing fingers.

2nd-4th graders have focused on basic chrome book use focusing on using the school’s website and online library programs. During October, these students will move into more lessons regarding typing form, speed, and accuracy as well as learning to create and type within certain types of documents. Specifically, these documents will be created using Google Docs.

 **OCTOBER IS**
domestic violence awareness month

1 in 3 women and 1 in 4 men
experience intimate partner
physical violence, intimate
partner sexual violence, and/or
intimate partner stalking in
their lifetime.

Haven House is a local agency which offers **free**
and confidential services to those affected by
domestic violence, sexual assault,
dating violence, and stalking.
