On September 20th we held our parent teacher conferences for the first semester. If you did not have an opportunity to visit with your child’s teacher(s), please call or e-mail for an update on how your child is progressing so far this year. We had 74% of our parents participate in parent-teacher conferences for students in Pre-School through 12th grade. Thank you to all who attend and your continued support for our school!

Information regarding school delays and closing can be found on all Sioux City TV and radio stations. There are many factors to consider before making the decision to cancel classes, to start late, or to dismiss early. First and foremost, is the safety of the students, faculty, parents, and staff. Such a decision is not taken lightly.

We will be communicating with other area schools and hopefully will make a decision as to a weather related two-hour late start or closing as soon as possible. Occasionally a decision can be made either for a two-hour late start or a closing the night before. In the case of severe weather please check the 10:00 pm Sioux City news for up-to-date late start and closing information. Weather-related dismissals can also be found by going to the school website at www.allenschools.org and clicking on the Siouxland Matters Weather Closings and Delays button, the KMEG 14 & Fox 44 School Closings button, or the KTIV Winter Delays and Closings buttons on the right side section of the front page.

The school will be continuing to use the ADT program where each family will be called about delays and closings, as well as continuing to use the push notifications from the **Allen Consolidated App** that can be found on the Google Play Store or the iTunes Store.

****make sure to allow push notifications when installing the app.****

Occasionally it may be necessary because of bad weather to have an early out. If this is the case every effort will be made to publicize the early out and contact parents. We do not want to have students home alone without prior parent approval.

PRINCIPAL'S CORNER

Happy autumn! It is difficult to believe it is already November, the first quarter is complete, and we are looking ahead to Christmas. Report cards have been mailed, and honor roll announced. In the meantime, check the school website to see the full honor roll list. We have a large number of students who excel academically, and we want to give them a hand for their efforts!

At this time, our fall activity season is also drawing to a close, and I would like to congratulate all of our students and sponsors for representing our school so well. Our athletes have competed hard this fall, the band has a few marching events under its belt, FFA members have competed successfully at several events, and the One Act team is gearing up for conference and district competition as well. Hopefully our students have experienced life-long learning lessons from their participation that will serve them well later on. This past month eight students—Kaitlyn Beach, Katie Bathke, Brock Floyd, Ashley Kraemer, Lukas Oswald, Diana Rivera, and Alyssia Strivens--auditioned for All State Chorus and deserve recognition as that process involves a lot of time, commitment and hard work! This year, Allen will be represented at the NMEA performance in Lincoln on Friday, November 16th at 4:30 pm at the Lied Center by Kaitlyn Beach, daughter of Jaclyn and Chris Beach, and Candice and Brian Hansen; Brock Floyd, son of Jamie and Corey Floyd; and Lukas Oswald, son of Dawn and Curtis Oswald. All of these students worked extremely hard and deserve a big "Congratulations!"

As in past years, our sophomores are spending time this fall going through an ACT preparatory series designed to help students increase test scores. This program is available to our students with the help of ESU 1 in Wakefield, and our juniors will be participating in the same program next spring. The goal of the program is to help students improve their ACT scores and then as the program's motto states: "get into the best college at the lowest cost!"

Finally, I would just like to encourage parents to continue helping your child make good decisions. We appreciate your support and cooperation here at school. If there is a problem, we need to communicate and work as a team to solve the problem and move forward. By working together we can make this a great school year for all of our students!

--Lana Oswald, 7-12 Principal

Attention JH PARENTS!

For Junior High core class assignments, please check out the website:

<http://new.schoolnotes.com/ljoswald/>

Our main goal is to get students to be responsible and use their planners or other device to track their assignments on their own, but it is nice to have somewhere to check to make sure their information is correct until it becomes a habit. In addition to posting homework online, I am meeting with 7th graders daily at the end of 5th period to go over these assignments.

Allen Consolidated Schools Improves Student Safety with TIPS

Just a reminder: the TIPS reporting link is on the school website and can be used to allow the anonymous reporting of bullying, weapons, abuse, vandalism, suicide risks and other concerning behaviors that may have a negative effect on the school's learning environment. TIPS can also be used to report acts of kindness or other make positive comments in something called a Hero report.

How it works: if you are worried about friends, students or others, or if you witness concerning behaviors, simply go to the Allen School website (www.allenschools.org) and click on the TIPS REPORT INCIDENT button. Select the appropriate incident type, share the necessary details and then SUBMIT.

Once an incident report is made, the principal and designated staff members are immediately notified via email and can securely review the report details to begin coordinating an appropriate assessment and response. TIPS provides all team members with the right tools to track and document the actions taken, see related reports, set automated reminders, review past reports, check school policy, and connect the right dots so no students or incidents are overlooked. **Please keep in mind that due to confidentiality issues, it may not be possible for reporters to be informed on how their report was handled and/or how the situation was resolved.**

Thank you for helping to keep our students safe!

Be a Volunteer!

Becoming a school volunteer can be one of the most rewarding experiences in life. Sharing a special talent, reading a book to a student, assisting the school librarian, helping to put up an interesting bulletin board for the classroom teacher, or helping chaperone on a field trip are all ways that one can serve as a school volunteer. Volunteers are made up of parents, grandparents, business people, retirees, high school students, and other community members. They can volunteer on a regular basis or on special occasions. If you would like to volunteer please call the school at (402) 635-2484.

The school will be hosting a

Seniors.... A reminder of what to do this fall

1. Complete the Free Application for Federal Student Aid (FAFSA)

- ◇ Review our [FAFSA Checklist](#) for a list of items to gather before you start the form.
- ◇ Complete the FAFSA at fafsa.gov. You may also complete it via the new myStudentAid app for iOS and Android.

For *free* help with the FAFSA, see [FAFSA Tools](#) at EducationQuest.org or call EducationQuest to make an appointment: Omaha – 888.357.6300, Lincoln – 800.303.3745, Kearney – 800.666.3721, or Scottsbluff – 800.303.3745, ext. 6654.

2. Apply to your top college choices

- ◇ If you attend one of nearly 200 Nebraska high schools holding *Apply2College* events this fall, you'll get help (or already have) with your applications. They will award you.

3. Retake the ACT and/or SAT

- ◇ Colleges use your best scores for college admission and scholarships.

4. Get serious about applying for scholarships.

- ◇ See [ScholarshipQuest](#) at EducationQuest.org for Nebraska-based scholarships and a list of national search sites.

Are you ready to Apply2College?

This fall, over 200 Nebraska high schools are holding *Apply2College* events during the school day to help seniors complete college applications.

Juniors.... Start researching colleges

If you narrow your college choices by the end of your junior year, your senior year will be less stressful. Here's how to get started:

1. **Review *College Profiles*** at EducationQuest.org for information about colleges in Nebraska and across the country. If you're interested in an out-of-state school, check out the Midwest Student Exchange Program to learn about tuition discounts.
2. **Meet with college representatives** who visit your school, and then visit the websites of the colleges that interest you to learn more about the schools.
3. **Once you've narrowed your choices, schedule campus visits.** Try to visit in the spring of your junior year while colleges are still in session.

For more tips, see the Selecting a College section at EducationQuest.org.

You app-solutely need this to stay on track to college!

EducationQuest's new app will give you easy access to tools like *Activities Resume*, *College Profiles*, *College Timeline*, *Reality Check*, and *ScholarshipQuest*. There's also a calendar that will guide you through college-planning steps - and you can personalize it with your own tasks.

Download the app and encourage your friends to do the same!

It's FAFSA time!

Beginning October 1, you and your parents can complete the 2019-20 [FAFSA](#) (Free Application for Federal Student Aid). The FAFSA is the application for state, federal, and college-based financial aid. Follow these tips to prepare:

Create a Federal Student Aid (FSA) ID for you and one for a parent at fsaid.ed.gov. You and a parent will each need an FSA ID to access and sign the FAFSA.

Attend an EducationQuest Financial Aid Program (FAP) to learn about the FAFSA and the financial aid process. If you attend, *you'll be eligible to register for a \$500 scholarship!* FAPs are happening at high schools across the state.

Review the [FAFSA Checklist](#) at EducationQuest.org to determine items you'll need to complete the FAFSA.

See [FAFSA Tools](#) at EducationQuest.org for helpful resources.

~ Area Land Judging @ Oakland ~

Red Ribbon: Isaac Verzani

White Ribbon: Jacob Anderson and Mitchell Fischer.

There are 21 high school students involved in One Act this year. The group attended Black Shirt Drama Day at Wayne State on Tuesday, October 23rd where they learned stage combat, creative dramatics, and bold choices on stage. The first performance will be at Wynot on November 3rd. **The public is invited to a choice of two performances in the school gym: Thursday, Nov. 8th @ 7pm and Wednesday, Nov. 21st @ 1:10pm.**

This year's selection entitled, "Dark Road," is a serious performance set in Nazi Germany toward the end of WWII, and deals with emotional and adult themes such as bullying, violence, and an individual's choice between good and evil. Due to the seriousness of this selection, we have decided NOT to have our K-6 grade students attend the matinee on Nov. 21st, but would ask that parents consider attending the public performance with their upper elementary students and using it as a learning opportunity. Thank you!

One month down for Pizza Hut Book It! Students have been reading hard and many of them have earned certificates for a free personal pan pizza at Pizza Hut! Students who have reached their reading goal also have earned a spot on the Book It bulletin board. Thank for your encouraging your child to read their goal minutes each day at home. Remember, the goals are set by minute, not by book. If your child reads for example 10 minutes at home one evening, they can color in the picture for that date on their calendar.

Elementary Technology classes will continue to focus on basic mouse skills (K-1st) as well as exploring educational iPad apps. Typing will be a main focus for the 2nd-4th grade classes this second quarter. This month but we will venture out and begin grade level appropriate projects based on skills learned during the first quarter of school. Projects will be organized and arranged to be finished up by the end of the second quarter. It will be a very busy time for us and I am hoping to get much accomplished now that we have some of the basics out of the way.
