November 2020 Edition

A MESSAGE FROM THE SUPERINTENDENT

Congratulations to all individuals currently participating in extra-curricular activities this fall! Late October and early November is a busy time of year with conference tournaments under way and regular season events winding down. Please continue to support all of our students in the extra-curricular activities at Allen. To stay current with the latest updates on activities, events and day-to-day news, log on to the school's website at www.allenschools.org. The website houses current and pertinent information all within one location. Take advantage of this resource to support our students and staff and to learn about upcoming events at school. We always welcome your feedback! If you have suggestions on how to make the webpage more beneficial for parents and community members, please let us know.

The administration and staff have appreciated all the support that we have received from parents and guardians during this first quarter of the school year. This year has proven to be both challenging and fulfilling. I want to take this opportunity to reiterate and remind you of practices and procedures that were started at the beginning of the school year and remain in place:

- Temperatures/Symptoms/Monitoring – We will need the help and support of the parents to take their child's temperature in the morning, monitor for symptoms or signs of sickness, and keep their children home when they are not feeling well.
- Students should not arrive at school prior to 7:45 a.m.
- Lockers will not be used at the Elementary, students should only bring necessary items in their backpacks for daily use.
- Communication – We will expect families to communicate openly and honestly with the school to help support the health and safety of all of our students and staff.
- Visitors at School – We will be restricting outside visitors to our buildings for the time-being. That includes parents picking up students.
- Mask need to be worn while in the school building.

As a school we will continue to do our best to physically keep school open, we will communicate as quickly and efficiently as possible with all of the parents and guardians. With the fluidity of COVID-19 and how quickly information comes into the school we do not always have the luxury of time when it comes to communication or planning. We will do our best to keep everyone updated if and or when situations occur in the school without violating the privacy of individuals who may be sick. We will also do our best to give as much warning as possible if we must move to different stages of our school opening plans.

Michael Pattee, Superintendent

The Allen Consolidated Schools app is available in both the iTunes store and the Google Play Store. After the app is installed, you can receive push notifications to stay updated on school closings or changes to upcoming events. Push notifications alerts all users who have installed the app on a mobile device of new messages or changes to events even when the user is not actively using the App!!

Principal's Message:

Happy autumn! It is difficult to believe it is already November, the first quarter is complete, and we are looking ahead to Christmas. First quarter report cards have been mailed, and honor roll announced.

Please check this newsletter or the school website to see the full honor roll list. We have a large number of students who excel academically, and we want to give them a hand for their efforts! Special congratulations go to Ashley Kraemer and Kobe Kumm who were recently chosen as area school winners for the Believers and Achievers NSAA award!

At this time, our fall activity season is also drawing to a close, and I would like to congratulate all of our students and sponsors for representing our school so well. Our athletes have competed hard this fall, our band and choir students are hard at work, FFA members have competed successfully at several events, and the One Act team is gearing up for conference and district competition as well. Hopefully our students have experienced life-long learning lessons from their participation that will serve them well later on. All of these students worked extremely hard and deserve a big "Congratulations!"

As in past years, our sophomores are spending time this fall going through an ACT preparatory series designed to help students increase test scores. This program is available to our students with the help of ESU 1 in Wakefield, and our juniors will be participating in the same program next spring. The goal of the program is to help students improve their ACT scores and then as the program's motto states, "get into the best college at the lowest cost!"

Finally, I would just like to encourage parents to continue to help your child make good decisions. We appreciate your support and cooperation here at school. If there is a problem, we need to communicate and work as a team to solve the problem and move forward. By working together we can make this a great school year for all of our students!

--Lana Oswald, 7-12 Principal

Safety / Crisis Information

The Nebraska Department of Education is in the process of unifying language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 4 main actions—lockout, lockdown, evacuate, and shelter. According to NDE, the Standard Response Protocol "is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

Here at school, we will be practicing drills based on these four actions and discussing ways to improve our response effectiveness and timing. If you come to school and see a sign on the door, it will give information and indicate the type of drill being practiced. Please don't be alarmed, and just know that we are practicing so that we can better protect our students. **In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site will be the Methodist Church, 402 Summit Drive, Allen.**

In the case of an emergency, we would ask that parents and community members keep the following in mind:

Parents and relatives should **NOT** respond to the incident site (**school**) to allow public safety personnel time to respond to the incident.

Students will be released only to approved adults at the evacuation/reunification site (**Methodist Church**).

All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.

All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.

Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do.

Thank you!

HANDICAPPED CHILDREN'S ACT

Allen Consolidated Schools requests your help in locating handicapped children. The school implements the Federal Handicapped Children's Act (PL 94-142) and Nebraska Statute which guarantees a free appropriate education program for all children between birth and 21 years of age. If you have students or know of any young person who meets criteria please contact the Superintendent's Office.
(402) 635-2484

SPECIAL EDUCATION

Allen Consolidated Schools ensures that a free appropriate public education is available to all children with disabilities from birth through the high school year in which the student reaches 21 years of age, including children who have been suspended or expelled from school.

November "To Do" List

Seniors... complete these tasks in November to stay on the path to college:

1. Complete the FAFSA.
2. Apply to your top college choices.
3. Register by Nov 5 for the Dec 5 SAT.
4. Register by Nov 6 for the Dec 12 ACT.

Juniors... complete these tasks.

1. Research colleges that interest you.

Be a Volunteer!

Becoming a school volunteer can be one of the most rewarding experiences in life. Sharing a special talent, reading a book to a student, assisting the school librarian, helping to put up an interesting bulletin board for the classroom teacher, or helping chaperone on a field trip are all ways that one can serve as a school volunteer. Volunteers are made up of parents, grandparents, business people, retirees, high school students, and other community members. They can volunteer on a regular basis or on special occasions. If you would like to volunteer please call the school at (402) 635-2484.

- Highly Qualified Teachers -

This is a notification to all parents that information can be requested regarding the professional qualifications of the teachers at Allen Consolidated Schools. If your student will be taught by a teacher not meeting ESEA/NCLB requirements the school will provide notice.

Seniors. . . A reminder of what to do this fall!

There's a LOT going on right now with the financial aid and college admission processes, but don't get overwhelmed. Here's a recap of tasks you should complete this fall to stay on track to college.

Complete the FAFSA

- First, create a Federal Student Aid Account (FSA ID) for you and one for a parent at www.studentaid.gov. You'll need the user names and passwords to access and sign the FAFSA.
- Review the FAFSA checklist for items to gather before you start the form.
- Complete the FAFSA at www.studentaid.gov.
- If you need guidance on how to complete the form, register to attend a FAFSA Tutorial Webinar.
- For *free* help with the FAFSA, see FAFSA Tools at www.EducationQuest.org or call the EducationQuest location nearest to you to make a virtual appointment.

Apply to your top college choices. Narrow your college choices to 3 or 4 by visiting college booths at the EducationQuest Virtual College Fair and during campus visits. The live fair is over, but you can still register and login to visit college booths and watch recorded college-prep sessions.

Retake the ACT and/or SAT. Some colleges will use your best score for admission and scholarships.

Get serious about applying for scholarships. See ScholarshipQuest at www.EducationQuest.org for Nebraska-based scholarships and a list of national search sites.

Juniors. . . Start researching colleges

If you narrow your college choices by the end of your junior year, your senior year will be less stressful. Here's how to get started:

- Review college profiles at www.EducationQuest.org to learn about colleges in Nebraska and across the country. If you're interested in an out-of-state school, check out the Midwest Student Exchange Program to learn about tuition discounts.
- Check out the EducationQuest Virtual College Fair. The live fair is over, but you can still register and login to visit college booths and watch recorded college-prep sessions.
- Once you narrow your choices, schedule campus visits. Try to visit in the spring of your junior year while colleges are in session. Or go to www.educationquest.org/covid-19-resources-colleges/ for virtual college visits.
- For more tips, see the Finding the Right Fit section at www.EducationQuest.org

Allen Consolidated Schools Improves Student Safety with TIPS

Just a reminder: the TIPS reporting link is on the school website and can be used to allow the anonymous reporting of bullying, weapons, abuse, vandalism, suicide risks and other concerning behaviors that may have a negative effect on the school's learning environment. TIPS can also be used to report acts of kindness or other make positive comments in something called a Hero report.

How it works: if you are worried about friends, students or others, or if you witness concerning behaviors, simply go to the Allen School website (www.allenschools.org) and click on the TIPS REPORT INCIDENT button. Select the appropriate incident type, share the necessary details and then SUBMIT.

Once an incident report is made, the principal and designated staff members are immediately notified via email and can securely review the report details to begin coordinating an appropriate assessment and response. TIPS provides all team members with the right tools to track and document the actions taken, see related reports, set automated reminders, review past reports, check school policy, and connect the right dots so no students or incidents are overlooked.

Please keep in mind that due to confidentiality issues, it may not be possible for reporters to be informed on how their report was handled and/or how the situation was resolved.

Thank you for helping to keep our students safe!

Giving Tree

This year, we will continue the Giving Tree tradition.

With health restrictions in place, it will look different this year. If you are interested in donating a gift, please contact Mrs. Kneifl at school via phone or email. She will have a list of items to be purchased and can relay those items to you. This will eliminate the need for people coming to the school to get tags from the tree. The list will be ready on Wednesday, November 18th.

If you and your family are in need of receiving gifts for Christmas this year, please contact Mrs. Kneifl by Friday, November 13th. Be prepared to supply a list and if requesting clothing/shoes, please have those sizes available.

The gifts will be ready for pickup or delivery on Monday, December 14th. If you are receiving gifts, you will need to contact Mrs. Kneifl and meet her at the front door or she can also deliver them to your house.

As always, we appreciate the enormous generosity of our community! It can be a difficult time of year for families and this allows our children to receive much needed gifts during the holiday season!!

Thank you in advance for your help and kindness!

FFA NEWS

Land Judging is a high school competition that challenges students to gain a better understanding of soil structure and land evaluation. Land

Judging enables each participant to learn how to recognize the physical features of the soil, determine the land capability for crop production and evaluate management practices needed for proper stewardship of the land. *Results are as follows:*

Blue Ribbons: 45th – Caidan Gregg, 46th – Dillon Borg (W)

Red Ribbons: 124th – Michael Dickens

White Ribbons: Michell Fischer (W), Cole Woodward, Kaleb Kumm, and Devon Hoelsing.

Nebraska FFA is dedicated to making a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through Agricultural Education. The Advisor for the Allen – Wakefield FFA Chapter is Mr. Josh Batenhorst.

VETERANS DAY

Due to COVID there will **NOT** be a Veterans Day Program or breakfast held at the school this year.

We at Allen Consolidated Schools are very disappointed and regret, that we cannot host our annual Veterans Day Breakfast and Program as we have done the past several years. The “invisible enemy”, labeled Covid-19 has made keeping our Veterans and student body at risk, separated, and unable to meet and hold this wonderful annual event.

Veterans and current service members please know that you will be in our thoughts and prayers for your bravery, sacrifice, and selflessness during your service as well as those currently serving our great country on November 11th. Let us also remember those who made the ultimate sacrifice, falling in the line of duty for defending our freedoms and people’s freedoms throughout the world.

Americans should feel a sincere gratitude for your protection of their basic rights that we sometimes take for granted. In an election year, veterans have protected our basic freedom to vote for our leadership, the right to receive an education in our school building, to worship the faith of choice, to speak our minds in whatever manner we choose. Those are just a few things we take for granted. One would have to wonder and imagine what life could be like without them! Count your blessings and thank a Veteran or current service member!

I would like and encourage everyone in our school and community to reach out to a veteran or current service person on Veterans Day and say “thank you” for your service. Facebook, phone call, text message, snap chat, or even face to face (if possible). We hope that in the spring, we can hold a “drive through” hamburger feed for our local Veterans and spouses.

On a personal note. I would like to thank the American Legion Floyd Gleason Post 131 for the nomination and selection for American Legion Teacher of the Year in Nebraska. I am humbled by your consideration, nomination and kind words. Thank you to every single one of you! I was taken by the award. You all are my heroes.

CLASS OF 2021 SENIOR PICTURES

The school needs two colored glossy billfold size portraits or a digital photo copy of each senior by January 11, 2021.

Guidelines for these pictures are enclosed in the students’ packets or can be obtained by contacting the annual staff.

The 2019-2020 annuals will be on sale for \$25.

If you have not purchased an annual and would like one, please contact the school.

The **Box Tops for Education** has changed. No more clipping. No more sending Box Tops to school. All you need is your phone. Download the ALL-New Box Top app, shop as you normally would then simply scan your store receipts to find participating products. The app will automatically credit your school’s Box Tops earnings online. Our school will receive a check that can be used to by items that are needed.

Library News

Due to Covid-19 and the cancellation of our in-person Fall Scholastic Book Fair, we are in the process of scheduling an online only book fair. This will begin in early November. Check www.allenschools.org for updates.

Students in 2nd-4th grades have been able to access their most current Lexile reading levels and are choosing at least one book a week on that level. Books in your child's Lexile reading level are those books that your child should be able to read fairly independently and fluently. They should also be able to comprehend what they are reading when they read books on their level. Students in PK-1st grade are still able to choose books of their choice that they can enjoy at home with their families.

Thank you for your help in reading with your child! Reading to your children is one of the greatest ways to help them be successful at school!

There are key resources for older students located on our school's website www.allenschools.org, under the library tab. Ebscohost is the most beneficial for older students who are working on research projects or papers. Be sure to check those out!

Callie Anderson,
Media Specialist / Librarian

The One-Act has been hard at work memorizing lines and blocking scenes to prepare for upcoming performances. Students have been flexible with moving practice locations (wrestling room to bus barn to band room) and waking up early to put the piece together.

Make plans to watch our presentation of "The Quest for Treasure Island" by Murray J. Rivette on Tuesday, November 24 at 7 pm in the school gym.

Congratulations to
**Kobe Kumm and
Ashley Kraemer**

for being chosen for the Believers & Achievers Award which is a statewide awards program that recognizes Nebraska's future leaders, and is sponsored by the Nebraska Schools Activity Association and U.S. Banks®.

Information regarding school delays and closing can be found on all Sioux City TV and radio stations. There are many factors to consider before making the decision to cancel classes, to start late, or to dismiss early. First and foremost, is the safety of the students, faculty, parents, and staff. Such a decision is not taken lightly.

We will be communicating with other area schools and hopefully will make a decision as to a weather related two-hour late start or closing as soon as possible. Occasionally a decision can be made either for a two-hour late start or a closing the night before. In the case of severe weather please check the 10:00 pm Sioux City news for up-to-date late start and closing information.

Weather-related dismissals can also be found by going to the school website at www.allenschools.org and clicking on the School Closings or Delays buttons on the right side section of the front page.

The school will be continuing to use the ADT program where each family will be called about delays and closings, as well as continuing to use the push notifications from the **Allen Consolidated App** that can be found on the Google Play Store or the iTunes Store.

****make sure to allow push notifications when installing the app.****

Occasionally it may be necessary because of bad weather to have an early out. If this is the case every effort will be made to publicize the early out and contact parents. We do not want to have students home alone without prior parent approval.

The 2nd Graders are proud that they PREDICTED a win for the homecoming football game! They won the Elementary Door Contest!

**Are you new to the Allen
School District or have
you had an addition to
your family?**

The School District Census Report is a requirement from the Department of Education that is due every July for children ages 0 - 21 that reside in our school district. These numbers are used by the Nebraska Department of Education for state aid and for federal funding. This list is also used to invite children who are eligible to be enrolled in Pre-School and Kindergarten each spring.

If you are new to our district or know of anyone who is new to our district you are encouraged to contact the school to provide us information. State statute and board policy requires that the school district establishes a permanent, continuing census of all children age 0 - 21, and to maintain this census on yearly basis.

Please contact Stephanie Sullivan or
Becky Stapleton at (402) 635-2484

Or email: ssullivan1@allenschools.org or

1950-present**

It has been five years since the last community birthday/anniversary calendar was published.

If your personal birthday and anniversary information was incorrect in that calendar, if you are new to the community, and/or if you **do not** have children in school, please contact:

Marcia Rastede, (402) 635-2214
with that updated information.

The calendars will be available for purchase for \$5 in December.
