SUPERINTENDENT'S CORNER

We have our first full week in the books and so far everything has gone very smoothly. The staff has been working hard getting the students geared up for another year at Allen. We appreciate all the support and help we have been given from the community and the families in our district. We welcome everyone to come and visit the school and see the great things that are going on in our classrooms. The only stipulation we have is that you sign up in the main office and receive a visitors badge when you come.

Make sure that we continue to turn in the beginning of the year paper work so that we can have the most up to date information in the files of our students. If you have any more paperwork at home just send it to school with your student and they can turn it into the main office. If we do not have your paperwork you will be receiving a letter highlighting the information that the office is missing.

Fall contests are just around the corner. Make sure that we support our students on the football field, the volleyball court, and in the marching band in positive ways. Cheer for good plays and let them know that they will always have our support when they are struggling. Please treat coaches and officials the same way that we would want to be treated and realize that everybody is doing the best job that they can do.

If you have any questions or concerns please stop in the office or call. Just a reminder that parent teacher conferences are September 21st. We would love to have a chance to visit with all of our parents.

Allen Consolidated Schools Improves Student Safety with TIPS

Just a reminder: the TIPS reporting link is on the school website and can be used to allow the anonymous reporting of bullying, weapons, abuse, vandalism, suicide risks and other concerning behaviors that may have a negative effect on the school's learning environment. TIPS can also be used to report acts of kindness or other make positive comments in something called a Hero report.

How it works: if you are worried about friends, students or others, or if you witness concerning behaviors, simply go to the Allen School website (www.allenschools.org) and click on the TIPS REPORT INCIDENT button. Select the appropriate incident type, share the necessary details and then SUBMIT.

Once an incident report is made, the principal and designated staff members are immediately notified via email and can securely review the report details to begin coordinating an appropriate assessment and response. TIPS provides all team members with the right tools to track and document the actions taken, see related reports, set automated reminders, review past reports, check school policy, and connect the right dots so no students or incidents are overlooked.

Please keep in mind that due to confidentiality issues, it may not be possible for reporters to be informed on how their report was handled and/or how the situation was resolved.

PRINCIPAL'S CORNER

Allen students kicked off the 2017-18 school year on Wednesday, August 16, and we now have our first full week of school firmly under our belts. The entire staff has been working hard to get ready for the new school year, and it has been exciting to see both new and familiar faces fill the hallways.

Fall sports activities are also about to resume, with the opening Wisner-Pilger-Pender volleyball tournament beginning on Thursday, August 31, and our first football game at O'Neill St. Mary's on Friday, August 25. Prices for games this year are again \$5 for adults and \$4 for student and yearly activity passes are available in the office for \$240 family, \$120 couple, \$60 individual, and Golden Eagle Senior passes for \$40 individual and \$75 couple. Let's come out and support our players with Eagle spirit, and also make sure we treat coaches, officials, and all players the way that we would want to be treated! In addition, we would like to invite you to send us your pictures from school events so that we can post them on the school website! Please send pictures to Deb McGrath at dmcgrath@esu1.org.

If you have any questions or concerns, please feel free to stop in the office or call. Parent-teacher conferences are scheduled for Thursday, September 21, from 3:00 to 7:00 pm with an early out at 1:50 pm that day. We would love to have a chance to visit with all of our parents!

Attention JH PARENTS!

ATTENTION!

For Junior High core class assignments, please check out the website:

<http://new.schoolnotes.com/ljoswald/>

Our main goal is to get students to be responsible and use their planners or other device to track their assignments on their own, but it is nice to have somewhere to check to make sure their information is correct until it becomes a habit. In addition to posting homework online, I am meeting with 7th graders daily at the end of 5th period to go over these assignments (also so I can write them down!) and ask them if they've got them in their planners. Hopefully, we can help them get started on the right foot and instill good homework habits right away.

Be a Volunteer!

Becoming a school volunteer can be one of the most rewarding experiences in life. Sharing a special talent, reading a book to a student, assisting the school librarian, helping to put up an interesting bulletin board for the classroom teacher, or helping chaperone on a field trip are all ways that one can serve as a school volunteer. Volunteers are made up of parents, grandparents, business people, retirees, high school students, and other community members. They can volunteer on a regular basis or on special occasions. If you would like to volunteer please call the school at (402) 635-2484.

The Allen Consolidated Schools app is now available in both the iTunes store and Google Play Store.

After the app is installed, you can receive push notifications to stay updated on school closings or upcoming events.

Push notifications alerts all users who have installed the app on a mobile device of new messages or events even when the user is not actively using the App.

Fridays at NECC!!

This year the Seniors at Allen Consolidated Schools will be involved in Fridays at Northeast Community College! This new and exciting program give high school seniors the opportunity to spend Fridays on campus as college students using the Northeast Community College lab spaces and classrooms. Classes will be taught by certified instructors and the classes will allow an introduction to a variety of technical programs that will lead right into a program of study upon high school graduation. The seniors have the option to take classes at either the Norfolk or South Sioux City, NE campus.

The seniors were allowed to register for classes from a wide range of interests. Some examples of classes are: Life-time Wellness, Welding, Early Childhood Development, Medical Terminology, Nurse aide and Health, Safety, & Nutrition, just to name a few. The administration, staff, and students are excited for this new endeavor.

If you have any questions or concerns about this opportunity feel free to contact either Mr. Pattee or Mrs. Kneifl. (402) 635-2484 / mpattee@esu1.org / dkneifl@esu1.org

Seniors.... 3 must-do-tasks for this fall!

1. Apply to your top college choices. If your school participates in Nebraska's *Apply2College* campaign in October, you'll get help with your college applications during a school-day event. If not, [click here](#) to find a college application checklist and other helpful resources.

2. Create an FSA ID. You and a parent must each create a username and password at [fsaid.ed.gov](#) that will serve as your Federal Student Aid (FSA) IDs for the Free Application for Federal Student Aid (FAFSA). You will each need your own email address to create an FSA ID.

3. Complete the FAFSA at [fafsa.gov](#) on or after October 1. The FAFSA is your application for federal, state, and college-based financial aid. The colleges you list on the application will use that information to determine the types and amounts of financial aid they will award you.

Get FREE help from EducationQuest

Attend an Education-Quest [Financial Aid Program](#) this fall to learn about types of financial aid and the FAFSA. By attending, you can register to win a \$500 scholarship! [Click here](#) for details.

Library News

Welcome back to another wonderful year at Allen Consolidated School! Our library was able to purchase many new books of a variety of genres over the summer. These books will be featured in our library during the first few months of school!

For the second year in a row, students, staff, and parents are able to access our school's library collection online. This program is called Destiny and has a wide array of information available for students and faculty. The Preschool through 4th grade students will spend time reviewing how to use this program to find books and information that they want to read or need for an assignment in class. The tools with this new program are endless and will provide a database of information with quick and easy access.

Starting in October, Preschool-6th grade students will take part in the Pizza Hut Book It Program. As the librarian, I will be encouraging the students to read, Read, READ! Each month, students will be asked to keep track of the hours that they read on a provided reading log/calendar. Students who completely fill their log at the end of each month will receive a coupon for a free personal pan sized pizza from Pizza Hut! Students' progress will be displayed on a bulletin board in the elementary hallway.

September 19-25th will be the 1st Scholastic Book Fair of the school year! The fair will run from 8:00 AM-3:45 PM. The Book Fair will be open until 7 PM on September 21st, the night of parent-teacher conferences. Selections will be available for all ages and grade levels. Everyone is invited to visit the library during this time to purchase books for themselves or their families. Hope to see everyone there!

Our school's library offers multiple devices for student check out and use during the school day. Chromebooks, iPads, and laptops can be checked out from 8 am – 4 pm. Students must return their devices by 4 pm unless special permission is granted by administration.
