

SUPERINTENDENT’S CORNER

We have our first full week in the books and so far everything has gone very smoothly. The staff has been working hard getting the students geared up for another year at Allen. We appreciate all the support and help we have been given from the community and the families in our district. We welcome everyone to come and visit the school and see the great things that are going on in our classrooms.

Make sure that we continue to turn in the beginning of the year paper work so that we can have the most up-to-date information in the files of our students. If you have any more paper work at home just send it to school with your student and they can turn it into the main office. If we do not have your paper work you will be receiving a letter highlighting the information that the office is missing.

Fall contests have already started. Make sure that we support our students on the football field, the volleyball court, and in the marching band in positive ways. Cheer for good plays and let them know that they will always have our support when they are struggling. Please treat coaches and officials the same way that we would want to be treated and realize that everybody is doing the best job that they can do.

If you have any questions or concerns please stop in the office or call. Just a reminder that parent teacher conferences are September 20th. We would love to have a chance to visit with all of our parents.

Michael Pattee, Superintendent

Allen Consolidated Schools Improves Student Safety with TIPS

Just a reminder: the TIPS reporting link is on the school website and can be used to allow the anonymous reporting of bullying, weapons, abuse, vandalism, suicide risks and other concerning behaviors that may have a negative effect on the school’s learning environment. TIPS can also be used to report acts of kindness or other make positive comments in something called a Hero report.

How it works: if you are worried about friends, students or others, or if you witness concerning behaviors, simply go to the Allen School website (www.allenschools.org) and click on the TIPS REPORT INCIDENT button. Select the appropriate incident type, share the necessary details and then SUBMIT.

Once an incident report is made, the principal and designated staff members are immediately notified via email and can securely review the report details to begin coordinating an appropriate assessment and response. TIPS provides all team members with the right tools to track and document the actions taken, see related reports, set automated reminders, review past reports, check school policy, and connect the right dots so no students or incidents are overlooked.

Please keep in mind that due to confidentiality issues, it may not be possible for reporters to be informed on how their report was handled and/or how the situation was resolved.

PRINCIPAL'S CORNER

Allen students kicked off the 2018-19 school year on Wednesday, August 15, and we now have our first full week of school firmly under our belts. The entire staff has been working hard to get ready for the new school year, and it has been exciting to see both new and familiar faces fill the hallways.

Fall sports activities are also about to resume, with the opening Wisner-Pilger-Pender volleyball tournament beginning on Thursday, August 30, and our first football game at Cedar Bluffs on Friday, August 24. Prices for games this year are again \$5 for adults and \$4 for student and yearly activity passes are available in the office for \$240 family, \$120 couple, \$65 individual, and Golden Eagle Senior passes for \$40 individual and \$75 couple. It will be a little different this year due to our coop with Wakefield for volleyball—the girls have been practicing hard and everyone has been flexible with the bumps in the road that are bound to occur with any new undertaking such as this. Let's come out and support our players with Eagle spirit, and also make sure we treat coaches, officials, and all players the way that we would want to be treated! In addition, we would like to invite you to send us your pictures from school events so that we can post them on the school website! Please send pictures to Deb McGrath at dmcgrath@allenschools.org.

In addition, by this time many of our seniors have started an internship or have begun taking a college level class on Fridays. We are so excited about offering this opportunity to our students, so if you are unfamiliar or have questions about this, please ask! Parent-teacher conferences are scheduled for Thursday, September 20, from 3:00 to 7:00 pm with an early out at 1:50 pm that day. We would love to have a chance to visit with all of our parents! As always, if you have any questions or concerns, please feel free to stop in the office or call.

Lana Oswald
Secondary Principal

Attention JH PARENTS!

For Junior High core class assignments, please check out the website:

<http://new.schoolnotes.com/ljoswald/>

ATTENTION!

Our main goal is to get students to be responsible and use their planners or other device to track their assignments on their own, but it is nice to have somewhere to check to make sure their information is correct until it becomes a habit. In addition to posting homework online, I am meeting with 7th graders daily at the end of 5th period to go over these assignments (also so I can write them down!) and ask them if they've got them in their planners. Hopefully, we can help them get started on the right foot and instill good homework habits right away.

Highly Qualified Teachers - This is a notification to all parents that information can be requested regarding the professional qualifications of the teachers at Allen Consolidated Schools. If your student will be taught by a teacher not meeting ESEA/NCLB requirements the school will provide notice.

Be a Volunteer!

Becoming a school volunteer can be one of the most rewarding experiences in life. Sharing a special talent, reading a book to a student, assisting the school librarian, helping to put up an interesting bulletin board for the classroom teacher, or helping chaperone on a field trip are all ways that one can serve as a school volunteer. Volunteers are made up of parents, grandparents, business people, retirees, high school students, and other community members. They can volunteer on a regular basis or on special occasions. If you would like to volunteer please call the school at (402) 635-2484.

Remind your senior to continue the scholarship search through the guidance office and various scholarship websites. All seniors have received an extensive list of scholarship websites to view.

Important reminder to Junior and Senior parents and students: Financial Aid meetings will be held at the Wayne High School on Wed. Sept. 12th at 5:30 p.m. Another financial aid meeting will be held at the South Sioux City High School on Wed. Sept. 19th at 7:00 p.m. Parents/students only need to attend ONE of these meetings. Seniors....

3 must-do-tasks for this fall!

1. Apply to your top college choices. If your school participates in Nebraska's *Apply2College* campaign in October, you'll get help with your college applications during a school-day event.

2. Create an FSA ID. You and a parent must each create a username and password at fsaid.ed.gov that will serve as your Federal Student Aid (FSA) IDs for the Free Application for Federal Student Aid (FAFSA). You will each need your own email address to create an FSA ID.

3. Complete the FAFSA at fafsa.gov on or after October 1. The FAFSA is your application for federal, state, and college-based financial aid. The colleges you list on the application will use that information to determine the types and amounts of financial aid they will award you.

Get FREE help from EducationQuest

Attend an EducationQuest Financial Aid Program this fall to learn about types of financial aid and the FAFSA. By attending, you can register to win a \$500 scholarship!

Find free FAFSA Tools at EducationQuest.org to help you prepare for and complete the FAFSA.

COUNSELOR'S OFFICE

The Juniors and Seniors will again be serving as student mentors for some of our Kindergarten through 8th grade students. Any Junior or Senior is welcome to serve as a mentor. It is not only a great community service opportunity, but it also builds meaningful relationships and leadership skills.

The "Backpack Program"

The Backpack program will again be offered to our students Pre-School through 12th grade free of charge. A yellow enrollment sheet was sent home with your child at the beginning of the school year. The bag of food will be sent home on each Friday or last day of school for the week. Please contact Mrs. Kneifl with any questions.
