Homecoming of 1951-52 was held Friday, October 19, 1951, in the high school auditorium. Toastmaster Archie Nyen introduced Clarice Carlson who welcomed the Alumni; the response was given by Harold White.

Next came the high spot of the afternoon--the coronation of the Royalty. Mrs. Eleanor Burgess played the processional as the pages, Pam Christensen and Kathy Kjer, opened the doors to allow the attendants, Arlene Magnuson and Arlen Ellis, to make their entrance. Then the big moment came as the King and Queen made their appearance. Their Majesties, Janet Koester and Larry Lanser, were crowned by Gloria Emry, Homecoming Queen of 1950-51. The crowns were carried on pillows by Rex Wheeler and Bobbie Blohm.

The Royal couple's command performance included alumni speeches, a vocal duet by Darlene Magnuson and Courtland Roberts, and a band selection by the high school band. It was their first public performance, and their selection was very well received.

Mrs. Burgess played the recessional as the King, Queen, and the attendants left their places of honor. The program was closed with a vocal solo by Dorothy Engel and a skit and pep rally by the cheerleaders.

Band

Director, Mr. Byers

This year the school started instrumental music in order that the students might obtain training in that particular phase of music.

In the middle of September approximately fifty "future" musicians answered Mr. Byer's call to music with an array of shiny new horns, testifying to the fact that there were thinner pocketbooks in many families in the area. This feeling was replaced by a fond hope that their boy or girl might some day become a Benny Goodman or Harry James.

In the following weeks many were the weird, nerve-shattering sounds that floated out of the music room. By Homecoming time, some of the students were able to take part in the program. The first appearance of all the Band members was at the Christmas program. Then on February 15, Mr. Byers was seen walking through the halls tearing out what little hair he had left. His worries were not justified however, as the Band presented its first complete program, consisting of solos, small group selections, and several band numbers.

The Band also participated in the Music Festival at Emerson on the 28th of March, and played some numbers for the music program in May.

Mixed Chorus

First Row: J. Koester, M. Nelson, C. Benton, S. Roberts, J. Malcom, J. Roberts, G. Roberts, E. Thompson, M. Mitchell.
Second Row: Mr. Byers, L. Janssen, L. Nelson, A. Magnuson, A. Janssen, C. Koester, S. Mattes, C. Carlson, F. Kingston, M. Koester.
Third Row: R. Ellis, R. Mitchell, R. Larson, S. Isom, R. Hutchings, J. Noe, B. Hubbard, E. Novak, D. Roberts, L. McAfee, G. Mattes.
Fourth Row: K. Hansen, B. Hutchings, B. Good, B. Mitchell.

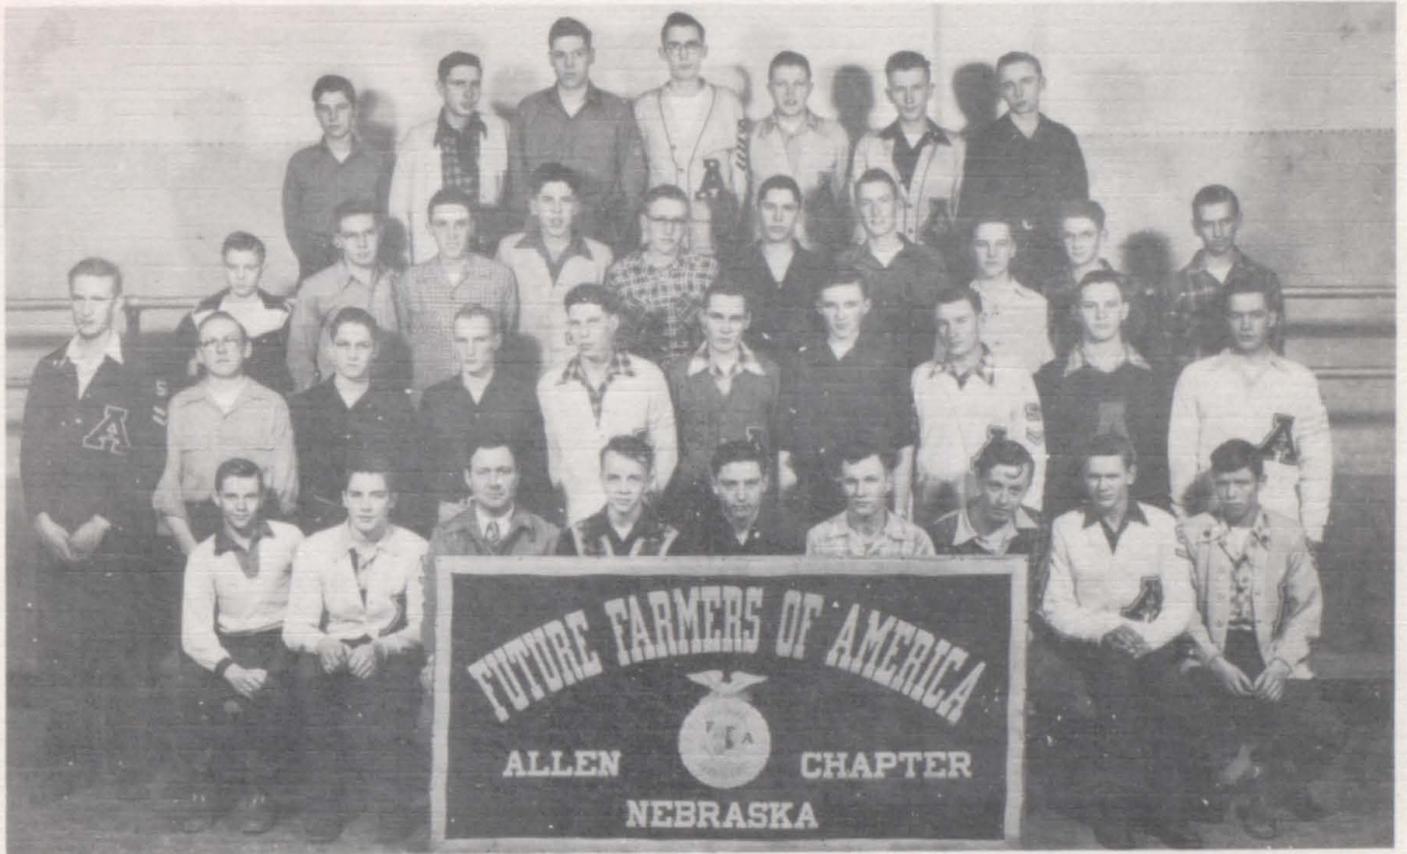

Mixed Chorus this year was limited to a selected group of some thirty persons. The members participated in the Christmas Program; and then on March 28, they journeyed to Emerson to sing their contest numbers for the festival there. Ten members of the choir were chosen to represent Allen in a mass chorus which performed that evening at Emerson.

Also we have numerous individuals who performed either by themselves or in small groups. This year we have established a point-merit system, the idea being to give the student who does work in music and who is a responsible member of music groups some sort of recognition in the form of an award. It is possible to obtain a pin, a large letter, a small letter or eventually all three, depending on the number of points the student earns.

Boys' chorus was open to all those interested this year. For the most part we sang three-part music and took the song "School Days" to the County Music Festival and to the District Contest. We also had three soloists from this group of boys.

Girls' Chorus was also open to all those interested. We sang both two-and three-part music. The girls sang in the Christmas program and took two numbers to Emerson and to Wayne. From this group of girls two trios and several duet combinations were formed. Several of the girls did solo work.

Class Prophecy

Roselawn Poultry Farm
Dayton 7, Ohio
July 20, 1962

Dear Mr. Mitchell:

Well, I suppose you're still superintendent at Allen High School; or are you retiring at an early age??? If you're interested in what happened to the Seniors of 1951-52, here is what I have found out.

The first one that I heard from was Donald Durant. I guess he finally got away from his "mama's apron strings" to go to Hollywood. He is still trying to get in the movies with those good looks of his. He also mentioned that Archie Nyen is making his living out there by being an artist.

About every week I get a letter from my old schoolmate Joe Ann Hansen, who is working in Sioux City. She is still trying to write a book. The name of it will be *The Nickname For a Man Is a Skunk*. In one of her letters she mentioned Clarice Carlson who is married. She is living on a farm near South Sioux City and is making a good living.

The other day as I was out tending to my chickens, a big blue Cadillac drove up, and to my surprise it was Wayne Jones and Arlene Magnuson who are now married. They are touring Ohio for their honeymoon. They stayed all night, and Wayne told me about a lot of our old schoolmates.

I was really surprised to hear what has happened to some of the boys. Do you remember Gilbert Mattes who used to be the strong-silent type; well, he has really changed! He is living in Omaha giving pilot lessons strictly to young women. He said that Harold Curry is still living on the farm near Ponca. Harold isn't married yet; I guess he must be still waiting for a little blonde woman, so you will probably see him go by your place quite often.

Arlene said that Norman Nobbe and Raymond S. are living in the Waldorf Astoria Hotel. Neither one of them are married yet, but still looking hard.

You will really be surprised to hear that Lucille Nobbe is now Mrs. Maynard Hansen. She and Maynard are living in the Black Hills in South Dakota. Maynard is raising goats and selling the milk to some chain stores. They have triplets now -- all girls.

Last Saturday I received a letter from Washington D. C., the return address had Roger Hutchings, M. D. printed on it. He is now the attending physician for the President. Marlene Nelson is his nurse. He said that Arlie and Janet are living on a farm near Washington raising skunks for a living.

Yesterday I decided to drive into town to get some laying mash. As I was walking down main street I ran into Larry Lanser who is now a Captain in the Army. He has command over Orville Buxton, Bill Keil, Bill Chase, and Roger Schroeder. Larry said that "Buck", and Bill Keil would soon get to be sergeants, but Bill Chase would probably never get any higher than a private because he could never stay awake long enough to tell anybody what to do if he were a sergeant.

Roger who used to be the little devil of the Senior Class got some of that taken out of him by having to do K. P. most of the time. He said Bert Hubbard and Jim Noe are both married and each have five boys. They are living by the railroad tracks in Minnesota and are working in the round house.

Earl Novak is a lawyer now; I guess he must be a good one because he could always argue so well in civics class with Mr. Burnight.

I heard over the radio yesterday that Eddie Kollbaum is head coach at a college in Mississippi.

Maryln Karlberg ("Gunner" to us) is now married and has a boy. "Gunner" said they named it after him so it must be "Gunny." He is living in Missouri, cleaning the street with a push cart and broom.

I suppose you are wondering what I am doing. I am not married yet, but I always said that I wanted a man who was tall, dark, and handsome, and who likes to live on a chicken farm.

Well, that is all the news I know about the 27 Seniors that graduated in 1952.

Sincerely yours,
Helen White

When Larry L. hid the books in ag. class?
Those Annual Staff meetings?
When the cheerleaders went to Hartington?
All the rough times Helen W. had in civics class?
When we were vaccinated?
When Joe Ann's shoe went around in civics class?
The long discussions we had in civics class that were about everything except the lesson?
When Helen W. smiled? (I don't either!)
When Mrs. Malcom wasn't wearing perfume?
When Bert H. and Joe Ann H. were "accidentally" locked in the supply closet?
When Helen laid two eggs in Mr. Burnight's room?
When Buck or Chase weren't "spouting" off in ag?
When the basketball team forgot to go to the Dakota City game?
Mrs. Malcom's ice cream feed?
The assembly lines on the paper?
When Harold C. and Geneva R. weren't talking in the halls?
When Roger L. wasn't "lipping" off?
Puddles?
When Arlen and Janet didn't make up after a fight?
When Bert's "car" run?
