Allen won for the third year in a row the Dixon County eleven man Football Championship. Allen has but two seniors, they are LeRay Deitz and Richard Mitchell, captain and co-captain respectively of the 1952 squad. The high light of the season was the last quarter running pass from Bill Mitchell, left half, to Jack Deitz, end, for the winning touchdown in the Wakefield game. With good strong linemen, such as Larry Schroeder, Larry McAfee, Randy Ellis and LeRay Deitz; sparked by the backs, Bill Mitchell, Duane Harder, and Bruce Hutchings, Allen enjoyed a fine season through teamwork, co-operation and hard work.

The Allen Eagles with a very inexperienced team dropped the first eight basketball games of the season. We felt each game we were improving so the efforts were not wasted. In the Dixon County Tournament Allen was defeated by a very good Emerson squad by a score of 50-35. The second game Allen won from Ponca by the score of 42-35. The Consolation Concord defeated us 47-42. The team was aided very much by the center play of Dick Durant, guards, Fred Kjer and Bruce Hutchings and the forward play of Duane Roberts. With a few more games for experience and a lot of hard work, Allen feels she will have a fine team going into the 1953-1954 season.

We participated in the district contest at Wayne this spring. Two trumpet trios, two clarinet quartettes, one brass sextet, as well as some soloists, are some of the small groups formed from this group.

The students and parents are to be commended for their fine work in getting Allen a band once again.

VOICE

The girls chorus this year was a semi-select group of thirty voices. The group performed at the County Festival and District Contest at Wayne. They also performed at the Spring Concert. Out of this group one girls trio, a girls sextet, and several soloists were chosen.

The boys chorus also was a select group due to the small number of experienced personnel. A boys ensemble and two solos were taken out of this group.

The mixed chorus was made up of thirty select voices and met once a week. We sang three part music most of the time due to a shortage of tenors this year.

The Eagles Cry of 1952 and 1953 got underway a few weeks after the school term began and stayed in high gear all year long. Approximately 30 staff members were chosen out of the student body. The main officers were as follows:

Editor.....	Alice Janssen
Assistant Editor.....	Marlene Mitchell
Business Manager.....	Jack Dietz
Advisor.....	Mr. Dermit

The business and assistant business managers sold subscriptions at 35¢ for 9 issues of the "Eagles Cry". A school paper was published once every month. Each issue contained an editorial page, Interview of seniors, Organization news, Class news, Grade news, Advertisements and, of course, Gossip pages. Only a few changes were made from last years school paper. A page of general interest items and the hot lunch menus were added. The "Eagles Cry" exchanged papers with approximately 12 different neighboring schools each month. The staff put forth long hours to produce a school paper which would reflect the feelings and happenings of Allen High School.

Dramatics

Interest in the declamatory contest and "Little Theater" was at an "all-time" high, judging by the many who had a part. In the local declamatory contest, held on March 6, twenty-two contestants entertained an appreciative audience with dramatic, humorous, oratorical, and poetry readings. The winners were: Nancy Oviatt in humorous with "Daffy Daphne"; Geneva Roberts in dramatic with "The Button"; and Betty Kjer in poetry. These contestants, with Bill Mitchell, Larry Schroeder, and Carol Benton represented Allen in the County Contest held at Wakefield on March 9, and at the district contest at Wayne on March 21. Bill entered newscasting; Larry in extemporaneous; and Carol gave an original oration which was winner of first prize in the local Legion Auxiliary contest.

"No Greater Love" was the one-act play given at Emerson and at Wayne. Those taking part were Bruce Hutchings, Randy Ellis, Carol Ann Koester, Alice Janssen, and Edith Carlson. Another one-act play, "Life With Willie", in which Larry Schroeder, Bill Mitchell, Don Ellis, Geneva Roberts, Lillian Janssen, and Marlene Mitchell had parts, and "No Greater Love" were presented to the public under the sponsorship of the P.T.A. on April 10.

Homecoming

First Row: D. Ellis, K. Mitchell, D. Rasmussen, J. Kjer, P. Ward, R. Schubert.

Second Row: G. Carr, E. Carlson, B. Kjer, L. Dietz, C. Benton, C. Russell.

Homecoming of 1952-53 was held Friday, October 10 in the High School Auditorium. Master of ceremonies, Bill Gotch, introduced Burden Steele who welcomed the alumni, the response was given by Mrs. Myren Armour, sponsor of the Pep Club.

Sherrill Roberts played the processional as the pages, David Ellis and Kathy Mitchell scattered petals, preceding the attendants, Carol Benton and Charles Russell; Edith Carlsen and Gary Carr. Then the royalty their majesties Betty Kjer and LeRay Dietz were crowned by Janet Koester, Queen of 1951-52. Crowns were carried on blue and gold satin pillows by Peggy Ward and Jackie Kjer, attended by Dennis Rasmussen and Ronnie Schubert.

There were musical selections by the high school band, solo by Mr. Byers, piano duet by Sherrill Roberts and JoAnn Malcom and a trombone solo by Sally Mattes. Many alumni responded in brief pep talks. Sherrill Roberts played the recessional as the Queen, King, and attendants left their places of honor. There was a skit and pep rally by the cheerleaders. Later that evening festivities were concluded with a football game with Homer in which Allen emerged victorious.

Class Prophecy

Seattle, Washington
January 29, 1963

Dear Mr. Mitchell,

While looking through a school bulletin I saw your name which made me think of the four years in Allen High School and the Seniors of 1953. I thought you might be interested in knowing what they were doing.

I just returned home about a month ago, from a trip I took through different parts of the United States. During the trip and through correspondence I saw and heard from all the wonderful people who graduated in '53 from Allen High.

I received a letter from Betty Kjer the other day. She is married and has just moved to Hawaii. She said her husband found there was a greater demand for tractors there. Yesterday while I was down town, I saw a truck with the words "Osbaehr Fish Hatcheries" on the side. It stopped to unload and I asked the driver about the owner of the hatchery. He said that his name was Harold and he came from Allen. It seems Harold is doing a good business especially in Canada where his hatcheries are located.

When, I was passing through Montana on my trip, I stopped in one of the National Forests and inquired directions from the forest ranger. When I walked up to him I was surprised to find it was Foster Smith. He told me he had just returned from his honeymoon a week before. After I left Montana, I came north to Colorado. As my car was getting low on water, I stopped at a very picturesque ranch to get it filled. The fellow who came to the car was none other than Bill Gotch, owner of the spread. He invited me in to chat with his family which I did. He has a beautiful wife and daughter.

From Colorado I went east to our home town of Allen. It didn't seem to have changed much, and among its residents was Gaylen Ellis and his wife. Well, someone has to keep the old home going. I drove from there to Sioux City, Iowa to spend the night in a hotel. I walked into the lobby to register and found Burden Steele behind the desk. After exchanging greetings I asked her how she happened to be living in the city. She said she couldn't get her husband to go more than 50 miles from his mother.

In Missouri my car broke down so I took a train. While waiting for it, I saw Charles Osbaehr. I was quite surprised to see him, especially in a train depot. He said he was the engineer. I asked him about the kids in Allen and he said Gary Carr isn't married but lives in Alabama and is a filling station attendant. I boarded the train and went to the lounging car. Sitting across the aisle was Wilmer Benstead. He is a representative of the Ohio Oil Company. He said business is very good. He lives in western Ohio, is married and has twin boys.

When I went to the dining car for lunch I met Glynn Rasmussen who was going to eat. He said he was returning home from a teachers meeting. He is professor at Miami Florida. My, what an appetite he has, but I suppose he has to

do something to get enough energy to teach so many' students. He is engaged to a wonderful blond.

From there I went to Texas where I met Carol Benton who is a private secretary to an oil well manager. She said Edith is married to the manager of the Elgin Watch Company at Lincoln. They had been visiting Carol but had returned home.

From there I went to South Carolina. While in Charleston I chanced to meet Richard Mitchell. He told me about his work with the Bell-Telephone Company. He has certainly come a long way from the first job he had with the company. He had his wife and son with him, and I was glad to visit with him.

Next, I went to Washington D.C. as I had never been there. While there, I decided to visit my high school friend, Eleanor Likes. It wasn't hard to find her for she is President-----of the Ladies Aid.

While traveling through Ohio I stopped at Paul Wiig's dairy farm. He said it was an occupation he had learned at home. On talking over old times at home he told me what a few of the graduates were doing. He said Charles Russell had married a queen of sports from a town near Lake Erie and was owner of a resort beside the lake. Boyd Isom is a successful truck farmer in Ill. He is married and has a little boy named Junior.

When I got home there was a letter from Frances Carr. She is teaching school and is married to a rancher. She lives near Maxine Voss who is married and has twin girls.

I received a card from LeRay Dietz's wife. LeRay is captain of a passenger ship which goes from Oregon to Hawaii. He and his wife live on board the ship in the summer and in the winter they own a home in Portland.

As for me, I married an author here in Seattle. Zoe Ann Swift lives here also. She gives driving lessons to the students at the high school here. She has not married yet.

This sums up the class of 1953 and I must close now and answer the doorbell.

Yours truly,

Arlene Mattes
