Play Reading

Students show a great amount of interest in all speech events annually. The purposes vary, but some of them are: aim to encourage wide reading on current public affairs; aim to train speakers to convey the thought and mood of a selection to an audience; aim to encourage students to read and evaluate news of the day; and prepare students to take their places in the civic life of the community.

The Eagles high spot in football came this year as they defeated Pilger on Homecoming. The squad consisted of seven seniors and twelve underclassmen who put up good battles against the teams they played. Coach Skarda came here to coach the boys expertly against some of the best teams in the area. The line was a fairly light one with Bob D., Keith F., Rex W., Truman F., Don H., Bob J., and Ron I. seeing most of the action and doing a good job against larger opponents. The backfield was composed of Maynard S., Dean B., Jerry M., and Larry S.
