The Allen F.H.A. chapter started in 1950. F.H.A. stands for Future Home Makers of America. In 1963 they went on a trip to Colorado. They stayed at Rocky Mountain Park at the Camping area. They also visited many different and exciting places. Two of these places were Estes Park and Denver. They also saw the huge mint while in Denver. After a few days of site seeing and a lot of fun they decided there's no place like home.

The F.H.A. every year visits the old folks home in Ponca. They sing and play during the evening. They also visit with various individuals.

They have a Round-the-World dinner specifically for U.N. Day. This brings families of F.H.A. girls together. They have foods prepared that represent the food from around the world.

The F.H.A. sponsors Butter-Nut strips collections at Christmas time to buy presents for the Orphans.

In February the F.H.A. and F.F.A. sponsors a Sweet Heart Dance. At this time the King and Queen are crowned.

In March they have a fun filled time getting ready for their Polio benefit basketball game.

History of the Senior Class of 1964

This history of the class of '64 is to aid in remembrance of the hard work and experiences that the senior class has participated in during the past four years of their high school life.

In September of 1952 the following enrollment made up the 1st grade to later become the graduating class of 1964:

Terry Gries, Eva Ellis, Irma Osbahr, Richard Osbahr, Dixie Pederson, Robert Frerichs, Karen Prouse, David Roberts, Billy Ellis, Mary Lou Horn, Jacquelyn Kjer, Marilyn Karlberg, Peggy Ward, Kathlene Mitchell, Judy Horn, Esther Combs, Pamela Christensen, Albert Horn, Dennis Rasmussen, Ronald Schubert, Tommy Ellis, Dean Lisle, Dwight Gotch, and David Ellis.

Of these students, the following are members of the graduating class of 1964: Irma Osbahr, Richard Osbahr, Ronald Schubert, and Dwight Gotch.

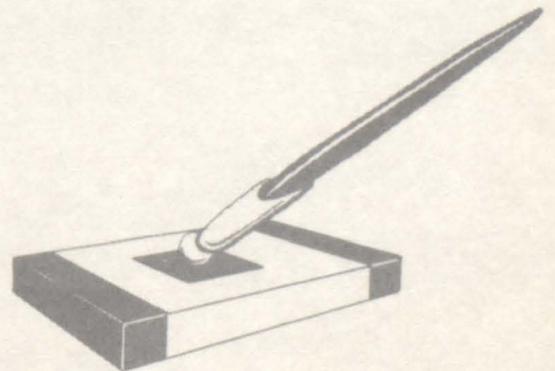

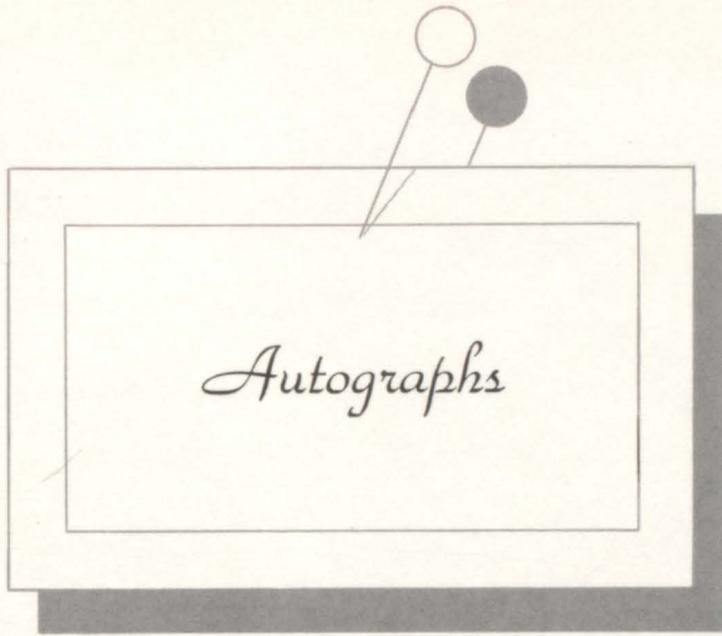

We began as freshmen in 1960. We elected officers as follows: President, Dwight Gotch; Vice President, Richard Osbahr; Secretary, Sandra McCaw; and Treasurer, Dean Lisle. At this time there were sixteen members in the class and Mr. Mozer was acting as sponsor. For recreation we had a supper party which was combined with the sophomore class.

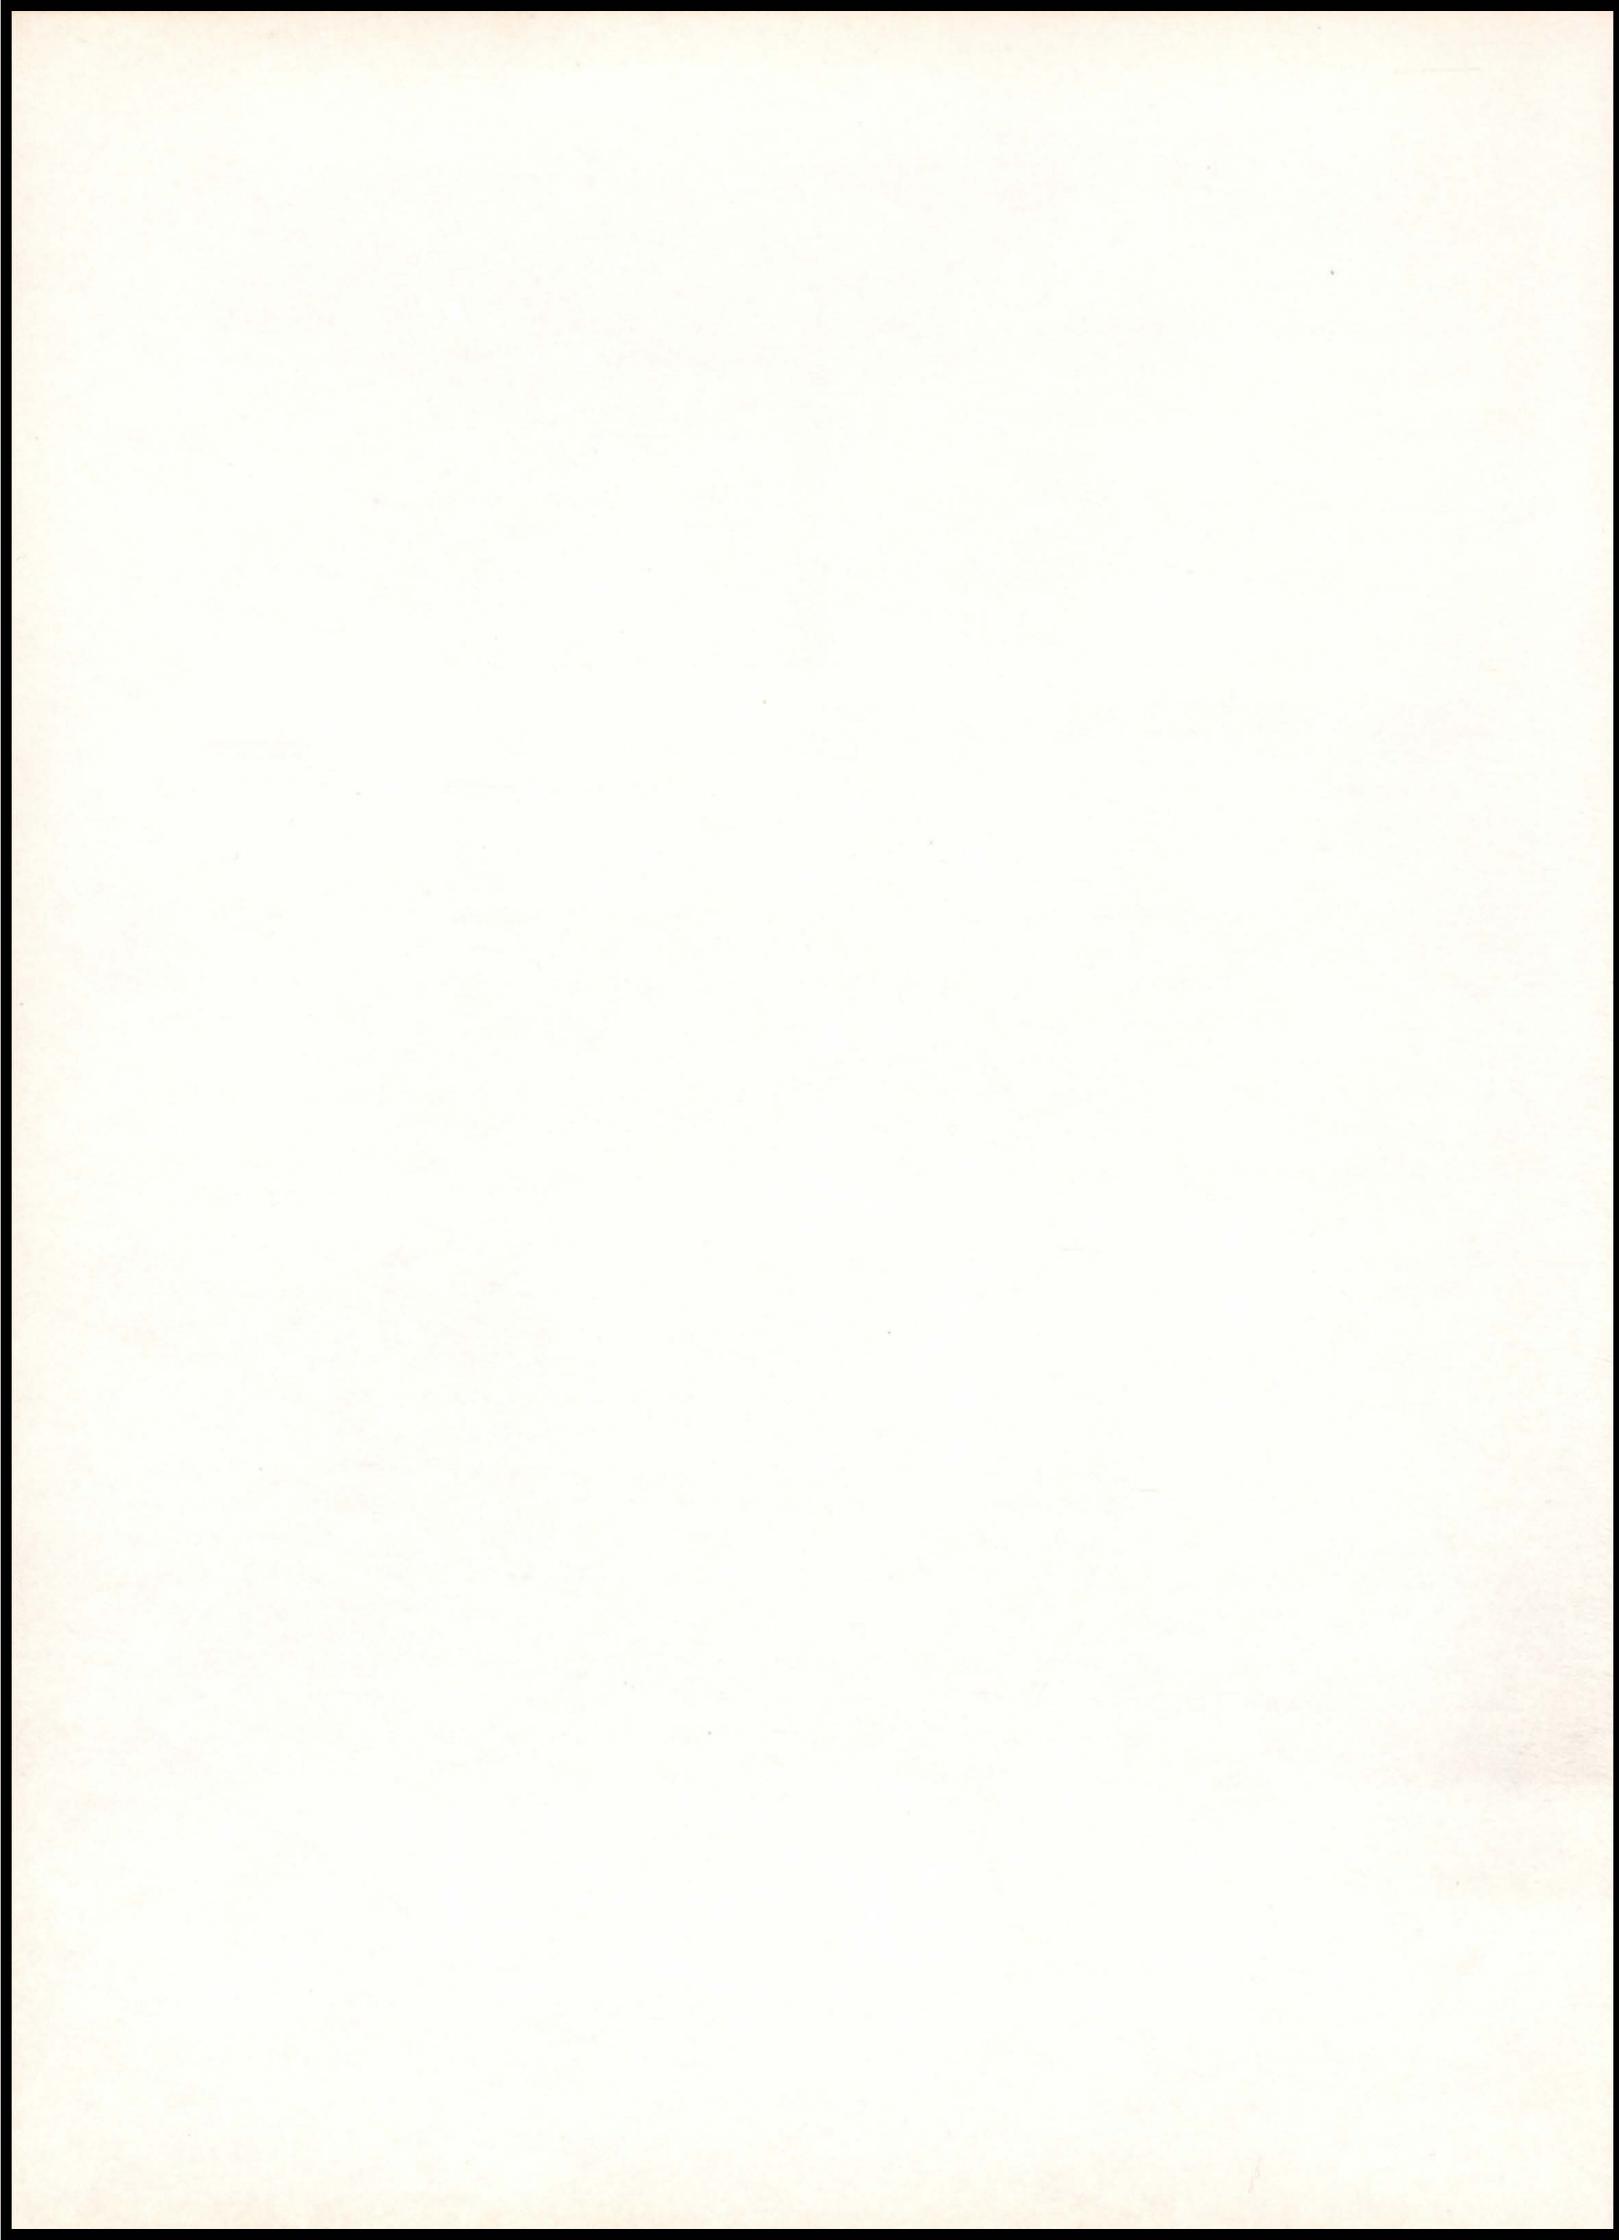

As we started our sophomore year we were minus a few of our regular freshmen members. Dianna Biggerstaff was married, Charles Self and Ellen Sherman had moved away, and Bill Ellis dropped school and began work on a farm, however, our membership received an increase of one when Edward Van Cleave of Waterbury began his school attendance here. This left us with a total of thirteen members. The class officers for our Sophomore year were as follows: President, Dean Lisle; Vice President, John Brawner; Secretary, David Hickman; and Treasurer, Richard Osbahr. For our class party that year we sponsored a sock-hop as a going away party for Dianna Schroeder and of course the usual last day of school celebration at the Ponca park. Our sponsor was Mr. Lindsay who, we are sure, had fun trying to hold us down in our class meetings.

Following the predictable down hill course, our class of '62-'63 had dwindled down to a total count of 9 members. Two of our classmates moved away with Dianna Schroeder attending the Wakefield School and Dean Lisle moving to Springfield, Missouri, where is he attending school. In our Junior year we had two more members get the school sickness and drop school. These members were George Sullivan and Edward Van Cleave. In the second semester Larry Smith moved to Allen from Hinton, Iowa, and was a great boost to our work for the Junior-Senior banquet. Mrs. Oleson was our sponsor and was very helpful in the preparation for the banquet. Mrs. Bovill, Mr. Wheeler and Mr. Oleson also helped for which we were grateful. For our years entertainment we had supper at the Biltmore Dining Room in Sioux City, Iowa, and each class member invited one or two guests. We also had a chicken supper September 19. The class officers for our Junior year were: President, David Hickman; Vice President, Richard Osbahr; Secretary, Sandra McCaw; and Treasurer, John Brawner.

We began our final year of school at Allen High with Mr. Mitchell as our class sponsor and electing for officers David Hickman as President, Richard Osbahr as Vice President, Irma Osbahr as Secretary and John Brawner as Treasurer. On September 16 we had a chicken supper with a profit of \$72.00 which seems to have disappeared in the expanse of time since then. Just after the end of the first semester Sandra McCaw was married to Richard Heaton March 1, 1964 at the Springbank Friends Church and thereby decreasing our graduating class to the number of nine once more. In the process of beginning to prepare for graduation the class chose a white carnation for their flower, pink and white as class colors and motto, "The Harvest of Success Is From the Seed of Desire."

On the whole we consider our four years of high school a very exciting time full of rich experiences in thought which will help us through the rest of our lives.
