Dedication

Dear Mom and Dad,

I am writing this letter to the two of you in hopes that I can express my appreciation and show my gratitude for all the help you have given me during my years here at Allen High.

I know that I have never really taken the time to tell you this personally; but, by putting it down in writing, I hope that I can make it up to you.

Many times I came home feeling disappointed and discouraged. But each time you were there to comfort me with a kind word or a loving look that meant more than either of you will ever know.

Along the road marked "Decision," which I have traveled frequently during my high school life, I came to many forks and winding bends that I could not see beyond. Advising, but not insisting, you gave me courage to choose my own path.

No matter where I go, what I do, or how and when I do it, I'll always need you and love you.

For these, and the many other things that you have done for me, whether large or small, I would like to voice my heartfelt thanks by dedicating this annual to you.

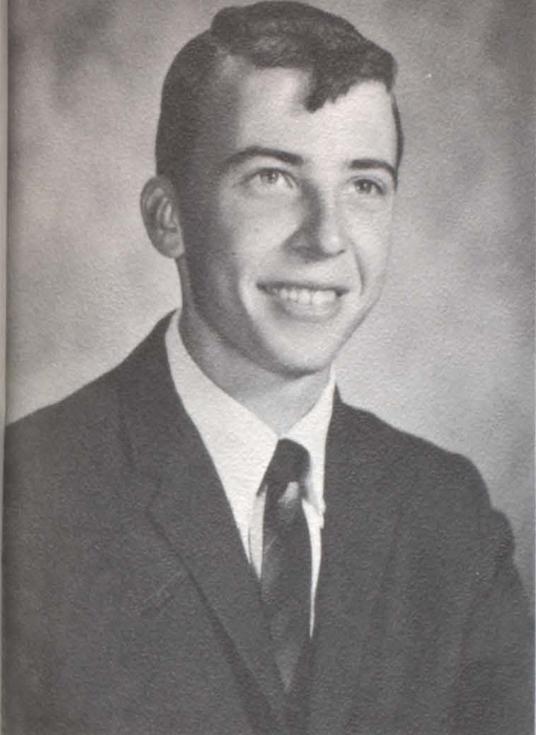

Love,

Seniors of 1969

Ruse after ruse is tried by the frantic bridegroom, but his wife conceals her identity right up to the final curtain of this riotous farce. The Library Club was organized to help in the planning and developing of an overall program for the entire school. It is necessary to have a staff of assistant librarians to administer the library and provide a consulting and advisory service for any student during the day. The meetings are devoted to library organization and participation in the various library duties.

Homecoming festivities began with a snake dance, which was held in the gym due to inclement weather. It was the most enjoyable, the most enthusiastic, and and the most spirit-raising pep rally to lead us in our victorious spirit drive. A large crowd assembled in the gymnasium to see the 1968-69 coronation ceremonies for Homecoming Royalty. Once inside the darkened gym, the guests were confronted with a lovely array of intertwined blue and gold paper on the stage. From the outer doors came aisles of white paper enclosed with streamers that continued to carry out the school colors. The pep club sponsor, Mrs. Jordan, began the ceremony by introducing the third attendants to the King and Queen, Larry Carr and Cindy Ellis, and presenting them as Master and Mistress of Ceremonies.

Larry Carr then announced the flower girls, who were Maxynne Kruse—first grade and Shari Jones—kindergarten, and also the crown bearers, Chip Carr—kindergarten and Doug Koester—first grade, who entered while the band set the mood for the occasion. The candidates and junior escorts followed. The junior escorts were Rick Hank, Mike Ellis, Bill Sachau, Susan Smith, D'vee Koester, and Patty Sullivan. The Homecoming Royalty was then announced. Jim Ellis and Donna Peters, Homecoming Royalty of 1967-68, crowned and congratulated the 1968-69 Homecoming Royalty as follows: second attendants to the King and Queen—Linda Rasmussen and Kevin Hill; first attendants to the King and Queen—Diane Geiger and Craig Schultz. The King and Queen were Bob Anderson and Debbie Jones. The senior quartet sang, and the queen was presented a bouquet of yellow roses. The recessional concluded our Homecoming Royalty festivities. Following the victorious Homecoming game, a large crowd attended the dance in the gym. Music was provided by "The Shags."

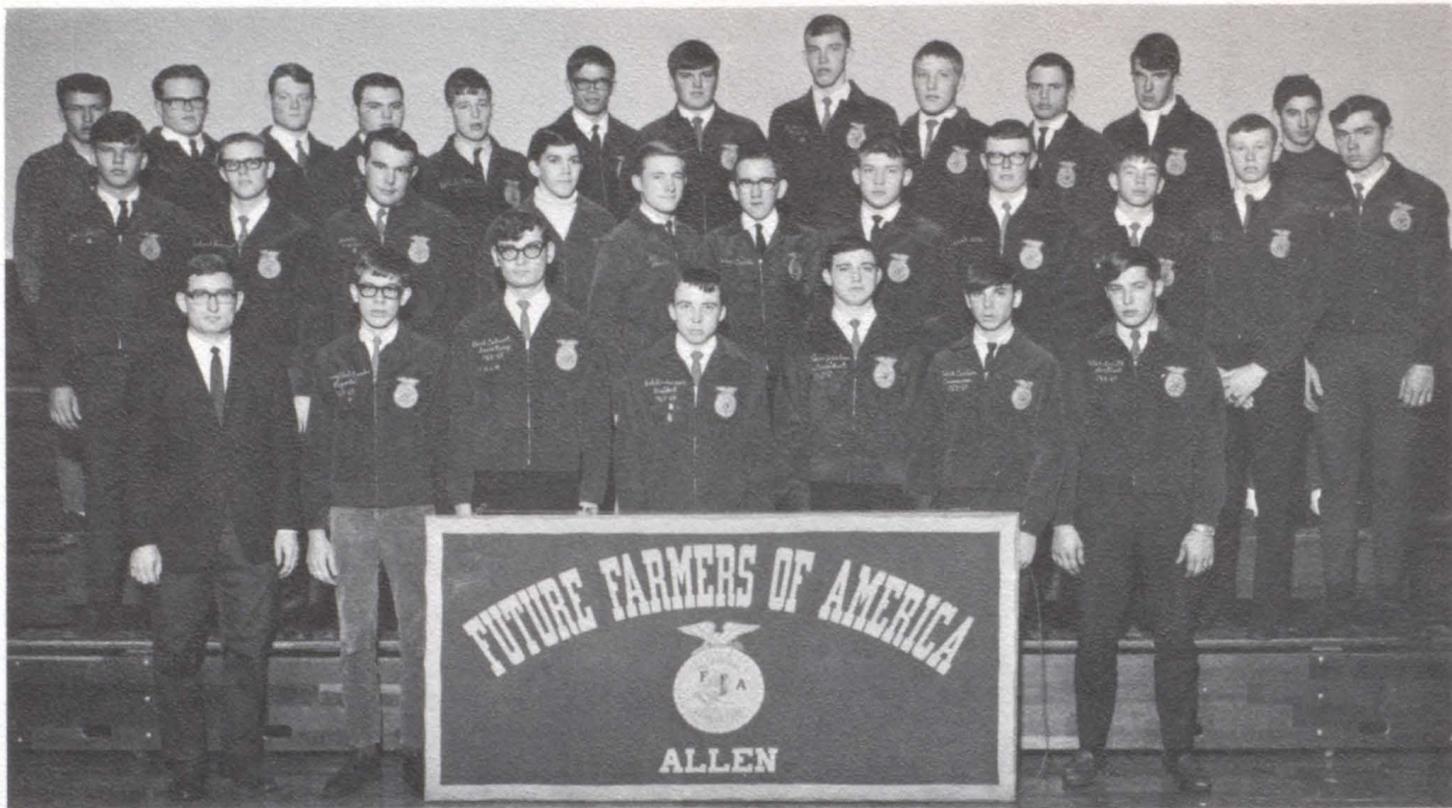

Sweetheart Ball

The FHA-FFA held their annual Sweetheart Ball February 22, 1969. At 9:30 the coronation ceremonies began with Dave Geiger and Patti Sullivan serving as Master and Mistress of ceremonies. The following AHS students were crowned the 1969 Sweetheart Royalty: Freshman attendants were Paula Reuter and Scott Stalling; Sophomore attendants were Rhonda Schultz and Loren Reuter; the Junior attendants were Susan Smith and Dale Strivens. The 1969 Queen was Linda Rasmussen and the 1969 King was Randy Crombie. The 1968 King and Queen, Wayne Rasmussen and Elayne Snyder, crowned the royalty. Among the sponsors of the ball were the FHA Advisor, Mrs. Kunzman, and the FFA Advisor, Mr. Schluckebier.

Chapter Activities

During their final year in Ag work, the Seniors have been studying farm management. Their skills were very helpful in producing and marketing our corn crop this year.

The Juniors have been working with automotive and farm mechanics. They have learned many worthwhile skills.

The Sophomore Vo-Ag class has learned welding and other metal works. They have built several things including a loading chute.

The Freshman Ag class has learned wood-working skills. Their skills were helpful in the construction of a popcorn stand at the football field.

Our chapter president, Bob Anderson, who has helped our organization in many ways, is our candidate for State Farmer.

The team that took the field wearing the Blue and Gold of Allen High during the 1968 season is one we can be truly proud to call our "Screamin' Eagles." With a third place finish in the Lewis and Clark conference and a season's record of five wins and three losses, the season can be termed successful. There will be eight seniors lost through graduation, and it is hoped that the momentum gained during the season will be carried on by the reserves and returning lettermen. Eagle fans and players can look forward to the next season with much enthusiasm and optimism.

B-Team Recap

The 1968-69 version of the Junior Varsity finished with a winning record. The main purpose of having a reserve team is to prepare players for Varsity competition and to allow more players to compete in inter-school basketball. The winning spirit caught on, and it is hoped that along with the fundamentals learned, this spirit will carry over into future years with the Varsity. The J. V. featured a pattern type of offense and a pressing defense which led to the successful season.

Varsity Recap

The Allen Varsity started the year with eight returning lettermen. Partway through the season we had lost two lettermen. Due to inexperience the Varsity had a hard time getting untangled for a first win. The Eagles won their first game, after dropping their first five, in the Lyons Tournament by defeating Winside in overtime and taking third place. The top game of the season was played against Emerson S. H. when the gallant Eagles came from behind to win in overtime once again. If one had to list the highpoint of the year, it came in the satisfaction that the "Fighting Eagles" were a team, not individualistic.

Practice! Practice! Practice!

The second season of Volleyball at Allen High found the girls full of enthusiasm, with interest in the sport increasing among the student body. The Eaglettes became members of the Nebraskaland Volleyball Conference in the past year. Competition was very tough, and the girls found themselves on the short end of the score during the first half of the season. However, through a fierce determination to win and the will to learn, the girls began to merge into a sound, functioning team.

When school started on August 26, there were 17 children enrolled in the fourth grade. We have had many children from our room moving to other towns, and also many new students have enrolled throughout the year. It certainly has been a year with many new faces in our room. The highlights of this year have been the parties that are held each Halloween and Valentine's Day. We certainly want to thank our room mother, Mrs. Gary Erwin, for planning them for us. The gift exchange at Christmas was also enjoyed by everyone in our room.

Being a sixth grader, we found out, is having no milk break, having less noontime, and collecting attendance slips twice a day, besides doing the book work.

Activities coordinating with studies ranged from putting on one-act plays to making sawdust maché islands to having soil conservationist speakers to examining actual beef and pig hearts to compiling a Thanksgiving newspaper for the entire grade school and faculty.

As the year passed, those people leaving us were Barbara Taylor and Debbie Ellis. Those joining us were Rickey Chase, Francis Koepp, and Danny Campbell.

Since she was recuperating from a tonsillectomy at the time, Lois Kruse was not with us when we had our picture taken.

Our year was well organized by very efficient officers. They were President — Melodie Davenport, Vice-president — Roger Anderson, Secretary — Diane Fahrenholz, and Treasurer — Kay Schroeder.

As Seventh Graders we entered the world of Competitive Sports. We played many basketball games and participated in several tournaments. This is the first year that the girls have been organized into a volleyball team and competed with other schools. The members of our teams were cheered on by our very active pep club and enthusiastic cheerleaders: Kay Schroeder and Jenell Carr.

Approximately 15 out of our total 26 membership in class participated in band. They attended many activities and received much enrichment from this extra-curricular activity.

Our parties added to the flavor of a thoroughly enjoyable year.

Here Craig Schultz shows his top form.

The Allen High School baseball team compiled a 2-3 regular season record going into district play. Two of the losses came at the hands of the defending State Champions, Wayne High.

This year's team's chief characteristics were a strong infield and a fast and versatile outfield. Six of the starters were seniors, which means the key positions will be open next year.

Craig Schultz's fine pitching was a real bright spot for Allen. Craig compiled a two and two record. Losing him will be felt heavily. The team batting average was around 250 all season, and this is a fairly good average. We also received some good pitching from Denny Geiger, a junior. Returning regulars will be Brian Linafelter, Bob Mitchell, and John Abts.

Allen won its first game of the State District Play-off, 7-2, against Bancroft in 10 innings. The next game was against Wakefield, with the winner going to the finals in the district.

Track

BACK ROW: Wayne Chapman, Steve Green, Kenton Emry, Jerome Roberts, Brian Linafelter, Jerry Geiger, Coach Schluckebier. FRONT ROW: Bob Mitchell, Kevin Hill, Bill Hall, John Smith, Fred Moore, Dick Lux.

Track is a team sport for individuals. It puts the team's ability to win on the individuals on the team. This year we went to four track meets plus districts. The first places were quite lean with first places only at the Win-side quadrangular: Kenton Emry in the 220 and Kevin Hill in the 100. The districts found only the 880-yard relay team winning some medals for fourth place. With almost all of the track team being sophomores, next year should be good for the track team.

Sophomore speedster Kenton Emry, a promising prospect, practices his fast start.

Handoffs are vital in relay events. Here Steve Green is handing the baton to Brian Linafelter during a practice event.

Shoot for the top rung on the "Ladder of Success," but don't step on others to get there. This statement could sum up the overall theme imparted to the Seniors on Baccalaureate and Commencement. In his address on Baccalaureate, Reverend Kemling advised the Seniors to find something worth dying for, something that would benefit others not just themselves, and something that would satisfy Christ as well as human desire. We should be humble before Christ, but as Dr. Max Lundstrom said on Commencement, we must also have confidence in our own abilities to achieve "victory." Since victory is such a broad term—for people have many different objectives—Mr. Lundstrom summarized his address in this way: (1) evaluate your faults, (2) choose your goal according to your capabilities, and (3) determine to reach your goal, regardless of the setbacks you may encounter. With these inspiring thoughts, may the Seniors all find their places in the world and achieve success.

Reverend Kemling gave the Baccalaureate address, and Reverend Erlandson gave the invocation and benediction.
