

# The Eagle 76-77

Days .... Weeks .... Years .... Time was  
Very precious.

We spent much of it Enriching our lives in  
School.

Many of our most memorable recollections  
Will be our school experiences.

As time passes on, may these Bound pages be  
A cherished Keepsake of these special times.

# PRESS TIME

There was never enough time when it came to composing, typing, correcting, cutting, pasting, measuring, and hoping to meet the publishing deadlines. The Paper and Annual Staff, under the sponsorship of Miss Roberts and Mrs. Rastede respectively, alternated work on these school publications during the school year.

The paper came out every month with comments, stories, and puzzles. The yearbook is the major project of the staff. We hope that this book will provide good memories of the time spent at Allen Consolidated School during the 1976-77 school year.

# Personnel

Teaching .... Advising .... Caring ....  
Time became meaningful  
As school personnel enlightened us  
With the basic knowledge for our lives,  
And counseled us with everyday problems.  
As time passes on, we begin to realize  
The necessity of the education they gave us  
Which we need for the work of our lifetime.

V. Hingst and R. Oleson replaced W. Clough and E. Lundin as members of the Allen Consolidated School Board of Education. (BELOW) They joined previously-elected members M. Blohm, L. Koch, H. Mattes, and W. Stewart at the beginning of the 1977 year. Mr. Lee Remer (RIGHT) was the guidance counselor as well as the student council sponsor. Superintendent V. Ferguson (LOWER LEFT) and Principal D. Kennedy (LOWER RIGHT) had the constant job of keeping the school operating orderly.

# Seniors

Kindergarten . . . . Initiation . . . . Graduation . . . .  
Time has changed us from eager sparkling children  
Into the young adults of today's modern world.  
We entered as excited kindergarteners,  
Advanced through thirteen years of education,  
And excitedly awaited graduation.  
As time passes on, we become  
Adults and leaders of the future time.

# TIME FOR THE PERFORMANCE

A comedy was presented by the senior class on April 28-29, 1977. "The High White Star" takes place in Union High School, where the senior class is experiencing the trials and tribulations of trying to elect a class officer. In the running post are Ted Price, Patty Beasley, and Rick Steadman. Unknown to most of the class is that a cheating scandal at the school involves one of the candidates. A reporter for the school paper, Scoop Cramer, discovers the scandal. Most of the action centers in the classroom of instructor, Bertha Collins. Besides mystery and the excitement of the election, the play also involves several love themes. At the conclusion of the play, good triumphs over evil, all romances are renewed, and a new love begins.

 Leading the seniors through their last year at Allen High are: Pres. -D. Uhl, Sec. -L. Von Minden, V. Pres. -K. Rahn, and Treas. -M. Rubeck. A senior year is full of excitement, precious moments, and times of just having fun. Below a few of the seniors demonstrate how to have fun both in and out of class. The seniors took part in the workings of government last fall as they participated in County Government Day at Ponca, were spectators at a court case, and were also able to meet our district representative, John McCollister, while he was speaking in Allen. This spring the seniors and their mothers were honored at the Methodist Church where the church ladies held a senior tea for them.

# Underclassmen

Elementary . . . Junior High . . . Senior High . . .  
Time was occupied with studying  
Social studies, math, science, and enjoying  
Social activities with others.  
The elementary students regarded  
The "big kids" with awe,  
The junior high students couldn't wait to  
Be in high school, and senior high  
Students waited for the day they  
Would no longer be considered underclassmen.  
As time passes on, we realize  
Our entire school years  
Were learning times.

# TIME FOR THE PRODUCTION

On November 19 and 20, 1976, the junior class presented "Curtain Going Up." It was a story of conflicts arising in trying to produce a high school play. The director, Miss Burgess, was faced with a grouchy janitor, the disappearance of the playbooks, an overbearing professional actress, a thieving banker's daughter, and a set of comically mixed up high school romances - including her own. Of course the final production was successful, as was her romance, as the curtain came down on the play. Entertainment between acts was a satirization of Dolly Parton by Vince Kavanaugh.

The junior high kicked off a good football season with a record of 2 - 2. The basketball team rebounded with a 6 - 2 season. The Allen F.H.A. Chapter, under the guidance of Mrs. Ekdahl, participated in many activities this year. Our annual powderpuff football game was the September activity. In October we initiated ten new members by making them do various pranks (BELOW RIGHT). We went Christmas caroling in December. We held a Foreign Foods Dinner in January where each member brought dishes from other countries. We observed F.H.A. week, February 7-11, by wearing a different style dress each day. June and Sue (BELOW) are shown dressing in the style of the 50's. We held an Easter Party for our secret grandparents with Regina Trevino, our foreign exchange student, as guest speaker. We sold raffle tickets for our handmade patchwork quilt which we gave away at the F.F.A. Banquet. We held a slumber party in April. In the spring five members attended State Convention in Lincoln. Cheryl Koch ran for and was elected to a state office. She traveled to Seattle, Washington, in the summer to attend National Convention. To help pay her traveling expenses we held a bake sale in May. The F.H.A./F.F.A. officers (RIGHT) planned a September hayride and organized the Sweetheart Dance.

Twelve new members (BELOW) were welcomed into the Allen F.F.A. Chapter this year. Awards given this year were (ABOVE): J. Warner-Chapter Farmer, D. McGhee-Honorary Chapter Farmer, K. Brentlinger-Greenhand Award.

The F.F.A. had a very active year as they started in early summer. Last July, five members participated in a radio broadcast from the KTCH radio station in Wayne. August was a busy time for F.F.A. members. First they had an F.F.A. family picnic and local tractor driving contest. Later, members attended a District Tractor Driving Contest. In October, members attended Area Land Judging. November kept the Chapter busy too, as six members attended National Convention in Kansas City, Missouri. November also provided the District Dairy Contest. District Livestock Contest was held in December, while District F.F.A. Contest was held in February. The District Vocational Ag. Contest, which was hosted by Allen, was held in March (BELOW). In April, 12 members attended the State Convention in Lincoln. The F.F.A. Banquet was also held in April. The meal was provided by members' mothers and an awards program followed. In May, seven members attended the Junior Leadership Camp at Aurora.

# TIMELY TUNES

Everyday at 11:53 the band members can be seen tapping their toes to keep in time, while Miss Stamp directed without her baton.

# TIME TO MAKE MUSIC

Instrumental music involved practice, practice, and more practice in preparation for performances. These included pep rallies, half-time shows at ball games, parades, the Christmas concert, and the spring "Pops" concert. "Overture for Winds" and "The Rambler" were our entries for District Music Contest held April 22, 1977. The band received a II rating.

Five graduating seniors left the band this year but 14 ambitious fifth graders started. On August 30, 1976, a music display was held and the beginners started taking individual lessons and joined the six graders in junior band.
