## Just had to make some changes!

With input from the newly-formed student advisory groups, the Student Council was able to plan the 1992 Homecoming using suggestions from the students themselves. Changes included voting for the royalty and then voting again for only the top vote getters as king and queen with no designated runner-ups, no parade, an all-school participating pep rally in the gym following the coronation, and classes painting community business windows. The theme was "Stay" and dress-up days included black and white day, blue and gold day, backwards day, uniform day, and dress-up day. Michael Sullivan and Stacey Jones were crowned as king and queen. Following the football game with Winnebago, a dance was held with Complete Music supplying the music.

### Just because there weren't enough

girls for two complete cheerleading squads, the cheerleaders cheered for only the football games this year. They also planned the homecoming and volleyball going-to-state pep rallies.

## Just think of all the FHA and FFA projects for individual, school, and community betterment .

This year the Allen FHA/HERO Chapter hosted the District Fall Leadership Conference with Christy Philbrick serving as president. The group also conducted Tom Wat sales, sold raffle tickets for a stuffed volleyball and football, distributed holiday messages, participated in the Adopt-A-Highway program, recycled Christmas cards, sponsored community food baskets, continued the secret pal project, held regular meetings, and co-sponsored the Sweetheart Dance. Members attended the National Cluster meeting in Omaha. Chris Ford and Wendi Karmann received a silver medal at District SEARCH in the Consumer Homemaking event.

The FFA began the year with its officers attending the Colt Conference during the summer where goals were set for the local chapter. Members participated in livestock and dairy judging, speaking, demonstrating and welding contests, tractor operators contests, and FFA/State Fair exhibiting. Tanya Plueger received first place honors at District III Junior Public Speaking and first place at District Livestock Selection at Norfolk. The FFA sold fruit and record albums as fund raisers, organized a Christmas lighting contest, held monthly meetings with guest speakers presenting information on many agricultural occupations, and were co-sponsors for the Sweetheart Dance.

It was not just because of new uniforms that the band performed well.

Appearing for the first time in new uniforms at the Christmas concert, the band utilized their uniforms again at the Pops Concert, the Spring Concert, graduation, at Worlds of Fun Band Competition, and at district music contest. The group received a II+ rating at the former and a I at the latter. Of the thirteen students who participated in Conference Honor Band, six received medals. They were Holly Blair, Stephanie Chase, Dawn Diediker, Sam Malone, Sonya Plueger, and Shelly Smith. The marching band performed at the Allen and the Emerson homecoming parades and at home football games. The pep band played at home basketball games, and at sub-district, district, and state volleyball games. The jazz band played at all the concerts and competed at the Vermillion Coyote Jazz Festival and at district music contest, receiving a I both times. Individuals and contest ratings were as follows: Dawn Diediker on clarinet-II, Amy Morgan on clarinet-III, Stephanie Martinson on bass clarinet-I, Sonya Plueger on saxophone-II, Tanya Plueger on trumpet-II, Debbie Plueger on trombone-I, Tracy Jackson on piano-III, and Melissa Peers on piano-I. The saxophone trio of Josh Snyder, Sonya Plueger, and Holly Blair received a II. The choir, shown on page 16, performed at all the concerts and district music contest where it received a III.

Inclement weather was just one of those things at the 1993 track meets.

Practicing and competing in snow, rain, wind, and sunshine was not unusual during this track season. Meets were postponed because of the weather, but both girls' and boys' track teams were able to compete in eight meets between March 27 and May 22. Teams were able to place third or above at all the meets. Seven students qualified to go to the state meet. They were Bren Mattes-4x100 and shot put, Curtis Oswald-4x100, 110 meter hurdles, and 300 meter hurdles, Christy Philbrick-100 meter hurdles and 300 meter hurdles, Sonya Plueger-discus and shot put, Tanya Plueger-discus and shot put, Casey Schroeder-4x100 and 100 meter dash, and Steve Sullivan-4x100, 100 meter dash, and 200 meter dash.

The **ANNUAL STAFF** chose the theme of "Just Because" for the 1992-93 yearbook. Students on the staff work together "just for the fun of it" to sell ads and to give "just the facts" in copy and pictures. It is "just one of those things" to meet publisher deadlines. Everyone "just had to be there" to enjoy the staff's annual ice cream sundae sale after Awards Night. As you browse through this annual, we want you to "just think" of the hours of work that goes in a yearbook production.

Junior high students just want to get involved in athletics.

All students in the junior high were involved in the health and physical education program in addition to playing interscholastically. The girls earned a 5-2 record in volleyball and a 4-4 record in basketball. The boys' record for football was 0-3 and for basketball was 1-3. Both the boys' and girls' track teams were involved in five meets.

Just because it is a tradition, doesn't mean red and white decorations at the 1992-93 Sweetheart Dance.

The black, red, and silver decorated school gymnasium was the setting for the February 13, FFA/FHA-sponsored Sweetheart Dance shown on this and the previous page. The theme was "I Will Always Love You." Complete Music provided the music. The queen and king were Brenda Sullivan and Lane Anderson. Others in attendance were 1991-92 queen Denise Boyle, junior attendants Michelle Isom and Steve Sullivan, sophomore attendants Mandy Oldenkamp and Davis Miner, freshman attendants Abbey Schroeder and Jason Mitchell, and 1991-92 king Craig Boyle.

BRAND SEED CORN

PIONEER HI-BRED INTERNATIONAL, INC.

### More than just good seed

Everyone who uses Pioneer® brand products knows how well they yield. But, there's more to Pioneer than just consistently good yields. Things like genetic depth. Because Pioneer® brand hybrid and variety lines are so extensive, you can spread your risk without having to go anywhere else. There's the product line itself — it covers everything from seed corn, soybeans, alfalfa, sorghum and wheat to silage inoculant. And if you ever have questions, Pioneer has trained field agronomists available when you need them.

Finally, there's your Pioneer salesman. He's someone you know, like and trust. And because he lives right down the road from you, everything Pioneer offers is right down the road, too.
