

<b>School Improvement Action Plan 1</b>					
<b>Allen Consolidated Schools</b>					
<b>Student Performance Goal</b>					
Students will show growth on assessments given to them throughout the school year as a result of high-quality instruction and evidence-based interventions.					
<b>Support Data</b> (used to select the goal)		<b>Baseline Measure</b>		<b>Post Intervention Measures</b>	
NWEA MAP		Fall Assessments		Spring Assessments	
Aims Web Data		Fall Assessments		Spring Assessments	
ACT Data		ACT Data		ACT Data	
<b>Intervention (Strategy)</b>				<b>Research Supporting this Intervention</b>	
1. MTSS--Implementation K-6/ Coach 2. Secondary: We will use SAT interventions to identify, monitor and reduce the number of failing students 7-12. 3. Researched Based Interventions. 4. Curriculum Mapping 5. Kesler Science Adoption 4-12 6 Into Reading Adoption 7-12				Research shows that the following strategies will help our students grow on assessments given to them throughout the year.	
<b>Activities to Implement the Intervention (Strategy)</b>	<b>Person(s) Accountable</b>	<b>Timeline</b>		<b>Resources</b>	<b>Outcomes / Desired Outcomes</b>
		<b>Beginning</b>	<b>End</b>		
MTSS	Mike Pattee/ Chris Blohm/ MTSS Team	8/1/2018	Ongoing	ESU #1 State MTSS Team	Focus on Core Curriculum

Identify and monitor struggling students in SAT.	SAT TEAM	Ongoing	Ongoing	PowerSchool records, teacher input	Reduced number of failing students, increased activity participation, and improved MAP and NSCAS scores.
